Radical Mandarin The Memoirs Of Escott Reid:

Radical Mandarin Escott Reid,1989 **Rise to Greatness** Conrad Black,2014 Controversial newspaper publisher and historian Conrad Black has written a definitive history of Canada This is a revealing account of the people and events that shaped a nation Spanning from 874 to 2014 and beginning with Canada s first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada s role in the world From Champlain to Carleton Baldwin and Lafontaine to MacDonald Laurier and King from Canada s role in peace and war to Quebec s quest for autonomy Black takes on sweeping themes *Redefining the Bonds of Commonwealth, 1939-1948* F. McKenzie,2002-06-06 This work is a path breaking study of the changing attitudes of Canada Australia New Zealand and South Africa to Britain and the Commonwealth in the 1940s and the effect of those changes on their individual and collective standing in international affairs The focus is imperial preference the largest discriminatory tariff system in the world and a potent symbol of Commonwealth unity It is based on archival research in Britain Canada Australia New Zealand and the United States **A Cooperative Disagreement** John M. Dirks,2022-08-15 A Cooperative Disagreement demonstrates how Canada and the United States successfully kept divergent policies on revolutionary Cuba from damaging their bilateral relationship Covering the period from 1959 to the end of the Cold War John Dirks investigates the efforts of Canadian and US diplomats and bureaucrats to cooperate despite their respective approaches toward Cuba Washington sought the downfall of the communist regime through political and economic isolation Ottawa chose engagement instead The burden fell largely on Canada as the smaller power to mitigate potential frictions Ultimately these two North American powers continued to adhere to the hard policy boundaries set by their own governments while establishing a mutually beneficial relationship on issues of intelligence travel and other areas of engagement with Cuba Drawing on archival documents from both sides of the border many newly declassified this comprehensive study reveals how officials in Ottawa and Washington managed to preserve bilateral harmony despite ongoing policy divergence **Les idées en mouvement** Michel Ducharme,Damien-Claude Bélanger,Sophie Coupal,2004 The Ashgate Research Companion to the Korean War Donald W. Boose,2016-03-23 This essential companion provides a comprehensive study of the literature on the causes course and consequences of the Korean War 1950 1953 Aimed primarily at readers with a special interest in military history and contemporary conflict studies the authors summarize and analyze the key research issues in what for years was known as the Forgotten War The book comprises three main thematic parts each with chapters ranging across a variety of crucial topics covering the background conduct clashes and outcome of the Korean War The first part sets the historical stage with chapters focusing on the main participants The second part provides details on the tactics equipment and logistics of the belligerents Part III covers the course of the war with each chapter addressing a key stage of the fighting in chronological order The enormous increase in writings on the Korean War during the last thirty years following the release of key primary source documents has revived

and energized the interest of scholars This essential reference work not only provides an overview of recent research but also assesses what impact this has had on understanding the war *Pearson* Norman Hillmer,1999-07-08 In this collection of essays marking the centenary of Pearson's birth eighteen leading academics journalists public servants and politicians recreate and reassess Pearson's premiership from 1963 to 1968 Robert Bothwell Toronto introduces Pearson the man and Denis Stairs Dalhousie presents his political ideas Governor General award winning author and journalist Christina McCall and J L Granatstein Canadian Institute of International Affairs compare Pearson and his nemesis John Diefenbaker Stephen Azzi House of Commons and Greg Donaghy Department of Foreign Affairs write respectively about the prime minister's relations with Walter Gordon and Paul Martin Sr Tom Kent Queen's and Penny Bryden Mount Allison discuss the Pearson welfare state while Claude Ryan editor of *Le Devoir* in the 1960s and Michael Behiels Ottawa debate national unity Patrick Brennan Calgary looks at the media Monique Babin Ottawa Andrew Cohen *Globe and Mail* Blair Neatby Carleton and former public servants Ross Campbell Al Johnson Geoffrey Pearson and Gordon Robertson gauge the scope of Pearson's legacy The collection also includes an introduction by the editor and a foreword by Prime Minister Jean Chrétien *Left, Right* Engler Yves Engler,2019-10-15 The left is supposed to be opposed to colonialism and at least skeptical of nationalism However Left Right shows that for decades now this hasn't been the case in Canada Yves Engler marshals damning detail on the long surprising history of support from the New Democratic Party and labor unions for such policies and international interventions as the coup in Haiti the assassination of Patrice Lumumba the Bay of Pigs invasion the Korean War and much more The rhetoric of the mainstream left he shows has also tended to concede major points to the dominant war mongering ideology with prominent commentators such as Linda McQuaig and Stephen Lewis echoing the terminology of right wing politicians and thinkers More than simply diagnosing a problem however Left Right offers a path forward laying out ways to get us working for an ecologically sound peace promoting and non exploitative foreign policy *Canada Among Nations*, 2008 Robert Bothwell,Jean Daudelin,2009-03-17 The editors take a critical look at the now almost mainstream declinist thesis and at the continued relevance of Canada's relationships with its principal allies the United Kingdom France and the United States Contributors discuss a broad range of themes including the weight of a changing identity in the evolution of the country's foreign policy the fate of Canadian diplomacy as a profession the often complicated relationship between foreign and trade policies the impact of immigration and refugee procedures on foreign policy and the evolving understanding of development and defence as components of Canada's foreign policy **Diefenbaker and Latin America** Jason Gregory Zorbas,2011-07-13 John Diefenbaker's Latin American policy was based on his vision of Canada's national interest which placed a strong emphasis on the achievement of greater autonomy in foreign policy for Canada vis vis the US and the expansion of Canadian exports to the region Though Diefenbaker was often accused of being driven by anti Americanism instead his Latin American policy was based on his vision of Canada's national interest For Diefenbaker an enhanced

