Nairn in Old Picture Postcards David M. Ellen,1993-10-01      *Pelton in Old Picture Postcards*. George Nairn,Dorothy A. Rand,1993      **A Walk across Africa** Roy Bridges,2018-02-15 The Nile Expedition of 1860 1863 was one of the most important exploratory expeditions made in the nineteenth century The long debated question of the location of the source of the Nile was answered despite continuing arguments and the venture had important historical consequences Earlier accounts of the expedition have assumed James Augustus Grant to have been no more than the loyal second in command to John Hanning Speke the leader This new edition of Grant s 1864 book *A Walk across Africa* provides the opportunity to re examine his role The original text has been fully annotated with explanatory notes and also supplemented by extracts from the very remarkable detailed day to day journal which Grant kept Even more unusually this edition includes reproductions of the whole visual record which he made consisting of 147 watercolours and sketches This was the first ever visual record of large parts of East Africa and the Upper Nile Valley region These documentary and illustrative materials have been drawn from the extensive collection of Grant s papers now in the care of the National Library of Scotland The Library has co operated in the preparation of this volume to make possible its special features Grant emerges as a much more impressive and important figure than has previously been recognised He was a trained scientist and his narrative is a well organised perspective on the expedition and its activities His own growing understanding of Africa and of Africans becomes apparent and helps to explain his later activities The editor provides a context to the expedition and its results and this includes a new approach to the understanding of the Nile source problem by exposing the credulity of the way many previous commentators have used Ptolemy s information and also by suggesting that the problem should be approached in the light of geological and geomorphological as well as historical information The Introduction in addition discusses Grant s work in the light of the development of the academic understanding of the history of Africa and of European involvement in the region      **Scottish Life and Society: Bibliography for Scottish ethnology** ,2000      **To Heaven or Hell: The biography on the short, turbulent life of Thomas Munro Winter, the Ghost of North Road Station, Darlington, and the wife he left behind.** Darrell S. Nixon,2024-10-14 On one cold winter s night in the 1850s around midnight a young nightwatchman is walking the grounds of the railway station at North Road Darlington Feeling the chill in the air he hurries down to the porter s cellar where he knows there is a warm fire where he can get warm and have something to eat Sitting opposite the fire and turning up the gas he notices a strange man wearing a stand up collar a cut away coat with gilt buttons and a scotch cap on his head coming out of the coal shed followed by his dog a large black retriever The strange man moves directly in front of the fire staring intently with a smile at the alarmed nightwatchman Suddenly the strange man lunges at the watchman with his fist followed by his dog who goes for the poor man s leg The nightwatchman retaliates and hits back at his stranger but his fist goes through him and onto the wall behind The strange man recovers clicks at his dog and both he and his four legged

companion return to the coal shed from whence they came The nightwatchman shortly follows but neither the stranger nor his black dog is nowhere to be found This is the ghost story given by James Durham and was published in 1891 by W T Stead in Real Ghost Stories and it was later revealed a clerk of the Stockton and Darlington Railway Company called Thomas Munro Winter had committed suicide nearby and his body had been lain in the exact cellar before being transported for burial years before Who exactly was this mysterious stranger why did he go for the nightwatchman and importantly what poor circumstances did the poor man have before ending his life This is the biography of that apparition Thomas Munro Winter and the short turbulent life he had and whilst this strange event has been wrote many times before this book is the first time the full or at least most of the facts of his life and that of his widowed wife have been laid out to rest if only Thomas Munro Winter and his dog could do the same Disclaimer This book deals with depression and suicide in the early Victorian era Some Artificial Intelligence AI imagery has been used for the cover and interior of this book and may not accurately portray the environment or times in which this book is set Wish You Were Still Here Eric Simpson,2013-06-15 A nostalgic look back at the rise and decline of the Scottish seaside holiday **Whitley Bay & Seaton Sluice Through Time** Ken Hutchinson,2013-02-15 This fascinating selection of photographs traces some of the many ways in which Whitley Bay and Seaton Sluice have changed and developed over the last century **Brinkman's cumulatieve catalogus van boeken** ,2000 Voorts een alphabetische lijst van Nederlandsche boeken in Belgi uitgegeven Kirkcaldy Duncan Glen,2005 Brinkman's catalogus van boeken en tijdschriften ,2001 With 1901 1910 1956 1960 Repertoium is bound Brinkman s Titel catalohus van de gedurende 1901 1910 1956 1960 Title varies slightly *Tolbooths and Town-houses* Royal Commission on the Ancient and Historical Monuments of Scotland,1996 Illustrated throughout this book includes detailed architectural and historical articles on over 90 surviving examples and brief entries on about 100 demolished or altered buildings *Bibliography of Scotland* ,1986 Boekblad ,2000 Scottish Economic & Social History ,1986 **Brinkman's Cumulatieve catalogus van boeken de in Nederland en vlaanderen zijn uitgegeven of herdrukke** ,2000 **News Sheet- Scottish Library Association** Scottish Library Association,1970 **The Industrial Archaeology of Shropshire** Barrie Stuart Trinder,Barrie Trinder,1996 Ottley's Bibliography of British Railway History.
