Napoleon The Last Phase:

Napoleon, the Last Phase Archibald Philip Primrose Earl of Rosebery, 1900 **Napoleon** Lord Rosebery, 2008-12-01
British statesman and author ARCHIBALD PHILIP PRIMROSE 5TH EARL OF ROSEBERY 1847 1929 served two terms as Foreign Secretary and one controversial tenure as Prime Minister in 1894 5 His political experience combined with his abiding interest in all things imperial surely makes him one of the most intriguing historians to write about the life of Napoleon In this monograph first published in 1900 Lord Rosebery looks at Napoleon s final years and the legacy he left behind expounding upon the previous writings about the French emperor especially with regards to his doubts about their veracity and completeness and offering his thoughts on Napoleon s life in exile the question of what title he should be afforded Napoleon s impact upon democracy and much more This curious volume of 19th century history will intrigue students of Napoleon and of historical commentary alike **Napoleon** ,1900 **Napoleon : the Last Phase** Archibald Philip Primrose (5th earl of Rosebery), 1900 Napoleon, the Last Phase Archibald Philip Primrose Earl of Rosebery, 1906

Napoleon's Jailer Desmond Gregory, 1996 Lowe s reputation has never recovered from the slanders and libels of the Bonapartists and their vocal Whig supporters in spite of one or two attempts by historians to set the record straight
Napoleon's Poisoned Chalice Dr Martin Howard, 2009-04-01 In 1815 Napoleon Bonaparte arrived on the island of St Helena to begin his imprisonment following Waterloo By 1821 he was dead During his brief stay he crossed paths with six medical men all of whom would be changed by the encounter whether by court martial the shame of misdiagnosis or resulting celebrity What would seem to be a straightforward post became entangled with politics as Governor Hudson Lowe became paranoid as to the motivations of each doctor and brought their every move into question In Napoleon s Poisoned Chalice Martin Howard addresses the political pitfalls navigated with varying success by the men who were assigned to care for the most famous man in Europe The hostility that sprang up between individuals thrown together in isolation the impossible situations the doctors found themselves in and the fear of censure when Napoleon finally began to die
Meteors that Enlighten the Earth Matthew D. Zarzeczny, 2012-11-16 Napoleon promoted and honored great men throughout his reign In addition to comparing himself to various great men he famously established a Legion of Honor on 19 May 1802 to honor both civilians and soldiers including non ethnically French men Napoleon not only created an Irish Legion in 1803 and later awarded William Lawless and John Tennent the Legion of Honour he also gave them an Eagle with the inscription L Ind pendance d Irlande He awarded twenty six of his generals the marshal s baton from 1804 to 1815 and in

1806 he further memorialized his soldiers by deciding to erect a Temple to the Glory of the Great Army modeled on Ancient designs From 1806 to 1815 Napoleon had more men interred in the Panth on in Paris than any other French leader before or after him In works of art depicting himself Napoleon had his artists allude to Caesar Charlemagne and even Moses Although the Romans had their legions Pantheon and temples in Ancient times and the French monarchy had their marshals since at least 1190 Napoleon blended both Roman and French traditions to compare himself to great men who lived in ancient and medieval times and to recognize the achievements of those who lived alongside him in the nineteenth century Analyzing Napoleon s ever changing personal cult of great men and his recognition of contemporary great men who contributed to European or even human civilization and not just French civilization is original While work does exist on the French cults of Greco Roman antiquity and of great men prior to 1800 Napoleon appears only fleetingly in other discussions of the cult of great men None of the burgeoning historiography adequately takes Napoleon s place in the story of this cult into perspective This book serves as a further exploration of the cult of great men including its place in Napoleonic and European history and the alleged efforts of its members to enlighten the earth The Freethinker ,1917 *Literary World* ,1900
