Callen,2008-07 I am a mother of two active little boys and for some extra time to myself I decided to work on a cookbook I wanted to share some of the favorite recipes of my grandmother who has been gone since 1986 at the age of seventy Along with her recipes are some from my mother my aunt and other relatives and even one from my sister We always had a good time at her house and I thought it would be nice to share that with other families too I know I all be sharing them with my sons as they grow up and get into cooking like I did I enjoy reading Rachel Ray's books and how to cook with children and different aspects of food *Nanny's Recipes* ,2011 **Nanny Knows Best Cookbook** Marian James,2017-04-12 This cookbook isn't about fine dining These recipes aren't about piling food on top of itself then decorating the plate with swirls to make it look pretty although that topic is addressed later in the book in the entertaining section I'm not totally devoid of a little finesse you know These recipes are for the everyday inexpensive meal which will appeal to vegetarians and meat eaters alike who appreciate good tasty home cooked food Something for everyone with my own Devonshire take on my own created recipes Even what comes first on a scone the jam or the cream Well you'll just have to buy the book to find out The first sections are there to help the novice cook who is perhaps faced with empty cupboards and not a clue where to start There is advice on equipment My tips for making cooking as easy as possible some of which more competent cooks might find of interest I'm old school I don't faff around with fillets of beef and I don't know many who just happen to have one to hand in the fridge or freezer I'm not a chef I'm a cook with many years experience and I love food I love eating it looking at it and the kitchen is where I feel most comfortable But I do admire chefs They have such special skills but I bet their roast dinners aren't a patch on mine And how many of us have eaten in a restaurant ordered something with a fancy name been very disappointed and thought well I could do better myself So this book is for everyone Step by step recipes for easy reading There is a section for vegetarians vegans even gluten and dairy free will be able to find a little something for themselves Of course due to my age I just had to include an offal section but it's at the back of the book so you don't have to see it at all if you don't want to I don't mess around It's called nanny knows best for a reason The reader is instructed told off even but it's all for your own good in the end Trust me nanny really does know best **Nanny's Favorite Recipes** Donna Cardoza,2018-10-08 This is a collection of recipes the author has gathered over her life These are her go to
