The Lost Art of Forgiving, 1998 A collection of stories showing the healing power of forgiveness in the experiences of people scarred by crime betrayal abuse bigotry and war Rather than offering a theoretical discussion it lets the lives and voices of those who have forgiven and those who haven't speak for themselves **The Lost Art of Forgiving** Johann

Christoph Arnold, 1998 The Lost Art of Forgiving is a collection of stories showing the healing power of forgiveness in the experiences of ordinary people scarred by crime betrayal abuse bigotry and war It lets the lives and voices of those who have forgiven and those who haven't speak for themselves **Finding the Lost Art of Empathy** Tracy

Wilde-Pace, 2017-05-16 Pastor Tracy Wilde reflects on the absence of empathy in today's world and shares how Christians can renew their compassion to help unify not only the church but society as well in this timely and refreshing guide Achieving meaningful relationships and cultivating lasting connections with others are often some of the most valuable experiences of our lives So why can it sometimes feel so difficult to relate to the people around us if we all share the same human desire to bond In Finding the Lost Art of Empathy Tracy Wilde addresses the reasons why we struggle with showing empathy toward others and explains why we ultimately avoid it and even avoid contact with others altogether She explores the different facets that have promoted isolation instead of community and provides the antidote for a more unified loving and empathetic society Inspirational and encouraging Wilde inspires us to self reflect and remove whatever obstacles from our lives that may be blocking our way to true fulfillment in our relationships and living life the way God intends us to *Sin and Forgiveness*

Kay Carmichael, 2019-09-16 Originally published in 2003 Western attitudes to crime were in the past rooted in concepts of sin and therefore of hopes for redemption and forgiveness So what happens to offenders and society as a whole in a world where people no longer talk of sin but of evil If hopes of redemption go too will revenge take the place of forgiveness Kay Carmichael explores these dilemmas in this topical and provocative book She traces the stories of Myra Hindley Mary Bell Sarah Payne James Bulger and his killers comparing public responses to such crimes in various Western countries Art and literature are examined for the light they throw on the evolution of our ideas about sin and forgiveness from Rembrandt to Nathaniel Hawthorne Samuel Becket Dali and writings inspired by the Holocaust Turning to our own day Carmichael discusses the emergence of structural sins or iniquities in which we may all find ourselves involved poverty slavery violence and war are her themes Her analysis leaves her sceptical about many contemporary appeals for forgiveness but hopeful about ideas of restorative justice [The Lost Art of Herbal Healing](#) The Hidden Architecture, 2025-09-04 Before pills before
