Greenberg, Clint E. Bruess, Sarah C. Conklin, 2010-03-01 **Exploring the Dimensions of Human Sexuality**, **Naked Truth** Judith Lynne Hanna, 2012-05-01 Across America strip clubs have come under attack by a politically aggressive segment of the Christian Right Using plausible sounding but factually untrue arguments about the harmful effects of strip clubs on their communities the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry But an even larger agenda is at work according to Judith Lynne Hanna In *Naked Truth* she builds a convincing case that the attack on exotic dance is part of the activist Christian Right's grand design to supplant constitutional democracy in America with a Bible based theocracy Hanna takes readers onstage backstage and into the community and courts to reveal the conflicts charges and realities that are playing out at the intersection of erotic fantasy religion politics and law She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight strip clubs Hanna also demonstrates that while the fight happens at the local level it is part of a national campaign to regulate sexuality and punish those who do not adhere to Scripture based moral values Ultimately she argues the naked truth is that the separation of church and state is under siege and our civil liberties free speech women's rights and free enterprise are at stake *Things Your Mother Never Told You* Kim Gaines Eckert, 2014-01-10 Why aren't Christian women talking about sex

we have only thought about and acted on what a woman's body gives us rather than what it can cause us to do And what it should cause us to do is to worship the God of the universe For many men the struggle with lust is not a struggle It is a war It is a war we seem to be losing Many men give up the fight altogether In *Through the Artist's Eyes* author Scott J Einig shares the trials of his own years long war with lust and how when all seemed lost God set him free Einig goes on to share all the things God taught him about what it truly means to be pure in this world what changes we need to make and that lasting victory over lust is possible This book is a message of hope for the hopeless We can be free We can have victory We can be men It is for freedom that Christ has set us free Stand firm then and do not let yourselves be burdened again by a yoke of slavery Galatians 5:1
