Radical Churchman Edward Lee Hicks And The New Liberalism

John Griffiths

Radical Churchman Edward Lee Hicks And The New Liberalism:

Radical Churchman Graham Neville, 1998 Historians of the Christian Social movement in the Church of England during the nineteenth and early twentieth centuries have paid little attention to its relation to the Liberal Party But from about 1886 to 1918 there were some socially concerned churchmen who firmly supported the Liberal Party in its new role as an agency of social reform and tried to exercise influence as a group taking Henry Scott Holland as leader and inspirer Edward Lee Hicks who succeeded Edward King as bishop of Lincoln in 1910 was a distinctive churchman associated with this group He was an outstanding classical scholar who combined a long pastoral experience with active support of movements for temperance reform improved housing women s education and enfranchisement and international peace This study shows how he developed these social concerns under the influence of such friends as John Ruskin and C P Scott and how he was drawn from his radical liberalism to the support of the incipient Labour Party without becoming a theoretical socialist

Coleridge and Liberal Religious Thought Graham Neville, 2010-02-28 Few figures who were active in the English Romantic Movement are as fascinating as Samuel Taylor Coleridge 1772 1834 Aside from his own visionary verse Coleridge is famous for his colourful friendships with fellow poets Wordsworth and Southey and above all for his well documented drug taking and creative use of opium But it is less widely appreciated that he was also a key figure in Anglican thought whose writings are continually referred to by modern Anglican theologians Coleridge s journey from the Unitarianism of his father towards a later commitment to Anglican Trinitarianism of a type he had rejected in his youth involved a rigorous philosophical process of imaginative liberal thinking Over the last 200 years that thinking has provided Anglicanism with many valedictory tools as well as a measure of robust self belief Offering a major contribution both to religious history and the history of ideas Graham Neville here charts the particular liberal tradition in British religious thought which stems directly from Coleridge He shows why Coleridge s thought remains so significant and traces the ways in which his subject s theological ideas profoundly influenced later British writers and scholars like F D Maurice F J A Hort F W Robertson B F Westcott John Oman and Thomas Erskine once called the Scottish Coleridge Dr Neville further relates the pioneering ideas of Coleridge to current developments in theology and scientific method *Temperance Societies in Late Victorian and Edwardian England* David M. Fahey, 2020-09-23 By studying the temperance societies that flourished in late Victorian and Edwardian England this book opens a window through which we can view middle class and working class society Such societies provided the backbone for temperance both as a social movement and a political lobby Most temperance societies became aligned with the Liberal Party in support of prohibition by Local Veto A few allowed members to drink but most were committed to total abstinence There were organizations of middle class men of workingmen and their wives of women and of children and youth The largest adult society was affiliated with the Church of England but most societies were identified with Nonconformist denominations F D Maurice and the Crisis of Christian Authority Jeremy Morris, 2005-03-18 This book

offers a reassessment of the theology of F D Maurice 1805 72 one of the most significant theologians of the modern Church of England It seeks to place Maurice s theology in the context of nineteenth century conflicts over the social role of the Church and over the truth of the Christian revelation Maurice is known today mostly for his seminal role in the formation of Christian Socialism and for his dismissal from his chair at King s College London over his denial of the doctrine of eternal punishment Drawing on the whole range of Maurice s extensive published work this book argues that his theology and his social and educational activity were held together above all by his commitment to a renewal of Anglican ecclesiology At a time when following the social upheavals of the French Revolution and the Industrial Revolution many of his contemporaries feared that the authority of the Christian Church and particularly of the Church of England was under threat Maurice sought to reinvigorate his Church s sense of mission by emphasizing its national responsibility and its theological inclusiveness In the process he pioneered a new appreciation of the diversity of Christian traditions that was to be of great importance for the Church of England s ecumenical commitment He also sought to limit the damage of internal Church division by promoting a view of the Church s comprehensiveness that acknowledged the complementary truth of convictions fiercely held by competing parties

