Nam Vet Chuck Dean, 1999-06-01 Veterans are entering the 21st century and for many Vietnam has never ended Why do so many suffer from flashbacks depression rage substance abuse and nightmares Author and Vietnam veteran Chuck Dean has helped thousands answer those questions and find peace and spiritual healing **Nam Vet** Chuck Dean, Bob Putman, 1988 **Nineteen Jumps and a Prayer** Travis Monday, 2007-09-01 In the summer of 1970 18 year old Travis Monday joined the U S Army and volunteered for Airborne School and for Vietnam Thirty five years later he wrote his own story *Nineteen Jumps and a Prayer* His adventures as an Army paratrooper and as a Vietnam veteran also serve as a platform for telling the stories of others including other war veterans And they enable him to explain how he overcame Post Traumatic Stress Disorder PTSD through faith in God **Biblical Counsel** , 1993 *Land of Childhood's Fears - Faith, Friendship, and the Vietnam War* David Todeschini, 2005-04-30 The author s experience with the Medical Civic Action Program and the corruption and evil aspects of the war Operation Phoenix drugs My Lai and a new theory on the assassination of John F Kennedy Transcripts of Vet s Rap Sessions heart breaking and heart warming poetry PTSD and the decline of morality in American society since that war **The Morenci Marines** Kyle Longley, 2015-06-15 In 1966 nine young men left the Arizona desert mining camp of Morenci to serve their country in the far flung jungles of Vietnam in danger zones from Hue to Khe Sanh Ultimately only three survived Each battled survivor s guilt difficult re entries into civilian life and traumas from personally experiencing war and losing close friends along the way Such stories recurred throughout America but the Morenci Marines stood out ABC News and Time magazine recounted their moving tale during the war and in 2007 the Arizona Republic selected the Morenci Nine as the most important veterans story in state history Returning to the soldiers Morenci roots Kyle Longley s account presents their story as unique by setting and circumstance yet typical of the sacrifices borne by small towns all across America His narrative spotlights a generation of young people who joined the military during the tumultuous 1960s and informs a later generation of the hard choices made many with long term consequences The story of the Morenci Marines also reflects that of their hometown a company town dominated by the Phelps Dodge Mining Corporation where the company controlled lives and the labor strife was legendary The town s patriotic citizens saw Vietnam as a just cause moving Clive Garcia s mother to say He died for this cause of freedom Yet while their sons fought and sent home their paychecks Phelps Dodge sought to destroy the union that kept families afloat pushing the government to end a strike that it said undermined the war effort Morenci was also a place where cultures intermingled and the nine friends included three Mexican Americans and one Native American Longley reveals how their backgrounds affected their decisions to join and also helped the survivors cope with Mike Cranford racing his Harley on back roads at high speeds while Joe Sorrelman tried to deal with demons of war through Navajo rituals Drawing on personal interviews and correspondence that sheds new light on the Morenci Nine Longley has written a book as much about loss grief and guilt as about the battlefield It

makes compelling reading for anyone who lived in that era and for anyone still seeing family members go off to fight in controversial wars

Comics, Trauma, and the New Art of War Harriet E. H. Earle, 2017-06-19 Conflict and trauma remain among the most prevalent themes in film and literature Comics has never avoided such narratives and comics artists are writing them in ways that are both different from and complementary to literature and film In Comics Trauma and the New Art of War Harriet E H Earle brings together two distinct areas of research trauma studies and comics studies to provide a new interpretation of a long standing theme Focusing on representations of conflict in American comics after the Vietnam War Earle claims that the comics form is uniquely able to show traumatic experience by representing events as viscerally as possible Using texts from across the form and placing mainstream superhero comics alongside alternative and art comics Earle suggests that comics are the ideal artistic representation of trauma Because comics bridge the gap between the visual and the written they represent such complicated narratives as loss and trauma in unique ways particularly through the manipulation of time and experience Comics can fold time and confront traumatic events be they personal or shared through a myriad of both literary and visual devices As a result comics can represent trauma in ways that are unavailable to other narrative and artistic forms With themes such as dreams and mourning Earle concentrates on trauma in American comics after the Vietnam War Examples include Alissa Torres s American Widow Doug Murray s The Nam and Art Spiegelman s much lauded Maus These works pair with ideas from a wide range of thinkers including Sigmund Freud Mikhail Bakhtin and Fredric Jameson as well as contemporary trauma theory and clinical psychology Through these examples and others Comics Trauma and the New Art of War proves that comics open up new avenues to explore personal and public trauma in extraordinary necessary ways

