Ragdolls Gini Holland, Ruth Owen, 2013-07-15 The Ragdoll was developed by American breeder Ann Baker Readers will learn that some breeds are chosen based on their temperament and nature Full of fun facts history and full color photographs to keep any reader s interest *Doll* Maria Teresa Hart, 2022-11-03 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things The haunted doll has long been a trope in horror movies but like many fears there is some truth at its heart Dolls are possessed by our aspirations They re commonly used as a tool to teach mothering to young girls but more often they are avatars of the idealized feminine self The word doll even acts as shorthand for a desirable woman

They instruct girls what to strive for in society reinforcing dominant patriarchal heteronormative white views around class bodies history and celebrity in insidious ways Girls dolls occupy the opposite space of boys action figures which represent masculinity authority warfare and conflict By analyzing dolls from 17th century Japanese Hinamatsuri festivals to the 80s American Girl Dolls and even to today s bitmoji Doll reveals how the objects society encourages us to play with as girls shape the women we become Object Lessons is published in partnership with an essay series in The Atlantic Ragdolls Are the Best! Elaine Landau,2011-01-01 Introduces ragdolls including information on the history of the breed and how to care for one as a pet The Children's Culture Reader Henry Jenkins,1998-10 A reader on children s culture *Crafts for Play* Various,2018-06-01 The Living Arts Library is specially designed to stimulate children s interest and imagination in all aspects of the international arts The activity based approach encourages readers to try for themselves a variety of skills and techniques *Game Engine Architecture* Jason Gregory,2009-06-15 This book covers both the theory and practice of game engine software development bringing together complete coverage of a wide range of topics The concepts and techniques described are the actual ones used by real game studios like Electronic Arts and Naughty Dog The examples are often grounded in specific technologies but the discussion extends way beyond any particular engine or API The references and citations make it a great jumping off point for those who wish to dig deeper into any particular aspect of the game development process Intended as the text for a college level series in game programming this book can also be used by amateur software engineers hobbyists self taught game programmers and existing members of the game industry Junior game engineers can use it to solidify their understanding of game technology and engine architecture Even senior engineers who specialize in one particular field of game development can benefit from the bigger picture presented in these pages

Making Rag Dolls Juanita Clarke,1994 This book is a colourful practical guide to making personalized rag dolls which will entertain both children and parents alike as well as rag doll enthusiasts With designs for 20 dolls each doll is made from the same basic body the author shows how to characterize each doll individually by combining different facial features hairstyles and clothes The dolls have jointed arms and legs so that they may be dressed and undressed quite easily and the book includes a number of different sewing techniques all of which are clearly explained and simple to follow

Embracing the Song of Term: An Emotional Symphony within **Rag Dolls**

In a world used by screens and the ceaseless chatter of immediate communication, the melodic elegance and mental symphony created by the prepared word frequently diminish into the background, eclipsed by the constant sound and distractions that permeate our lives. However, set within the pages of **Rag Dolls** a stunning literary value overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts viewers on a psychological journey, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of this emotional evaluation, we will explore the book is key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
