Walsh, 1914 *Acting, Archetype, and Neuroscience* Jane Drake Brody, 2016-10-04 How do we move actors into the less accessible regions of themselves and release hotter more dangerous and less literal means of approaching a role Superscenes are a revolutionary new mode of teaching and rehearsal allowing the actor to discover and utilize the primal energies underlying dramatic texts In *Acting Archetype and Neuroscience* Jane Drake Brody draws upon a lifetime's experience in the theatre alongside the best insights into pedagogical practice in the field the work of philosophers and writers who have focused on myth and archetype and the latest insights of neuroscience The resulting interdisciplinary exciting volume works to Mine the essentials of accepted acting theory while finding ways to access more primally based human behavior in actors Restore a focus on storytelling that has been lost in the rush to create complex characters with arresting physical and vocal lives Uncover the mythical bones buried within every piece of dramatic writing the skeletal framework upon which hangs the language and drama of the play itself Focus on the actor's body as the only place where the conflict inherent in drama can be animated *Acting Archetype and Neuroscience* weaves together a wealth of seemingly disparate performance methods exciting actors to imaginatively and playfully take risks they might otherwise avoid A radical new mixture of theory and practice by a highly respected teacher of acting this volume is a must read for students and performance practitioners alike **Critical Survey of Short Fiction: Authors A-Z** Frank Northen Magill, 1981 An examination of the development and writers of short fiction from its beginning to the present Looking for a Hero Peter Maslowski, Don Winslow, 2020-10-08 Widely acclaimed as the Vietnam War's most highly decorated soldier Joe Ronnie Hooper in many ways serves as a symbol for that conflict His troubled tempestuous life paralleled the upheavals in American society during the 1960s and 1970s and his desperate quest to prove his manhood was uncomfortably akin to the macho image projected by three successive presidents in their tough policy in Southeast Asia *Looking for a Hero* extracts the real Joe Hooper from the welter of lies and myths that swirl around his story in doing so the book uncovers not only the complicated truth about an American hero but also the story of how Hooper's war was lost in Vietnam not at home Extensive interviews with friends fellow soldiers and family members reveal Hooper as a complex gifted and disturbed man They also expose the flaws in his most famous and treasured accomplishment earning the Medal of Honor In the distortions half truths and outright lies that mar Hooper's medal of honor file authors Peter Maslowski and Don Winslow find a painful reflection of the army's inability to be honest with itself and the American public with all the dire consequences that this dishonesty ultimately

entailed In the inextricably linked stories of Hooper and the Vietnam War the nature of that deceit and of America's defeat becomes clear     Critical Essays on Reynolds Price James A.
