captain of her own ship in midlife Her adventurous journey led her from a nude beach on Ibiza at forty one to a Siberian banya at fifty five to a hot love affair at eighty Her intellectual quest meanwhile led to a second career as director of a world renowned psychology center while deep friendships with women including her daughters sustained and nourished her through decades of global travel These probably would not be the tales your mother or grandmother would tell about her life but this eighty six year old s ebullient memoir of the second half of her life will move you to weave some rich new yarns into the tapestry of your own story And no it s not too late Naked Justice William Bernhardt,2012-10-02 A lawyer must defend a mayor accused of murdering his family Bernhardt again proves himself master of the courtroom drama Library Journal With his winning smile acting experience and history as one of the best quarterbacks Oklahoma University has ever seen Wally Barrett had no trouble becoming Tulsa s first black mayor But this perfect politician has a dark side too One afternoon at an ice cream parlor a dozen people watch as he nearly hits his wife during an argument about their children That same night a neighbor calls the police after hearing screams from inside the mayor s house The patrolman discovers the first lady and her children murdered and the mayor nowhere to be found Barrett is captured after a high speed chase insensible and covered in blood The only person willing to defend him is Ben Kincaid a struggling defense lawyer with a history of winning impossible cases But when the national media descends on Tulsa Kincaid will have to do something he s never done before and oversee an increasingly wild three ring circus *The Naked Man* Claude Lévi-Strauss,1990-11-08 The Naked Man is the fourth and final volume of Mythologiques written by the most influential and probably the most controversial anthropologist of our time Myths from North and South America are set side by side to show their transformations in passing from person to person and place to place a myth can change its content and yet retain its structural principles Apart from the complicated transformations discovered and the fascinating constructions placed on these the stories themselves provide a feast Betty Abel Contemporary Review L vi Strauss uses the structural method he developed to analyze and decode the mythology of native North Americans focusing on the area west of the Rockies The author takes the opportunity to refute arguments against his method his chapter Finale is a defense of structural analysis as well as the closing statement of this four volume opus which started with an Ouverture in The Raw and the Cooked Library Journal The culmination of one of the major intellectual feats of our time Paul Stuewe Quill and Quire Naked Awareness Karma Chagme,2000-03-27 In this classic seventeenth century presentation of the union of Mahamudra and Dzogchen Karma Chagm one of the great teachers of both these lineages of Tibetan Buddhism begins with an overview of the spirit of awakening and the nature of actions and their ethical consequences Next drawing from his enormous erudition and profound experience Chagm gives exceptionally lucid instructions on the two phases of Dzogchen practice the breakthrough and the leap over followed by an accessible introduction to the practice of the transference of consciousness at the time of death The concluding chapters of this treatise present a detailed analysis of Mahamudra meditation in relation to Dzogchen practice This tour de force of scholarly

erudition and contemplative insight is made all the more accessible by the lively commentary of the contemporary Nyingma Lama Gyatrul Rinpoche Although this book stands alone it is the concluding section of a single body of teachings by Karma Chagm the earlier section published under the title A Spacious Path to Freedom Karma Chagm was a major teacher of the Karma Kagyu tradition of Tibetan Buddhism and his writings have also become central to the Payul Nyingma order making him an ideal figure to integrate these two great meditation systems
