Eric Naiman

Nabokov's Garden A Guide To Ada:

Nabokov's Garden Bobbie Ann Mason, 1974 **Nabokov Garden** Bobbie Ann Mason, 1974 *Nabokov's Canon* Marijeta Bozovic, 2016-05-31 Nabokov's translation of Pushkin's Eugene Onegin 1964 and its accompanying Commentary along with *Invitation of a Friend* 1969 his densely allusive late English language novel have appeared nearly inscrutable to many interpreters of his work If not outright failures they are often considered relatively unsuccessful curiosities In Bozovic's insightful study these key texts reveal Nabokov's ambitions to reimagine a canon of nineteenth and twentieth century Western masterpieces with Russian literature as a central rather than marginal strain Nabokov's scholarly work translations and lectures on literature bear resemblance to New Critical canon reformations however Nabokov's canon is pointedly translingual and transnational and serves to legitimize his own literary practice The new angles and theoretical framework offered by Nabokov's Canon help us to understand why Nabokov's provocative monuments remain powerful source texts for several generations of diverse international writers as well as richly productive material for visual cinematic musical and other artistic adaptations **The Garland Companion to Vladimir Nabokov** Vladimir E. Alexandrov, 2014-05-22 First published in 1995 This companion constitutes a virtual encyclopaedia of Nabokov and occupies a unique niche in scholarship about him Articles on individual works by Nabokov including his short stories and poetry provide a brief survey of critical reactions and detailed analyses from diverse vantage points For anyone interested in Nabokov from scholars to readers who love his works this is an ideal guide Its chronology of Nabokov's life and works bibliographies of primary and secondary works and a detailed index make it easy to find reliable information any aspect of Nabokov's rich legacy *Nabokov's Fifth Arc* J. E. Rivers, Charles Nicol, 2014-09-10 In his autobiography *Invitation of a Friend* Vladimir Nabokov compared his life to a spiral in which twirl follows twirl and every synthesis is the thesis of the next series The first four arcs of the spiral of Nabokov's life his youth in Russia voluntary exile in Europe two decades spent in the United States and the final years of his life in Switzerland are now followed by a fifth arc his continuing life in literary history which this volume both explores and symbolizes This is the first collection of essays to examine all five arcs of Nabokov's creative life through close analyses of representative works The essays cast new light on works both famous and neglected and place these works against the backgrounds of Nabokov's career as a whole and modern literature in general Nabokov analyzes his own artistry in his *Postscript to the Russian Edition of Lolita* presented here in its first English translation and in his little known *Notes to Ada* by Vivian Darkbloom published now for the first time in America and keyed to the standard U S editions of the novel In addition to a defense of his father's work by Dmitri Nabokov and a portrait interview by Alfred Appel Jr the volume presents a vast spectrum of critical analyses covering all Nabokov's major novels and several important short stories The highly original structure of the book and the fresh and often startling revelations of the essays dramatize as never before the unity and richness of Nabokov's unique literary achievement *Stalking Nabokov* Brian Boyd, 2013-06-25 In this book Brian Boyd

surveys Vladimir Nabokov's life, career and legacy, his art, science and thought, his subtle humor and puzzle-like storytelling, his complex psychological portraits and his inheritance from reworking of and affinities with Shakespeare, Pushkin, Tolstoy and Machado de Assis. Boyd also offers new ways of reading *Lolita*, *Pale Fire*, *Invitation of a Small Creature* and the unparalleled autobiography *Invitation of a Small Creature*, disclosing otherwise unknown information about the author's world. Sharing his personal reflections as he recounts the adventures, hardships and revelations of researching Nabokov's life oeuvre, he cautions against using Nabokov's metaphysics as the key to unlocking all of the enigmatic author's secrets. Assessing and appreciating Nabokov as novelist, memoirist, poet, translator, scientist and individual, Boyd helps us understand more than ever Nabokov's multifaceted genius.

Nabokov, History and the Texture of Time Will Norman, 2012. This book argues that the apparent evasion of history in Vladimir Nabokov's fiction conceals a profound engagement with social and therefore political temporalities. While Nabokov scholarship has long assumed the same position as Nabokov himself that his works exist in a state of historical exceptionalism, this study restores the content context and commentary to Nabokovian time by reading his American work alongside the violent upheavals of twentieth-century ideological conflicts in Europe and the United States. This approach explores how the author's characteristic temporal manipulations and distortions function as a defensive dialectic against history, an attempt to salvage fiction for autonomous aesthetics. Tracing Nabokov's understanding of the relationship between history and aesthetics from nineteenth-century Russia through European modernism to the postwar American academy, the book offers detailed contextualized readings of Nabokov's major writings, exploring the tensions, fissures and failures in Nabokov's attempts to assert aesthetic control over historical time. In reading his response to the rise of totalitarianism, the Holocaust and Cold War, Norman redresses the commonly expressed admiration for Nabokov's heroic resistance to history by suggesting the ethical, aesthetic and political costs of reading and writing in its denial. This book offers a rethinking of Nabokov's location in literary history, the ideological impulses which inform his fiction and the importance of temporal aesthetics in negotiating the matrices of modernism.

Nabokov Leona Toker, 2016-11-01. Vladimir Nabokov described the literature course he taught at Cornell as a kind of detective investigation of the mystery of literary structures. Leona Toker here pursues a similar investigation of the enigmatic structures of Nabokov's own fiction. According to Toker, most previous critics stressed either Nabokov's concern with form or the humanistic side of his works, but rarely if ever the two together. In sensitive and revealing readings of ten novels, Toker demonstrates that the need to reconcile the human element with aesthetic or metaphysical pursuits is a constant theme of Nabokov's and that the tension between technique and content is itself a key to his fiction. Written with verve and precision, Toker's book begins with *Invitation of a Small Creature* and follows the circular pattern that is one of her subject's own favored devices.