Life after Tragedy Michael W. Brierley, Georgia A. Byrne, 2018-01-01 Much has been written on the centenary of the First World War however no book has yet explored the tragedy of the conflict from a theological perspective This book fills that gap Taking their cue from the famous British army chaplain Geoffrey Studdert Kennedy seven central essays all by authors associated with the cathedral where Studdert Kennedy first preached to troops examine aspects of faith that featured in the war such as the notion of home poetry theological doctrine preaching social reform humanitarianism and remembrance Each essay applies its reflections to the life of faith today The essays thus represent a highly original contribution to the history of the First World War in general and the work of Studdert Kennedy in particular and they provide wider theological insight into how in the contemporary world life and tragedy God and suffering can be integrated The book will accordingly be of considerable interest to historians both of the war and of the church to communities commemorating the war and to all those who wrestle with current challenges to faith A foreword by Studdert Kennedy s grandson and an afterword by the bishop of Magdeburg in Germany render this a volume of remarkable depth and worth

David Lloyd George Jerry Gaw, 2023-02-22 Unlike available biographies of David Lloyd George Jerry Gaw s study focuses on the popular British statesman s religious convictions and his lifelong adherence to Churches of Christ doctrine Gaw explores the way George applied Christian principles to the diplomatic and military crises he encountered beginning with his time in the British legislature Gaw s interpretation of George is largely based on the latter s eleven diaries and more than 3 000 letters written to his brother from 1886 1943 These diaries and letters have been little explored by modern biographers of George Gaw s deep analysis presents an entirely different perspective on David Lloyd George and explains in part how he came to the decisions now enshrined in the annals of political history

Cities of God David Gange, Michael

Ledger-Lomas,2013-10-17 The history of archaeology is generally told as the making of a secular discipline In nineteenth century Britain however archaeology was enmeshed with questions of biblical authority and so with religious as well as narrowly scholarly concerns In unearthing the cities of the Eastern Mediterranean travellers archaeologists and their popularisers transformed thinking on the truth of Christianity and its place in modern cities This happened at a time when anxieties over the unprecedented rate of urbanisation in Britain coincided with critical challenges to biblical truth In this context cities from Jerusalem to Rome became contested models for the adaptation of Christianity to modern urban life Using sites from across the biblical world this book evokes the appeal of the ancient city to diverse groups of British Protestants in their arguments with one another and with their secular and Catholic rivals about the vitality of their faith in urban Britain

England, Ireland, Scotland, Wales Keith Robbins,2008-09-05 Keith Robbins building on his previous writing on the modern history of the interlocking but distinctive territories of the British Isles takes a wide ranging innovative and challenging look at the twentieth century history of the main bodies at once national and universal which have collectively constituted the Christian Church The protracted search for elusive unity is emphasized Particular beliefs attitudes policies and structures are located in their social and cultural contexts Prominent individuals clerical and lay are scrutinized Religion and politics intermingle highlighting for churches and states fundamental questions of identity and allegiance of public and private values in a century of ideological conflict violent confrontation in Ireland two world wars and protracted Cold War The massive change experienced by the countries and people of the Isles since 1900 has encompassed shifting relationships between England Ireland and Northern Ireland Scotland and Wales the end of the British Empire the emergence of a new Europe and latterly major immigration of adherents of Islam Hinduism Sikhism and other faiths from outside Europe developments scarcely conceivable at the outset Such a broad contextual perspective provides an essential background to understanding the puzzling ambiguities evident both in secularization and enduring Christian faith Robbins provides a cogent and compelling overview of this turbulent century for the churches of the Isles

The Politics of Drink in England, from Gladstone to Lloyd George David M. Fahey,2022-01-25 This book is about alcoholic drink political parties and pressure groups From the 1870s into the 1920s excessive drinking by urban workers frightened the major political parties They all wanted to reduce the number of public houses It was not easy to find a way that would satisfy temperance reformers many of them prohibitionists and the licensed drink trade Brewers demanded compensation when pubs were closed but temperance reformers were vehemently opposed to this The book highlights a prolonged struggle of vested interests and ideologies in this regard showing that a Royal Commission in 1899 helped break the stalemate In a controversial deal brewers got compensation but they had to pay for closing some of their own pubs Later during the First World War the government experimented with an alternative to closing public houses disinterested or non commercial management and considered State Purchase of the entire drink trade

