Lost Honor The Rest Of The Story:

The Human Tradition in America Since 1945 David L. Anderson, 2003 In the brief biographical essays of *The Human Tradition in America since 1945* students will meet a wide range of diverse individuals both men and women rich and poor powerful and vulnerable who represent key elements of post World War II America **Leak** Max Holland, 2017-02-10 Through the shadowy persona of Deep Throat FBI official Mark Felt became as famous as the Watergate scandal his leaks helped uncover Best known through Hal Holbrook's portrayal in the film version of Bob Woodward and Carl Bernstein's *All the President's Men* Felt was regarded for decades as a conscientious but highly secretive whistleblower who shunned the limelight Yet even after he finally revealed his identity in 2005 questions about his true motivations persisted Max Holland has found the missing piece of that Deep Throat puzzle one that's been hidden in plain sight all along He reveals for the first time in detail what truly motivated the FBI's number two executive to become the most fabled secret source in American history In the process he directly challenges Felt's own explanations while also demolishing the legend fostered by Woodward and Bernstein's bestselling account Holland critiques all the theories of Felt's motivation that have circulated over the years including notions that Felt had been genuinely upset by White House law breaking or had tried to defend and insulate the FBI from the machinations of President Nixon and his Watergate henchmen And while acknowledging that Woodward finally disowned the principled whistleblower image of Felt in *The Secret Man* Holland shows why that famed journalist's latest explanation still falls short of the truth Holland showcases the many twists and turns to Felt's story that are not widely known revealing not a selfless official acting out of altruistic patriotism but rather a career bureaucrat with his own very private agenda Drawing on new interviews and oral histories old and just released FBI Watergate files papers of the Watergate Special Prosecution Force presidential tape recordings and Woodward and Bernstein's Watergate related papers he sheds important new light on both Felt's motivations and the complex and often problematic relationship between the press and government officials Fast paced and scrupulously fact checked Leak resolves the mystery residing at the heart of Mark Felt's actions By doing so it radically revises our understanding of America's most famous presidential scandal *The Lost Story of Eva Fuentes* Chanel Cleeton, 2025-09-30 This captivating story is an ode to book lovers Woman's World A mysterious book with a legacy spanning from the beginning of the twentieth century to the present day unites three women and their secrets in this unforgettable novel from New York Times bestselling author Chanel Cleeton London 2024 American expat Margo Reynolds is renowned for her talent at sourcing rare antiques for her clients but she's never had a request quite like this one She's been hired to find a mysterious book published over a century ago With a single copy left in existence it has a storied past shrouded in secrecy and her client isn't the only person determined to procure it at any cost Havana 1966 Librarian Pilar Castillo has devoted her life to books and in the chaotic days following her husband's unjust imprisonment by Fidel Castro reading is her only source of solace So when a neighbor fleeing Cuba asks her to return a valuable book to its

rightful owner Pilar will risk everything to protect the literary work entrusted to her care It s a dangerous mission that reveals to her the power of one book to change a life Boston 1900 For Cuban school teacher and aspiring author Eva Fuentes traveling from Havana to Harvard to study for the summer is the opportunity of a lifetime It s a whirlwind adventure that leaves her little time to write but a moonlit encounter with an enigmatic stranger changes everything The story that pours out of her is one of forbidden love secrets and lies and though Eva cannot yet see it the book will be a danger and salvation for the lives it touches

The Case of Literature Arne Höcker,2020-06-15 In *The Case of Literature* Arne Höcker offers a radical reassessment of the modern European literary canon His reinterpretations of Goethe Schiller Büchner Döblin Musil and Kafka show how literary and scientific narratives have determined each other over the past three centuries and he argues that modern literature not only contributed to the development of the human sciences but also established itself as the privileged medium for a modern style of case based reasoning *The Case of Literature* deftly traces the role of narrative fiction in relation to the scientific knowledge of the individual from eighteenth century psychology and

pedagogy to nineteenth century sexology and criminology to twentieth century psychoanalysis H cker demonstrates how modern authors consciously engaged casuistic forms of writing to arrive at new understandings of literary discourse that correspond to major historical transformations in the function of fiction He argues for the centrality of literature to changes in the conceptions of psychological knowledge production around 1800 legal responsibility and institutionalized forms of decision making throughout the nineteenth century and literature s own realist demands in the early twentieth century