Nabokov, Perversely Eric Naiman, 2011-01-15. In an original and provocative reading of Vladimir Nabokov's work and the pleasures and perils to which its readers are subjected, Eric Naiman explores the significance and consequences of Nabokov's insistence on bringing the issue of art's essential perversity to the fore. Nabokov

s fiction is notorious for the interpretive panic it occasions in its readers the sense that no matter how hard he or she tries the reader has not gotten Nabokov right At the same time the fictions abound with characters who might be labeled perverts and questions of sexuality lurk everywhere Naiman argues that the sexual and the interpretive are so bound together in Nabokov's stories and novels that the reader confronts the fear that there is no stable line between good reading and overreading and that reading Nabokov well is beset by the exhilaration and performance anxiety more frequently associated with questions of sexuality than of literature Nabokov's fictions pervert their readers obligingly training them to twist and turn the text in order to puzzle out its meanings so that they become not better people but closer readers assuming all the impudence and potential for shame that sexually oriented close looking entails In Nabokov Perversely Naiman traces the connections between sex and interpretation in *Lolita* which he reads as a perverse work of Shakespeare scholarship Pnin Bend Sinister and *Ada* He examines the roots of perverse reading in *The Defense* and charts the enhanced attention to the connection between sex and metafiction in works translated from the Russian He also takes on books by other authors such as *Reading Lolita in Tehran* that misguidedly incorporate Nabokov's writing within frameworks of moral usefulness In a final extraordinary chapter Naiman reads Dostoevsky's *The Double* with Nabokov trained eyes making clear the power a strong writer can exert on readers

Time, Literature, and Cartography After the Spatial Turn Adam Barrows, 2016-06-01
Time Literature and Cartography after the Spatial Turn argues that the spatial turn in literary studies has the unexplored potential to reinvigorate the ways in which we understand time in literature Drawing on new readings of time in a range of literary narratives including Vladimir Nabokov's *Ada* and James Joyce's *Finnegans Wake* Adam Barrows explores literature's ability to cartographically represent the dense and tangled rhythmic processes that constitute lived spaces Applying the insights of ecological resilience studies as well as Henri Lefebvre's late work on rhythm to literary representations of time this book offers a sustained examination of literature's chronometric imaginary its capacity to map the temporal relationships between the human and the non human the local and the global

A Study Guide for Bobbie Ann Mason's "In Country"
Gale, Cengage Learning, 2016-06-29 A Study Guide for Bobbie Ann Mason's *In Country* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs

Vladimir Nabokov and the Poetics of Liberalism Dana Dragunoiu, 2011-08-31 Through a close examination of Nabokov's father's political moral and aesthetic values and more generally Russian liberalism as it existed in the first few decades of the 20th century the author provides persuasive answers to many long standing questions in this deeply researched innovative study

Nabokov at Cornell Gavriel Shapiro, 2003 Table of contents
Understanding Bobbie Ann Mason Joanna Price, 2000 An analysis introducing Mason's nonfiction prose short stories and novels Price sheds light on the writer's distinctive style and thematic concerns in her writings about contemporary Western Kentucky

Contemporary

American Women Fiction Writers Laurie Champion, Rhonda Austin, 2002-11-30 American women writers have long been creating an extraordinarily diverse and vital body of fiction particularly in the decades since World War II Recent authors have benefited from the struggles of their predecessors who broke through barriers that denied women opportunities for self expression This reference highlights American women writers who continue to build upon the formerly male dominated canon Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II Each entry is written by an expert contributor and includes L DBLA brief biography L DBLA discussion of major works and themes DBLA survey of the writer s critical reception L DBLA bibliography of primary and secondary sources The Cosmic Web N. Katherine Hayles, 2018-03-15 No detailed description available for The Cosmic Web Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research *Who's Who in Contemporary Women's Writing* Jane Eldridge Miller, 2019-07-23 Unique in its breadth of coverage Who s Who in Contemporary Women s Writing is a comprehensive authoritative and enjoyable guide to women s fiction prose poetry and drama from around the world in the second half of the twentieth century Over the course of 1000 entries by over 150 international contributors a picture emerges of the incredible range of women s writing in our time from Toni Morrison to Fleur Adcock all are here This book includes the established and well loved but also opens up new worlds of modern literature which may be unfamiliar but are never less than fascinating

The Chronology of American Literature Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author s work or see a year s bestsellers at a glance The Chronology of American Literature is the perfect resource At once an authoritative reference and an ideal browser s guide this book outlines the indispensable information in America s rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery

writer What was Hemingway's breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career The result is a fascinating glimpse into the evolution of some of America's most prominent writers Perhaps most important The Chronology offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust and reaction to social change You'll find everything here from Benjamin Franklin's Experiments and Observations on Electricity to Davy Crockett's first memoir from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop Also included here are seminal works by authors such as Rachel Carson Toni Morrison John Updike and Arthur Schlesinger Jr Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast It is the essential link to our literary past and present

Vladimir Nabokov Professor Norman Page, Norman Page, 2013-11-05 This set comprises of 40 volumes covering nineteenth and twentieth century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set complements the first 68 volume set of Critical Heritage published by Routledge in October 1995
