The Art & Craft of Writing Christian Fiction Jeff Gerke, 2012-06-01 Let's face it Christian fiction is fun Even if you're writing a serious minded study of man's inhumanity to man there is something exhilarating about story about creating people and worlds and events about telling a tale that keeps readers enraptured and maybe just maybe leaves them fortified in their walk with Jesus But for all of the fun it's also hard work There is skill involved in writing excellent Christian fiction There is craftsmanship to be learned And there are the long hours pounding away on a manuscript that by the time you're done with it has you convinced it's the worst piece of garbage ever penned by man That's not even talking about trying to get your book published It's a wonder anyone would choose such a way to spend otherwise useful time So maybe you put your novel away for awhile You've tried to do more sensible things with your spare moments You've attempted to be engaged with workaday matters laundry and bills But one day a new story idea will pop into your head or you won't be able to stop hearing the voice of a character demanding to be written about On that day you'll be right back where you were counting the cost of writing Christian fiction and loving it like nothing else
