Dickson, 1999-07-02 Shane a gifted linguist has spent his life learning the language of the old and powerful alien race that has conquered Earth He has learned it so well that the interstellar masters old hands at enslaving planets regard him as a valuable servant But Shane has a secret

One day in a rebellious moment he invented The Pilgrim a mysterious figure who incites rebellion and vanishes unseen leaving a distinctive icon behind him Now the human underground is preparing to rebel Shane knows how hopeless their rebellion will be He knows as well that he will be unable to keep himself from taking part **Antagonist** Gordon R. Dickson, David W. Wixon, 2008-03-04 Gordon R Dickson's Childe Cycle of novels depicting the future of the human race has been one of the grand epics of science fiction At the time of his death in 2001 Dickson was writing Antagonist the tale of Bley's Ahrens turn toward darkness Now Dickson's assistant David W Wixon has brilliantly finished the long awaited book working from Dickson's copious notes Antagonist is a fitting capstone to one of the most ambitious series in SF history The Childe Cycle is the story of a new human evolution the development of a real hardwired sense of responsibility shared by all human beings Donal Graeme was a Dorsai a mercenary soldier and also a mutant gifted with insight into the path forward for the human race Through his gifts Donal would come to bend time and live three lifetimes and in the process run into problems he had not expected first his own flaws and second the existence of another mutant Bley's Ahrens Following Young Bley's and Other Antagonist advances the story of the formidably powerful Bley's Ahrens Bley's is a man with a clear vision of the struggle in which he's involved but an increasingly deficient sense of human values He and his organization the Others are tracking down an elusive interplanetary opposition Meanwhile Bley's own intricate conspiracies and devisings and his quest for power which began with the best of motives have become something darker and fiercer He's committed to his plans They may bring about the advent of Homo superior And they may destroy the human race **Soldier, Ask Not** Gordon R.
