WHALING BRIG
WILLIAM AND JOSEPH,
OF NANTUCKET VINEYARD.
BY ELISHA DEXTER, LATE MASTER.

SECOND EDITION

Narrative Of The Wreck Loss Of The Whaling Brig William Joseph

**James Stanier Clarke, Stephen
Jones, John Jones**

Narrative Of The Wreck Loss Of The Whaling Brig William Joseph:

Whaling Will Never Do For Me Briton Cooper Busch, 2021-10-21 I just begin to find out that whaling will never do for me and have determined to leave the ship here if possible That sentiment expressed by a foremast hand aboard the ship Caroline in 1843 is one shared by many of the whalers in this fascinating book Interest in Herman Melville's *Moby Dick* has contributed to a substantial literature on the history and lore of the industry But not until now has the vast body of surviving whalership logs and journals been used to paint an encompassing picture of the difficult but colorful life aboard nineteenth century American whaling vessels Briton Cooper Busch author of a definitive history of the American sealing industry in this book only incidentally discusses the actual chase for whales His focus instead is the life of whalers at sea and particularly the harsh discipline that kept men aboard through long and often dispiriting years Busch depicts the complex social world aboard ship defining and detailing such issues as crime and punishment competing racial elements the social distance between officers and men sexual behavior and the role of women aboard ships For oppressed discouraged or simply bored whalers several escapes existed from the rarest of all mutiny through labor protests of various types to individual desertion or appeal to an American consul abroad To each of these topics Busch devotes a chapter He also provides glimpses of those occasional moments of relief such as a Fourth of July celebration and such somber moments as a death at sea Fascinating details and original quotations from individual whalers make this book more than a study of general trends For anyone with even a casual interest in whaling it is indispensable
