Mouse, 2018-10-01 Within this unique volume are 15 legends of Maui Legends like MAUI THE FISHERMAN MAUI LIFTING THE SKY MAUI SNARING THE SUN and twelve more captivating stories and tales from antiquity from the Polynesian people of the South Pacific These legends are not only different from the myths of other nations but they are unique in the character of the actions recorded There are three centres for these legends New Zealand in the south Hawaii in the north and the Tahitian group in the east In each of these groups of islands separated by thousands of miles there are the same legends told in almost the same way and with very little variation in names and content However Maui's deeds rank in a higher class than most of the mighty efforts of the demi gods of other nations and races and are usually of more utility The Maui legends are full of helpful imaginations which are distinctly and uniquely Polynesian in nature Here you will find adventures from the great voyages of discovery which carry fragments and hints of wonderful deeds The Maoris of New Zealand claim Maui as an ancestor of their most ancient tribes and class him as one of the most ancient of their gods calling him creator of land and creator of man even sometimes the sun himself the solar fire and the the sun god while his mother Hina was called the moon goddess NOTE MAUI Ma u i Ma oo e is a Polynesian demi god His name derives from Mohyi meaning causing to live or life applied sometimes to the gods and sometimes to chiefs as preservers and sustainers of their followers The Maui story probably contains a larger number of unique and ancient myths than that of any other legendary character in the mythology of any nation They also form one of the strongest links in the mythological chain of evidence which binds the scattered inhabitants of the Pacific into one nation They possess remarkable antiquity YESTERDAY'S BOOKS FOR TODAY'S CHARITIES 10% of the profit from the sale of our books is donated to charities TAGS Maui Hawaii Myths Legends Folklore children's stories adventure exploration Maui's home Fisherman Lifting The Sky Snaring The Sun Finding Fire The Skillful Tuna Brother In Law Kite Flying Oahu Legends Seeking Immortality Hina Hilo Wailuku River Ghosts Hilo Hills Woman In The Moon New Zealand Maori Polynesian Pacific Ocean South Pacific Canoe **Polynesian Mythology** Sir George J.

Grey, 2019-11-16 Sir George Grey was among the first chroniclers to explore Hawaii and the South Sea Isles with an aim of writing down the local legends and myths this collection contains the amazing results of his journey It was not the author's original plan to record the myths and legends of the Polynesian people a government posting in New Zealand and his subsequent encounters with natives and their chieftains spurred an interest in the region's rich storytelling history Many chieftains would quote different proverbs and narratives in common summarizing the deeds of heroes such as Maui and Tawhaki Many of the myths and legends reflected the Polynesian society's maritime nature prowess upon the seas be it in

intrepid sailing or hunting great beasts of the deep is a recurring theme The peoples of Polynesia were spread over thousands of miles of island chains in the Pacific Ocean and were mindful of the great distances their boats had covered The discovery of New Zealand itself was subject to a legendary story it being an island far greater in size than any discovered before Tales of rituals and magic connected with nature leads Sir Grey to speculate about some arcane link between Polynesia and ancient Mexico at the time the supernatural qualities found in this lore were considered barbarous and ignoble in the face of the Christianity of Western explorers

**First Contacts in Polynesia - the Samoan Case (1722-1848)** Serge Tcherkezoff,2008-08-01 This book explores the first encounters between Samoans and Europeans up to the arrival of the missionaries using all available sources for the years 1722 to the 1830s paying special attention to the first encounter on land with the Laperouse expedition Many of the sources used are French and some of difficult accessibility and thus they have not previously been thoroughly examined by historians Adding some Polynesian comparisons from beyond Samoa and reconsidering the so called Sahlins Obeyesekere debate about the fate of Captain Cook First Contacts in Polynesia advances a hypothesis about the contemporary interpretations made by the Polynesians of the nature of the Europeans and about the actions that the Polynesians devised for this encounter wrapping Europeans up in cloth and presenting young girls for sexual contact It also discusses how we can go back two centuries and attempt to reconstitute even if only partially the point of view of those who had to discover for themselves these Europeans whom they call Papalagi The book also contributes an additional dimension to the much touted Mead Freeman debate which bears on

the rules and values regulating adolescent sexuality in Samoan culture Scholars have long considered the pre missionary times as a period in which freedom in sexuality for adolescents predominated It appears now that this erroneous view emerged from a deep misinterpretation of Laperouse s and Dumont d Urville s narratives