relationship with Latin America had the potential to lessen Canada's dependency on the US while giving Latin American countries an outlet for their trade commercial and financial relations other than the US. This new approach implied that Canada would formulate and implement policy that focused more on Canadian political interests and goals. It was not a matter of charting a totally independent policy from the US; in Latin America, true policy independence was impossible to achieve. Nor was it the case that Canada would necessarily set itself in opposition to the US when it disagreed with its policies. For Diefenbaker, the goal was to pursue a foreign policy that was aligned with but not subservient to the US.

Pearson and Canada's Role in Nuclear Disarmament and Arms Control Negotiations, 1945-1957 Joseph Levitt, 1993-05-28
In *Pearson and Canada's Role in Nuclear Disarmament and Arms Control Negotiations*, Joseph Levitt traces the history of these negotiations from the Canadian diplomatic perspective. He analyses the various proposals and documents the reactions of Pearson and his colleagues. Levitt reveals Pearson's own view of the strategic stalemate between the USSR and the United States. Pearson did not believe that an open and liberal society such as the United States would ever launch an unprovoked offensive on the USSR; he thought instead that the danger of a major military confrontation arose only from the possibility that the Soviet Union might attack. Consequently, the main thrust of Canadian diplomatic activity in these negotiations was not prevention of an American arms build up but support of a strategy which would compel the USSR to accept an agreement that would benefit the Americans militarily or failing that, to hold the Soviets responsible for the impasse in the talks and thus win the all important propaganda war.

Canada and the Korean War Andrew Burtch, Tim Cook, 2024-05-01
Korea was the first hot war of the Cold War. It was also Canada's most significant military engagement of the twentieth century following the two world wars. Canada and the Korean War gathers leading scholars to explore the key themes and battles of a seminal yet understudied conflict. Canada had little stake and less interest in Korea before 1950, but the risk the conflict posed to the fragile postwar order was deemed too great for the country to stand on the sidelines. Alongside their allies, more than 30,000 Canadian service personnel fought a determined and skilled enemy. The armistice that ended the war left Korea devastated and divided, and it remains a dangerous hotspot today. This timely collection synthesizes Canadian and international perspectives on a conflict that shaped not only the Canadian armed forces but also the evolving Canada-Korea relationship. In the process, Canada and the Korean War sheds light on how the war has been framed and reframed in public memory.

The North Atlantic Treaty Organization, 1948-1957 John C. Milloy, 2006-03-22
During NATO's formative years, its leadership tried to develop an economic, social, and political role for the organization in an effort to transform it into a community of nations. Using material from Canadian, American, French, and British archives, John Milloy analyses these unsuccessful attempts to develop NATO's non-military potential.

Personal Policy Making Eliezer Tauber, 2002-02-28
Without the Canadian mediation between the two world blocs in 1947, UN resolution 181 II to partition Palestine would likely have failed to secure the two-thirds majority necessary for adoption by the General Assembly. In fact, the Canadians were

among the main initiators of the partition plan and the establishment of a Jewish state Tauber demonstrates that this Canadian involvement was not an official government policy but rather a private initiative of some high ranking Canadian foreign service officials who believed partition to be the only practicable solution for the Palestine question Thus due to humanitarian concerns these officials followed an independent policy against the express will of their prime minister The results would forever change the history of the Middle East Tauber explores this little known aspect of Canadian foreign policy Canada's under secretary of state for external affairs Lester Pearson assisted by other foreign service officials decided on his own accord which policy to follow in this instance Based upon many original Canadian British American UN and Israeli documents this study shows that Pearson's motivation was not the desire to make Canada a middle power involved in international affairs as some scholars of Canadian international affairs have previously argued Instead the impact of the Holocaust drove these officials to break ranks with their superiors at home to support the establishment of a Jewish state in Palestine

