

Lost Love

**Tell me young man
Why are you so numb?
You don't care if I die
Yet you tell me I'm dumb**

**My heart is shouting at your ear
You're so deaf that you can't hear
Now I'm paralyzed with fear
'Coz all things are so unclear**

**Why did you leave me for her?
Though she can't love you truly
Please come back my long lost love
And I'll cherish you dearly**

**Tonight if you're not back
I'll just cut my wrist and die
My heart will be as hard as rock
And I'll keep these feelings in a lie**

The Oxford Handbook of Contemporary British and Irish Poetry Peter Robinson, 2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period's poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its

significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers *American and British Poetry* Harriet Semmes Alexander,1984 Contemporary Irish Poetry and the Pastoral Tradition Donna L. Potts,2012-01-01 In *Contemporary Irish Poetry and the Pastoral Tradition* Donna L Potts closely examines the pastoral genre in the work of six Irish poets writing today Through the exploration of the poets and their works she reveals the wide range of purposes that pastoral has served in both Northern Ireland and the Republic a postcolonial critique of British imperialism a response to modernity industrialization and globalization a way of uncovering political and social repercussions of gendered representations of Ireland and more recently a means for conveying environmentalism s more complex understanding of the value of nature Potts traces the pastoral back to its origins in the work of Theocritus of Syracuse in the third century and plots its evolution due to cultural changes While all pastoral poems share certain generic traits Potts makes clear that pastorals are shaped by social and historical contexts and Irish pastorals in particular were influenced by Ireland s unique relationship with the land language and industrialization due to England s colonization For her discussion Potts has chosen six poets who have written significant collections of pastoral poetry and whose work is in dialogue with both the pastoral tradition and other contemporary pastoral poets Three poets are men John Montague Seamus Heaney Michael Longley while three are women Eavan Boland Medbh McGuckian Nuala N Dhomhnaill Five are English language authors while the sixth N Dhomhnaill writes in Irish Additionally some of the poets hail from the Republic while others originate from Northern Ireland Potts contends that while both Irish Republic and Northern Irish poets respond to a shared history of British colonization in their pastorals the 1921 partition of the country caused the pastoral tradition to evolve differently on either side of the border primarily because of the North s more rapid industrialization its more heavily Protestant population whose response to environmentalism was somewhat different than that of the Republic s predominantly Catholic population as well the greater impact of the world wars and the Irish Troubles In an important distinction from other studies of Irish poetry Potts moves beyond the influence of history and politics on contemporary Irish pastoral poetry to consider the relatively recent influence of ecology Contemporary Irish poets often rely on the motif of the pastoral retreat to highlight various environmental threats to those retreats whether they be high rises motorways global warming or acid rain Potts concludes by speculating on the future of pastoral in contemporary Irish poetry through her examination of more recent poets including Moya Cannon and Paula Meehan as well as other genres such as film drama and fiction **WLA ,2009 A Field Guide to**

Overheard Voices Ann Keniston, 2006-01-20 Overheard Voices examines poetic address and, in particular, apostrophe: the address of absent or inanimate others in the work of four post-World War II American poets with a focus on loss, desire, figuration, audience, and subjectivity. By approaching these crucial issues from an unexpected angle through a study of the seldom-examined lyric, Overheard Voices offers new insight into both contemporary lyric and the lyric genre more generally. The book offers detailed readings of Sylvia Plath, James Merrill, Louise Glück, and Frank Bidart.