Theology at War and Peace Mark D. Chapman,2016-10-14 This book is the

first detailed discussion of the impact of the First World War on English theology Assessing the close relationships between English and German theologians before the First World War Chapman then explores developments throughout the war A series of case studies make use of a large amount of unpublished material showing how some theologians sought to maintain relationships with their German colleagues while others especially from a more Anglo Catholic perspective used the war as an opportunity to distance themselves from the liberal theology which was beginning to dominate the universities before the war The increasing animosity between Britain and Germany meant that relations were never healed English theology became increasingly insular dividing between a more home grown variety of liberalism and an ascendant Anglo Catholicism Consequently this book offers useful insights into the development of theology in the twentieth century and will be of keen interest to scholars and students of the history of theology Communication and the First World War John

Griffiths,2020-04-06 Despite the voluminous historical literature on the First World War a volume devoted to the theme of communication has yet to appear From the communication of war aims and objectives to the communication of war call up and war experience and knowledge this volume fills the gap in the market including the work of both established and newly emerging scholars working on the First World War across the globe The volume includes chapters that focus on the experience of belligerent and also neutral powers thus providing a genuinely representative dimension to the subject

Herbert Hensley Henson John S. Peart-Binns,2013-11-28 John S Peart Binns brings us a fresh and distinctive view of Herbert Hensley Henson the eighty sixth Bishop of Durham who is shown here to have formed his own character and forged his own way amidst the chaos of the shifting and unpopular labour laws two World Wars the abdication crisis of the twentieth century and the misconceptions of those around him Hensley Henson was an outspoken controversialist who never feared to assert his opinion Peart Binns goes beyond the traditional notions of biography Hensley Henson s complex childhood education at Oxford his ministry at Ilford and Barking Canon of Westminster and Bishop of Durham and withal provides a rich psychological insight into the nature of the indefatigable and quick witted though sharp tongued figure This perspective illuminates the Bishop s often overlooked theological thoughts and political views The furore surrounding his appointment as Bishop of Hereford is analysed and his volte face from a formidable bulwark of the Establishment to trenchant advocate of Disestablishment is evaluated Hensley Henson emerges clearly differing from the familiar image we have of him which can be found in novels newspapers and magazines of the time and in his own autobiography Peart Binns provides a permanent and deserved niche for him in the history of the Church Herbert Hensley Henson A Biography examines the life and times of this charismatic and astute character of the twentieth century This work will inform those interested in the twentieth century and delight any who are intrigued by Hensley Henson s indomitable spirit **Peace at Last** Guy Cuthbertson,2018-11-06 A vivid intimate hour by hour account of Armistice Day 1918 including photographs A pleasure to read full of fascinating tidbits The Wall Street Journal This is the first book to focus on the day the armistice was signed between the Allies and Germany

