

A close-up, artistic rendering of a golden face, likely a statue or mask, with a large, dark, almond-shaped eye. The face is textured and glowing with a warm, golden light. The eye is the central focus, with a dark, reflective surface. The surrounding skin is a mix of yellow and orange tones, with some darker, shadowed areas. The overall style is dramatic and ancient.

Mohamed Shoaib,2022-05-03 An award winning account of Nobel laureate Naguib Mahfouz s most controversial novel and the fierce debates that it provoked Naguib Mahfouz s novel Children of the Alley has been in the spotlight since it was first published in Egypt in 1959 It has been at times banned and at others allowed sold sometimes under the counter and sometimes openly on the street often pirated and only recently legally reprinted It has inspired anxiety among the secular authorities rage within the religious right and a drawing of battle lines among Arab intellectuals and writers It dogged Mahfouz like a curse throughout the remainder of his career led to his attempted assassination and sparked a public debate that continues to this day even after the author s death in 2006 It is Egypt s iconic novel in whose mirror millions have seen themselves their society and even the universe some finding truth others blasphemy In this award winning account Mohamed Shoaib traces the story of Mahfouz s novel as a cultural and political object from its first publication to the present via Mahfouz s award of the Nobel prize for literature in 1988 and the attempt on his life in 1994 He presents the arguments that swirled about the novel and the wide cast of Egyptian figures from state actors to secular intellectuals and Islamists who took part in them He also contextualizes the interactions among the principal characters interactions that have done much to shape the country s present Extensively researched and written in a lucid accessible style The Story of the Banned Book is both a gripping work of investigative journalism and a window onto some of the fiercest debates around culture and religion to have taken place in Egyptian society over the past half century

Echoes of an Autobiography Naguib Mahfouz,1997-12-29 From the Foreword by Nadine Gordimer These pieces are meditations which echo that which has been and is the writer Mahfouz They are in the words of the title of one of the prose pieces The Dialogue of the Late Afternoon of his life I don t believe any autobiography with its inevitable implication of self presentation could have matched what we have here With more than 500 000 copies of his books in print Naguib Mahfouz has established a following of readers for whom Echoes of an Autobiography provides a unique opportunity to catch an intimate glimpse into the life and mind of this magnificent storyteller Here in his first work of nonfiction ever to be published in the United States Mahfouz considers the myriad perplexities of existence including preoccupations with old age death and life s transitory nature A surprising and delightful departure from his bestselling and much loved fiction this unusual and thoughtful book is breathtaking evidence of the fact that Naguib Mahfouz is not only a storyteller of the first order Vanity Fair but also a profound thinker of the first order *The Naguib Mahfouz Reader* Najīb Maḥfūz,2016 Ma f Naj b 1911 2006 translations into English

Before the Throne Naguib Mahfouz,2012-07-03 Nearly sixty of Egypt s past leaders from the time of the Pharaohs to the twentieth century are summoned to judgment in the Court of Osiris in the Afterlife in this extraordinary novel by Nobel Prize winning author Naguib Mahfouz Before the Throne calls forth a parade of those who have shaped the modern nation of Egypt from the ruler who first unified Egypt in 3000 BC to Anwar Sadat the president assassinated by religious extremists in 1981 and including figures as various as the famous pharaoh Ramesses II and the medieval vizier Qaraqush As they defend their decisions under questioning by Osiris Isis and Horus those who acted for the nation s good are honored with immortality in paradise while

those who failed to protect it are condemned either to the inferno or to the place of insignificance Full of Mahfouz's unique insight into his country's timeless qualities this provocative work skillfully traces five thousand years of Egypt's past as it flows into the turbulent present Translated from the Arabic by Raymond Stock Ägypten Hans-Günter Semsek, 2010 Reich illustriertes Handbuch für Nilreisende die die klassischen Orte entlang des Flusses von der Mündung bis nach Assuan besuchen und zum Schluss noch einige Erholungstage am Roten Meer verbringen wollen **The Essential Naguib Mahfouz**, 2011-03-01 A selection of the most important works of Egypt's Nobel literature laureate Naguib Mahfouz the first and only writer of Arabic to be awarded the Nobel prize for literature wrote prolifically from the 1930s until shortly before his death in 2006 in a variety of genres novels short stories plays screenplays a regular weekly newspaper column and in later life his intensely brief and evocative Dreams His Cairo Trilogy achieved the status of a world classic and the Swedish Academy of Letters in awarding him the 1988 Nobel prize for literature noted that Mahfouz through works rich in nuance now clear sightedly realistic now evocatively ambiguous has formed an Arabic narrative art that applies to all mankind Here Denys Johnson Davies described by Edward Said as the leading Arabic English translator of our time and the first to translate Naguib Mahfouz into English makes an essential selection of short stories and extracts from novels and other writings to present a cross section through time of the very best of the work of Egypt's Nobel literature laureate **Morning and Evening Talk** Naguib Mahfouz, 2011-04-27 From the Nobel Prize winning author of The Cairo Trilogy and a storyteller of the first order Vanity Fair comes an epic novel that portrays five generations of one sprawling family against the upheavals of two centuries of modern Egyptian history Set in Cairo Morning and Evening Talk traces three related families from the arrival of Napoleon to the 1980s through short character sketches arranged in alphabetical order This highly experimental device produces a kind of biographical dictionary whose individual entries come together to paint a vivid portrait of life in Cairo from a range of perspectives The characters include representatives of every class and human type and as the intricate family saga unfolds a powerful picture of a society in transition emerges This is a tale of change and continuity of the death of a traditional way of life and the road to independence and beyond seen through the eyes of Egypt's citizens Naguib Mahfouz's last chronicle of Cairo is both an elegy to a bygone era and a tribute to the Egyptian spirit
