The Nanny Diaries Emma McLaughlin, Nicola Kraus, 2007-02-06 Written by two former nannies Emma McLaughlin and Nicola Kraus The Nanny Diaries deftly punctures the glamour of Manhattan s upper class Now a major motion picture starring Scarlett Johansson and Laura Linney Wanted One young woman to take care of four year old boy Must be cheerful enthusiastic and selfless bordering on masochistic Must relish sixteen hour shifts with a deliberately nap deprived preschooler Must love getting thrown up on literally and figuratively by everyone in his family Must enjoy the delicious anticipation of ridiculously erratic pay Mostly must love being treated like fungus found growing out of employers Herm s bag Those who take it personally need not apply Who wouldn t want this job Struggling to graduate from NYU and afford her microscopic studio apartment Nanny takes a position caring for the only son of the wealthy X family She rapidly learns the insane amount of juggling involved to ensure that a Park Avenue wife who doesn t work cook clean or raise her own child has a smooth day When the Xs marriage begins to disintegrate Nanny ends up involved way beyond the bounds of human decency or good taste Her tenure with the X family becomes a nearly impossible mission to maintain the mental health of their four year old her own integrity and most importantly her sense of humor Over nine tense months Mrs X and Nanny perform the age old dance of decorum and power as they test the limits of modern day servitude

A Study Guide for Nicola Kraus/Emma McLaughlin's "The Nanny Diaries" Gale, Cengage Learning, 2016 **Not Your Mother's Mammy** Tracey L Walters, 2021-04-16 Not Your Mother s Mammy examines how black artists of the African diaspora many of them former domestics reconstruct the black female subjectivities of domestics in fiction film and visual and performance art In doing so they undermine one dimensional images of black domestics as victims lacking voice and agency and prove domestic workers are more than the aprons they wear An analysis of selected media by Alice Childress Nandi Keyi Victoria Brown Kara Walker Mikalene Thomas Rene Cox Lynn Nottage and others provides examples of generations of domestics who challenged their performative roles of subservience by engaging in subversive actions contradicting the image of the deferential black maid Through verbal confrontation mobilization passive resistance and performance black domestics find their voices exercise their power and maintain their dignity in the face of humiliation Not Your Mother s Mammy brings to life stories of domestics often neglected in academic studies such as the complexity of interracial homoerotic relationships between workers and employers or the mental health challenges of domestics that lead to depression and suicide In line with international movements like MeToo and timesup the women in these stories demand to be heard *The Real Real* Emma McLaughlin, Nicola Kraus, 2009-06 In the hilarious teen debut by the bestselling authors of The Nanny Diaries XTV descends upon Hampton High School and girl next door Jesse O Rourke gets swept up in the made for TV real drama *The nanny*
