Narcissa And Other Fables:

Narcissa & Other Fables Louis Auchincloss, 1983-04-07 Twelve stories observing modern American life and morals in the twentieth century from the National Medal of Arts winning author of *The Cat and the King* With this collection of short stories Louis Auchincloss will delight his already devoted followers and win many more into the ranks The stories which range from studies of family manipulation to the secrets of artistic inspiration are in fact subtle fables that probe the heart of modern American life to examine the moral confusion that exists there In the title story a wealthy muralist and patroness of the arts succumbs to the near compulsion of posing in the nude for a fellow artist who then blackmails her In other tales a clergyman conceives of adultery as a valid means of sharing Christian charity a socially prominent family conspires to entrap a girl into a front marriage with their homosexual son and heir an art student writes his thesis on some startling theories as to why a famed painter of elegant interiors never includes a human figure in his pictures a federal judge sells his opinions to the highest bidder with a recklessness that seems almost suicidally to invite detection Combining his powers of storytelling and observation Auchincloss creates in *Narcissa and Other Fables* a penetrating glimpse into the ethical malaise of our century Praise for *Narcissa and Other Fables* This book of short stories by America's leading novelist of manners is a textbook in how to write fiction in miniature It begins with fables of normal short story length and ends with tour de force one pagers The confused ethics of Americans in the dying years of a revolutionary century are put under the microscope for a moment of breath taking clarity Frederick M Winship UPI Auchincloss is a worldly philosopher who writes with confident authority of the law office and the board room but he is also a social historian and an amused observer of the prosperous at play The venue may be a cruise ship or a minor stately home in Virginia an urban chateau on Fifth Avenue or a great bibliophile's private library overlooking the East River His characters tend to be tribal creatures who pay lip service to social taboos but who live by the laws of self interest Frances Taliaferro New York Times *Narcissa, and Other Fables* Louis Auchincloss, 1986 **Narcissa and Other Fables** Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1986-07-01 [The Atonement and Other Stories](#) Louis Auchincloss, 1997-09-19 Gaze into the lives of the twentieth century's wealthy and declining WASP establishment in these twelve stories by the author of *The Education of Oscar Fairfax* No one else writes about the moral life of America's moneyed class with anything approaching Louis Auchincloss's understanding sympathy irony and humor In this his first book of short fiction since the acclaimed *Collected Stories* he again brings us news that no other writer can deliver news about how America's great families and fortunes are run and the axes and crises on which they turn Here is how the privileged view their privilege some with smugness some with style some with a crushing sense of civic and personal responsibility Here is how the rich marry how they divorce and more important why Here definitively and indelibly is the eastern seaboard's Wasp establishment sometimes in its glory more often in its decline and always with its values assumptions and increasingly fragile sense of self held up for our scrutiny by a master the most

subtle critic of American manners since Edith Wharton Praise for *The Atonement and Other Stories* The 12 stories collected in *The Atonement* reveal a writer at or very near the top of his form Los Angeles Times In this PC world Auchincloss' crisp confident tales of the WASP elite almost qualify as guilty pleasures These 12 stories will satisfy longtime fans and initiate alike with their portraits of investment bankers lawyers and socialites testing the limits of silver plated social niches As usual Auchincloss etches out the moral dilemmas of the blue chip social stratum with reassuring clarity A Entertainment Weekly Fragile often smug and sometimes silly characters populate this noteworthy collection these glimpses of the Eastern elite's manners and moral quandaries will provide an accessible first taste for the Auchincloss novice and an enjoyable read for longtime fans Publishers Weekly starred review

The Friend of Women and Other Stories Louis

Auchincloss, 2012-09-24 Short fiction examining the mysteries of human character from a New York Times bestselling author acclaimed as among the best in American literature Kirkus Reviews In the title story a teacher at a private girls school ruminates on a long career wondering if he was right to encourage his students to find a life less constrained than the conventional one prescribed to them or if he cruelly raised unrealistic expectations In *The Country Cousin* a delightful one act play a wealthy woman's dependent niece unwittingly serves as the vehicle that reveals her rich relatives self involvement Ranging from a boyhood friendship tested by the fabrications of the McCarthy era to an Episcopal priest tormented by an autocratic headmaster Louis Auchincloss's fiction illuminates the complications that ensue when our perceptions of other people's natures as well as our own are upended Praised by the Los Angeles Times as a writer committed to examining the complicated layers of character psychology and society Louis Auchincloss presents a treasure trove of short fiction that showcases both his insight and his literary talent