ending World War I In this rich portrait of Armistice Day which ranges from midnight to midnight Guy Cuthbertson brings together news reports photos literature memoirs and letters to show how the people on the street as well as soldiers and prominent figures like D H Lawrence and Lloyd George experienced a strange singular day of great joy relief and optimism and examines how Britain and the wider world reacted to the news of peace A brilliant portrayal of Britain on the day that peace broke out when people could believe there was an end to the war to end all wars He weaves a wonderful tapestry of the mood and events across the country drawing on a wide range of local and regional newspapers accessible history at its best outstanding *The Evening Standard* *The Salt of the Earth* Martyn Percy,2016-10-06 This is a sparkling collection of essays by one of Britain s best known and acute commentators of the church scene and of contemporary religious life Martyn Percy explores new liberalism the churches and human rights in the European Union football and religion pilgrimage demonology common spirituality religious attitudes to nudity and the relationship between religion and advertising The argument running throughout this book is that despite claims and the appearance of increasing secularity the influence of religious themes and values on our everyday life remains pervasive *The Communion of Women* Elizabeth E. Prevost,2010-03-18 Elizabeth Prevost examines the massive Protestant campaign of female missionary expansion between the 1860s and 1930s through a comparison of Anglican women s experience in Uganda and Madagascar *Cavafy's Hellenistic Antiquities* Takis Kayalis,2023-12-11 This book reinterprets C P Cavafy s historical and archaeological poetics by correlating his work to major cultural political and sexualized receptions of antiquity that marked the turn of the 20th century Focusing on selected poems which stage readings of Hellenistic and late ancient texts and material objects this study probes the poet s personal library and archive to trace his scholarly sources and scrutinize their contribution to his creative practice A new understanding of Cavafy s historicism emerges by comparing his poetics to a broad array of discourses and intellectual pursuits of his time these range from antiquarianism physiognomy and Egyptomania to cultural appropriations of the classics which sought to legitimate British colonial rule as well as homoerotic desire As this volume demonstrates Cavafy embraced antiquarianism as an empathetic and passionate way of relating to the past and shaped it into a method that allowed his poetry to render modern meanings to Hellenistic antiquities **Fortress Church** Kester Aspden,2002 *The Exiled Church* Martyn Percy,2025-03-31 The Exiled Church explores how churches and faith communities are faring in a highly secular contemporary culture In many places traditional denominations are in steep decline church buildings are up for sale even fast growing new churches appear to be in a boom and bust trajectory and religion has effectively retreated from public life Yet it was in exile that Israel discovered a deeper and truer knowledge of God *The British Peace Movement 1870-1914* Paul Laity,2002-01-03 This is the first detailed scholarly study of the late Victorian and Edwardian peace movement the campaigns of which made a significant impact on political debate especially during the Franco Prussian War 1870 1 the Bulgarian Atrocities campaign 1876 8 Britain s conflict in Egypt 1882 the South African War 1899 1902 and

the intensifying international crisis before 1914 The movement's activists included Richard Cobden Herbert Spencer Keir Hardie J A Hobson and Norman Angell Among the first to benefit from the opening of the Peace Society Archive the book focuses on the specialized associations at the heart of the peace movement Paul Laity identifies the existence of different programmes for the achievement of a just permanent peace and offers a new interpretation of the reaction of peace campaigners to war in 1914 At the same time his book makes an important and original contribution to the history of popular politics and political ideas in Britain

Penelope Fitzgerald Hermione Lee, 2014-11-18 ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR A Best Book of the Year San Francisco Chronicle Seattle Times Winner of the Plutarch Award for Best Biography The acclaimed biographer of Edith Wharton and Virginia Woolf gives us an intimate portrait of one of the most quietly brilliant novelists of the twentieth century Penelope Fitzgerald was a great English writer whose career didn't begin until she was nearly sixty She would go on to win some of the most coveted awards in literature the Booker Prize and the National Book Critics Circle Award Now in an impeccable match of talent between biographer and subject Hermione Lee a master biographer and one of Fitzgerald's greatest champions gives us this remarkable writer's story Lee's critical expertise is on dazzling display on every page as it illuminates this extraordinary English life Fitzgerald born into an accomplished intellectual family the granddaughter of two bishops led a life marked by dramatic twists of fate moving from a bishop's palace to a sinking houseboat to a last late blaze of renown We see Fitzgerald's very English childhood in the village of Hampstead her Oxford years when she was known as the blonde bombshell her impoverished adulthood as a struggling wife mother and schoolteacher raising a family in difficult circumstances and the long delayed start to her literary career Fitzgerald's early novels draw on her own experiences working at the BBC in wartime at a bookshop in Suffolk at an eccentric stage school in the 1960s while her later books open out into historical worlds that she magically seems to entirely possess Russia before the Revolution postwar Italy Germany in the time of the Romantic writer Novalis Fitzgerald's novels are short spare masterpieces and Hermione Lee unfurls them here as works of genius Expertly researched written out of love and admiration for this wonderful author's work Penelope Fitzgerald is literary biography at its finest an unforgettable story of lateness persistence and survival

When somebody should go to the books stores, search instigation by shop, shelf by shelf, it is essentially problematic. This is why we present the book compilations in this website. It will agreed ease you to look guide **Radical Churchman Edward Lee Hicks And The New Liberalism** as you such as.