Envoys Extraordinary Margaret K. Weiers, 1995-11 This is not a book about foreign policy It is a book about women who stayed the course and are still on it influencing developing shaping and implementing Canadian foreign policy at home and abroad It is a story often told in their own words of twenty two remarkable women With charm grace dignity and intelligence these women survived that most quintessential of Canadian establishments the Department of External Affairs

Orienting Canada John Price, 2011 Colony to nation Isolationism to internationalism WASP society to a multicultural Canada Focusing on imperial conflicts in the Pacific Orienting Canada disrupts these familiar narratives in Canadian history by tracing the relationship between racism and Canadian foreign policy Grounded in transnationalism and anti racist theory this book reassesses critical transpacific incidents including Vancouver's riots of 1907 the Chinese head tax the wars in the Pacific from 1937 to 1945 the internment of Japanese Canadians and Canada's significant role in consolidating the US anti communist empire in postwar Asia Shocking revelations about the effects of racism and war into the 1960s are tempered by stories of community resilience and transformation As a transpacific lens on the past Orienting Canada deflects Canada's European gaze back onto itself to reveal images that both provoke and unsettle

A War of Patrols William Johnston, 2011-11-01 The extended peace the world anticipated following the decisive Allied victory in the Second World War was abruptly shattered in June 1950 by the invasion of South Korea by communist North Korea Responding to a United Nations call to assist the South Korean regime Canada deployed an 8000 man brigade to the peninsula to fight as part of an American led UN force This comprehensive account of the Canadian campaign in Korea provides the first detailed study of the training leadership operations and tactics of the brigade under each of its three wartime commanders as well as its relationship with American and Commonwealth allies An impeccably researched analytical history the book examines the uneven performance of the various Canadian units and argues that the soldiers of the Special Force initially sent to Korea were more thorough and professional in their operations than were the army's regular battalions that eventually replaced

them at the front **Toward the Charter** Christopher MacLennan, 2003-05-26 The important roles played by parliamentarians such as John Diefenbaker and academics such as F R Scott are placed alongside those of trade unionists women and a long list of individuals representing Canada's multicultural groups to reveal the diversity of the bill of rights movement At the same time MacLennan weaves Canadian made arguments for a bill of rights with ideas from the international human rights movement led by the United Nations to show that the Canadian experience can only be understood within a wider global context **Rogue Tory** Denis Smith, 2013-11-19 Winner of the Dafoe Book Prize Winner of the University of British Columbia Medal for Canadian Biography 1995 marked the 100th anniversary of that most charismatic and enigmatic public figure the thirteenth prime minister of Canada John George Diefenbaker Beloved and reviled with equal passion he was a politician possessed of a flamboyant self-fabulizing nature that is the essential ingredient of spellbinding biography After several runs at political office Diefenbaker finally reached the Commons in 1940 sixteen years later he was leader of the Progressive Conservative Party In 1958 after a campaign that dazzled the voters the Tories won the largest majority in the nation's history the Liberal party was shattered its leader Lester Pearson humiliated by an electorate that had chosen to follow John Diefenbaker's victory promised a long and sunny Conservative era It was not to be instead Dief gave the country a decade of continuous convulsion marked by his government's defeat in 1963 and his own forced departure from the leadership in 1967 a very public drama that divided his party and riveted the nation When Diefenbaker died in 1979 he was given a state funeral modeled at his own direction on those of Churchill and Kennedy It culminated in a transcontinental train journey and burial on the bluffs overlooking Saskatoon alongside the archive that houses his papers the only presidential style library built for a Canadian prime minister Canadians embraced the image of Dief as a morally triumphant underdog even as they were repelled by his outrageous excesses He revived a moribund party and gave the country a fresh sense of purpose but he was no match for the dilemmas of the Cold War of Quebec nationalism or the subtleties of the country's relations with the United States This compelling biography illuminating both legend and man and the nation he helped shape was among the most highly praised books of the year **Negotiating a River** Daniel Macfarlane, 2014-03-01 It was a megaproject half a century in the making a technological and engineering marvel that stands as one of the most ambitious borderlands undertakings ever embarked upon by two countries The planning and building of the St Lawrence Seaway and Power Project is one of the defining episodes in North American history The project began with transnational negotiations that spanned two world wars and the formative years of the Cold War and included a failed attempt to construct an all Canadian seaway which was scuttled by US national security fears Once an agreement was reached the massive engineering and construction operation began as did the efforts to move people and infrastructure away from the thousands of acres of land that would soon be flooded Negotiating a River looks at the profound impacts of this megaproject from the complex diplomatic negotiations political manoeuvring and environmental diplomacy to the

implications on national identities and transnational relations
