the Artist Nicola McCartney, 2018-07-30 There exists a series of contemporary artists who continually defy the traditional role of the artist author including Art Language Guerrilla Girls Bob and Roberta Smith Marvin Gaye Chetwynd and Lucky PDF In Death of the Artist Nicola McCartney explores their work and uses previously unpublished interviews to provoke a vital and nuanced discussion about contemporary artistic authorship How do emerging artists navigate intellectual property or work collectively and share the recognition How might a pseudonym aid activism Most strikingly she demonstrates how an alternative identity can challenge the art market and is symptomatic of greater cultural and political rebellion As such this book exposes the art world's financially incentivised infrastructures but also examines how they might be reshaped from within In an age of cuts to arts funding and forced self promotion this offers an important analysis of the pressing need for the artistic community to construct new ways to reinvent itself and incite fresh responses to its work The Everything Twins, Triplets, And More Book Pamela Fierro, 2005-06-30 Still reeling from the shock that you're not having just one baby you're having two three or more Unsure about what to expect and what you need to do There's no need to fear because with The Everything Twins Triplets and More Book you have all the answers right at your fingertips From what to anticipate throughout pregnancy and delivery to surviving those first few sleepless months and the necessary lifestyle changes you'll need to make every scenario is covered Includes information on What to expect during each trimester Physical changes your body endures Budgeting for extra expenses Setting up your household for the big arrivals The first few months of life with your multiples The Everything Twins Triplets and More Book is your all in one resource for preparing your home and your life for all your little bundles of joy *A Woman's Version of the Faust Legend* George Sand, 2013-06-01 George Sand's *The Seven Strings of the Lyre* is a philosophical play written in poetic prose and never intended for performance on stage Completed in 1838 during the early stages of Sand's romantic involvement with Frederic Chopin it is one of the very few treatments of the Faust legend by a woman George Kennedy offers the first English translation of this work along with an introduction that places the play in its philosophical and literary context *The Seven Strings of the Lyre* is Sand's response to Goethe's *Faust* and a reflection of her views of music as developed in conversations with Chopin and Franz Liszt Sand unlike so many of her contemporaries saw Goethe as a less than ideal poet She criticized him for lacking enthusiasm belief and passion and she faulted him for being a proponent of the art for art's sake movement which Sand deplored for its lack of social conscience Sand's play describes the efforts of Mephistopheles to win the soul of Albertus a teacher of philosophy and descendant of Faust Regarding Goethe's Mephistopheles as insufficiently wicked Sand conjures up a devil truly worthy of the epithet For Faust whom she considered too cold Sand substitutes the more emotional Albertus whose despair that life and love have passed him by in his devotion to philosophy makes him vulnerable to the machinations of the devil And in place of Goethe's village girl Marguerite or the dangerous Helen of the earlier Faust legend Sand creates the angelic Helen who awakens Albertus's love and teaches him the emotional and spiritual truths he had never learned from books Richly

philosophical and deeply romantic the play is a reaction against eighteenth century rationalism It asserts the existence of some higher truth to be found in music poetry and a sympathetic response to nature but it also contrary to the doctrine of art for art's sake demands social responsibility from the artist Sand believed that the arts should lead society to an awareness of truth freedom and the meaning of life and The Seven Strings of the Lyre is an attempt to dramatize this belief Originally published in 1989 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