The Hump Al Conetto, 2015-10-16 Operation Hump the first major battle between the U S Army and the Viet Cong and North Vietnamese forces took place November 5 9 1965 in South Vietnam s War Zone D Known as The Hump it would change the nature of the war escalating it from a hit and run guerrilla conflict to a bloody contest between Communist main force units and American commands of battalion size or larger This memoir of an Operation Hump survivor begins with the sequence of events leading up to the battle from the French defeat at Dien Bien Phu in 1954 Drawing on official Army documents and the recollections of fellow combatants the author not only describes the battle in detail but explains the war s basis in fabrications at the highest levels of the U S government His experiences with PTSD after the war and his eventual return to Vietnam in the 1990s are included

Crisis and Chaos Colleen McCarty-Gould, 1998 Posttraumatic Stress Disorder is marked by symptoms following exposure to extreme trauma For loved ones of combat veterans unable to shake the grip of war the homefront is indeed a battlefield For many families the memories of the departure and all the plans and hopes for tomorrow are shattered when the loved one returns He comes home but he s different He returns from that faraway place but yet a part of him seems to be there still thousands of miles away For centuries societies have shipped their youth off to war fully expecting them to return home the

same to pick up where they left off to carry on and to fit in Though this extraordinary book focuses on the uniqueness of war and PTSD the disorder is also associated with other large scale traumas like natural disasters and personal traumas like rape sexual abuse and domestic violence Although the severity of the veteran s trauma and therefore the effects of that trauma vary from home to home certainly one principle universally applies Young people who see or participate in the atrocities of combat do not come out of the experience unscathed This unique book brings their plight home The Just Friends Syndrome Johnny L. Williams,2005-10 Charts a hapless young man s relationships with nine women eight of whom give him the dreaded just friends speech The Last and Greatest Battle John Bateson,2015-01-02 Nearly every day an active duty soldier in the United States military resorts to suicide and nearly every hour a veteran does the same In recent years the problem of military suicides has reached epidemic proportions but it s all too easy for most of us to gloss over the headlines or tune out the details In The Last and Greatest Battle the first book devoted exclusively to the problem of military suicides John Bateson brings this neglected crisis into the spotlight Bateson the former executive director of a nationally certified suicide prevention center surveys the history of suicide in the United States military from the Civil War to the present day and outlines a plan to save lives and ultimately end the tragedy of military suicides He uses the stories of individual soldiers to illuminate the unique challenges faced by American troops today Transitioning from the front lines to the home front is difficult for many service members and many need help both during and after their deployments But even though the military is spending millions of dollars on suicide prevention programs record numbers of soldiers continue to take their lives To that end Bateson outlines a plan of action If the military works to remove stigma to make treatment more effective and more accessible and to limit risk factors for suicide in the first place by taking measures like reducing the number and length of deployments and adjusting pre deployment training to take into account the way that wars are waged today an end to the problem of military suicide is as possible as it is essential **Professors Who Believe** Paul M. Anderson,1998-12-02 Here are the stories of twenty two Christian faculty who tell in their own words the difference that Christ has made in their lives and work offering thoughtful models of how faith can not only survive but thrive in the university *From the Point to the Cross* Den Slattery,2004-03-14 *From the Point to the Cross* is the story of one mans journey to a war torn country on the other side of the world and back Its also about finding meaning and purpose in life The book chronicles the authors adventures throughout his 26 years in the military and the lessons about life that he learned along the way Many people have been touched by Dens story It has been aired on over 500 radio stations around the world *From the Point to the Cross* is Great Merlin Carothers Best selling author with over 10 million books in print After reading *From the Point to the Cross* I was inspired to change my life Jerry Altimus Former pointman in Vietnam I enjoyed Dens book greatly It is excellent Dr Rose Sims College Professor author The text is riveting Major Jim Wilson US Army Retired I loved Dens book It would make a great movie Bill Honer Stock Broker I read Dens book and then went out and bought two more copies to give away Peggy
