**Basho and the Dao** Peipei Qiu, 2005-07-31 Although haiku is well known throughout the world few outside Japan are familiar with its precursor haikai comic linked verse Fewer still are aware of the role played by the Chinese Daoist classics in turning haikai into a respected literary art form Bash and the Dao examines the haikai poets adaptation of Daoist classics particularly the Zhuangzi in the seventeenth century and the eventual transformation of haikai from frivolous verse to high poetry The author analyzes haikai's encounter with the Zhuangzi through its intertextual relations with the works of Bash and other major haikai poets and also the nature and characteristics of haikai that sustained the Zhuangzi's relevance to haikai poetic construction She demonstrates how the haikai poets

interest in this Daoist work was rooted in the intersection of deconstructing and reconstructing the classical Japanese poetic tradition Well versed in both Chinese and Japanese scholarship Qiu explores the significance of Daoist ideas in Bashō's and others' conceptions of haikai Her method involves an extensive hermeneutic reading of haikai texts an in depth analysis of the connection between Chinese and Japanese poetic terminology and a comparison of Daoist traits in both traditions The result is a penetrating study of key ideas that have been instrumental in defining and rediscovering the poetic essence of haikai verse Bashō and the Dao adds to an increasingly vibrant area of academic inquiry the complex literary and cultural relations between Japan and China in the early modern era Researchers and students of East Asian literature philosophy and cultural criticism will find this book a valuable contribution to cross cultural literary studies and comparative aesthetics **The**

**Woman's Hand** Paul Gordon Schalow, Janet A. Walker, 1996 This volume has a dual purpose It aims to define the state of Japanese literary studies in the field of women's writing and to present cross cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature **Japan's Frames of Meaning** Michael F. Marra, 2010-10-31 In Japan's Frames of Meaning Michael Marra identifies interpretative concepts central to discussions of hermeneutical practices in Japan and presents English translations of works on basic hermeneutics by major Japanese thinkers Discussions of Japanese thought tend to be centered on key Western terms in light of which Japanese texts are examined alternatively a few Buddhist concepts are presented as counterparts of these Western terms Marra concentrates on Japanese philosophers and thinkers who have mediated these two extremes bringing their knowledge of Western thought to bear on philosophical reinterpretations of Buddhist terms that are thus presented in secularized form Marra focuses on categories relevant to the development of a history of Japanese hermeneutics calling attention to concepts whose discussion sheds light on how Japanese thinkers have proceeded in making sense of their own culture The terms are organized under three headings The first deals with koto which in Japanese means both things and words Koto is the center of a series of interesting compounds such as kotodama the spirit of words and makoto truth that have shaped Japanese discourses on philosophy ethics aesthetics and religion Writings on koto by twentieth century philosophers Watsuji Tetsuro 1889 1960 and Omori Shozo 1921 1997 and Edo period scholar Fujitani Mitsue 1768 1823 are included The second heading is dedicated to two well known aesthetic categories yugen and sabi which point to notions of depth in physical space as well as in the space of interiority The University of Kyoto aesthetician Ueda Juzo 1886 1973 guides the reader through a history of these concepts In the third part of the book notions of time in the form of ku emptiness and guzen contingency are examined through the work of Ueda's colleagues at Kyoto Nishitani Keiji 1900 1990 and Kuki Shuzo 1888 1941 Perceptive and erudite Japan's Frames of Meaning will become a landmark resource in particular for the insights and provocations it offers to contemporary cross cultural philosophical dialogue for anyone interested in traditional and modern Japanese thought **Nocturne** James Attlee, 2011-02-15 Nobody who has not taken one can imagine the beauty of a walk through Rome by full moon wrote Goethe

in 1787 Sadly the imagination is all we have today in Rome as in every other modern city moonlight has been banished replaced by the twenty four hour glow of streetlights in a world that never sleeps Moonlight for most of us is no more So James Attlee set out to find it Nocturne is the record of that journey a traveler s tale that takes readers on a dazzling nighttime trek that ranges across continents from prehistory to the present and through both the physical world and the realms of art and literature Attlee attends a Buddhist full moon ceremony in Japan meets a moon jellyfish on a beach in Northern France takes a moonlit hike in the Arizona desert and experiences a lunar eclipse on New Year s Eve atop the snowbound Welsh hills Each locale is illuminated not just by the moonlight he seeks but by the culture and history that define it We learn about Mussolini s pathological fear of moonlight trace the connections between Caspar David Friedrich Rudolf Hess and the Apollo space mission and meet the inventors of the Moonlight Collector in the American desert who aim to cure all kinds of ailments with concentrated lunar rays Svevo and Blake Whistler and Hokusai Li Po and Marinetti are all enlisted as foils friends or fellow travelers on Attlee s journey Pulled by the moon like the tide Attlee is firmly in a tradition of wandering pilgrims that stretches from Basho to Sebald like them he presents our familiar world anew

**Judith Wright and Emily Carr** Anne Collett, Dorothy Jones, 2021-01-28 Knitting together two fascinating but entirely distinct lives this ingeniously structured braided biography tells the story of the lives and work of two women each a cultural icon in her own country yet lesser known in the other s Australian poet Judith Wright and Canadian painter Emily Carr broke new ground for female artists in the British colonies and influenced the political and social debates about environment and indigenous rights that have shaped Australia and Canada in the 21st century In telling their story ies this book charts the battle for recognition of their modernist art and vision pointing out significant moments of similarity in their lives and work Although separated by thousands of miles their experience of colonial modernity was startlingly analogous as white settler women bent on forging artistic careers in a male dominated world and sphere rigged against them Through all this though their cultural importance endures two remarkable women whose poetry and painting still speak to us today of their passionate belief in the transformative power of art

Way of the Earth T.c. McLuhan, 1995-07 This book draws upon both ancient and contemporary sources to examine the significance of the earth from the perspective of six different cultures and how these spiritual traditions have valued perceived and understood the earth At first glance the peoples of aboriginal Australia Japan Greece Africa South America and Native North America couldn t be more different But by taking a closer look the author shows that there are many more similarities than differences all revere mountains as a source of inspiration and holiness all feel a spiritual connection to the soil itself all create art and literature to celebrate their connection to the land and all see themselves as inextricable from the land they call home This unique volume explores how human beings across the planet and across time have felt about the earth and nature and how they have understood it related to it and celebrated it in their literature mythology religion and art It demonstrates that no matter where on the planet we exist and no matter what time

period we live we all have a profound connection to the earth from Book Jacket
