well as public and private records Ball reconstructs the story of his great great grandfather Constant Lecorgne A white French Creole father of five and working class ship carpenter Lecorgne had a career in white terror of notable and bloody completeness massacres night riding masked marches street rampages all part of a tireless effort that he and other Klansmen made to restore white power when it was threatened by the emancipation of four million enslaved African Americans To offer a non white view of the Ku klux Ball seeks out descendants of African Americans who were once victimized by our Klansman and his comrades and shares their stories For whites to have a Klansman in the family tree is no rare thing Demographic estimates suggest that fifty percent of whites in the United States have at least one ancestor who belonged to the Ku Klux Klan at some point in its history That is one half of white Americans could write a Klan family memoir if they wished In an era when racist ideology and violence are again loose in the public square Life of a Klansman offers a personal origin story of white supremacy Ball s family memoir traces the vines that have grown from militant roots in the Old South into the bitter fruit of the present when whiteness is again a cause that can veer into hate and domestic terror
