The Making of Macau's Fusion Cuisine Annabel Jackson, 2020-03-09 In *The Making of Macau's Fusion Cuisine From Family Table to World Stage* Annabel Jackson argues that Macanese cuisine cannot be seen as a unique product of Portuguese colonialism in southern China Instead it needs to be understood in the context of Portugal's culinary footprint in Asia and beyond She contends that the culinary cultures of other Portuguese colonies in Asia and Africa also influenced the cuisine in Macau Macanese cuisine plays a role in evoking a sense of Macanese identity within Macau as well as in the Macanese diaspora As the Macanese have increasingly defined themselves as an ethnically and culturally distinct group their cuisine has growingly been seen as a critical identifier of cohesion and difference The book shows how Macanese cuisine is moving from being an everyday production of food in a domestic setting to something more symbolic and ceremonial It also argues that the practice of recipe sharing historically controversial among the Macanese is now viewed as an important process Drawing on information gathered through interviews and surveys the book is a fascinating study of the history and development of Macanese cuisine one of the oldest fusion cuisines in Asia Annabel Jackson has more than enough knowledge to share with the readers many insights and interesting stories which are embedded in history and cultural interactions among various ethnic groups in Macau and beyond Given the fact that Macau has become the city of gastronomy this book brings in rich information and knowledge for locals and visitors to taste and to remember Sidney Cheung The Chinese University of Hong Kong Annabel Jackson's study of the development of Macanese cuisine and its role in evoking a sense of Macanese identity within Macau and the Macanese diaspora should contribute to the growing interest in the study of food and foodways within cultural and postcolonial studies Written in a lively and engaging way it achieves a good balance between the use of primary sources and theoretical references to buttress its arguments David Brookshaw University of Bristol

Franklin,2018-02-14 Edna

Lewis 1916 2006 wrote some of America's most resonant lyrical and significant cookbooks including the now classic *The Taste of Country Cooking*. Lewis cooked and wrote as a means to explore her memories of childhood on a farm in Freetown, Virginia, a community first founded by black families freed from slavery. With such observations as "we would gather wild honey from the hollow of oak trees to go with the hot biscuits and pick wild strawberries to go with the heavy cream," she commemorated the seasonal richness of southern food. After living many years in New York City, where she became a chef and a political activist, she returned to the South and continued to write. Her reputation as a trailblazer in the revival of regional cooking and as a progenitor of the farm-to-table movement continues to grow. In this first-ever critical appreciation of Lewis's work, food world stars gather to reveal their own encounters with Edna Lewis. Together, they penetrate the mythology around Lewis and illuminate her legacy for a new generation. The essayists are Annemarie Ahearn, Mashama Bailey, Scott Alves, Barton Patricia E. Clark, Nathalie Dupree, John T. Edge, Megan Elias, John T. Hill, who provides iconic photographs of Lewis, Vivian Howard, Lily Kelting, Francis Lam, Jane Lear, Deborah Madison, Kim Severson, Ruth Lewis Smith, Toni Tipton Martin, Michael W. Twitty, Alice Waters, Kevin West, Susan Rebecca White, Caroline Randall Williams, and Joe Yonan. Editor Sara B. Franklin provides an illuminating introduction to Lewis, and the volume closes gracefully with afterwords by Lewis's sister, Ruth Lewis Smith, and niece, Nina Williams Mbengue.

Eat Something Evan Bloom, Rachel Levin, 2020-03-03

From nationally recognized Jewish brand Wise Sons, the cookbook *Eat Something* features over 60 recipes for salads, soups, baked goods, holiday dishes, and more. This long-awaited cookbook, the first one for Wise Sons, is packed with homey recipes and relatable humor; it is as much a delicious, lighthearted, and nostalgic cookbook as it is a lively celebration of Jewish culture. Stemming from the thesis that Jews eat by occasion, the book is organized into 19 different events and celebrations chronicling a Jewish life in food, including *bris*, Shabbat, Passover, and other high holidays: first meal home from college, *J*-dating, wedding, and more. Both a Jewish humor book and a cookbook, recipes are drawn from the menus of their beloved Bay Area restaurants, as well as all the occasions when Jews gather around the table. Includes short essays, illustrations, memorabilia, and stylish plated food photography. Wise Sons is a nationally recognized deli and Jewish food brand with a unique Bay Area ethos inspired by the past but entirely contemporary; they make traditional Jewish foods California style with great ingredients. Recipes include Braided Challah, Big Macher Burger, Wise Sons Brisket, Carrot Tzimmes, and Morning After Matzoquiles, while essays include "Confessions of a First Time Seder Host," "So You Didn't Marry a Jew," and "Iconic Chinese Restaurants As Chosen by the Chosen People." Great for those who enjoyed *Zahav*, *A World of Israeli Cooking* by Michael Solomonov, *The 100 Most Jewish Foods: A Highly Debatable List* by Alana Newhouse, and *Russ Daughters: Reflections and Recipes from the House That Herring Built* by Mark Russ Federman. A must for anyone looking to expand their knowledge of Jewish cuisine and culture.
