Ragtime F L Doctorow:

Ragtime, The March, and Homer & Langley: Three Bestselling Novels E.L. Doctorow, 2013-10-28 E L Doctorow has been hailed as a writer of dazzling gifts and boundless imaginative energy Joyce Carol Oates The New Yorker a virtuosic storyteller with enormous range People and a national treasure George Saunders He has achieved a distinguished standing in American letters with his profound fiction novels of great inventive power The three bestsellers in this eBook bundle are classic Doctorow From the defining moments of the Civil War to the heady days of the young twentieth century the subjects and themes herein span in the words of Don DeLillo the reach of American possibility in which plain lives take on the cadences of history RAGTIME An extraordinarily deft lyrical rich novel that catches the spirit of the country in a fluid musical way that is as original as it is satisfying The New Yorker One lazy Sunday afternoon in 1906 in New Rochelle New York the famous escape artist Harry Houdini swerves his car into a telephone pole outside the home of an affluent American family Almost magically the line between fact and fiction between real and invented characters disappears Henry Ford Emma Goldman J P Morgan Evelyn Nesbit Sigmund Freud and Emiliano Zapata slip in and out of the tale crossing paths with Doctorow s brilliant fictional creations including an immigrant Jewish peddler and a ragtime pianist from Harlem whose insistence on a point of justice brings this shimmering masterpiece to a shocking climax THE MARCH Spellbinding a ferocious re imagining of the past that returns it to us as something powerful and strange Time In 1864 Union general William Tecumseh Sherman marched his sixty thousand troops through Georgia to the sea and then up into the Carolinas The army fought off Confederate forces demolished cities and accumulated a borne along population of freed blacks and white refugees until all that remained was the dangerous transient life of the dispossessed and the triumphant In Doctorow s hands the great march becomes a floating world a nomadic consciousness and an unforgettable reading experience with awesome relevance to our own times HOMER LANGLEY Beautiful and haunting one of literature s most unlikely picaresques a road novel in which the rogue heroes can t seem to leave home The Boston Globe Homer and Langley Collyer are brothers the one blind and deeply intuitive the other damaged into madness by mustard gas in the Great War They live as recluses in their once grand Fifth Avenue mansion hoarding the daily newspapers as research for Langley s proposed dateless newspaper whose reportage will be as prophecy Even though they want nothing more than to shut out the world history seems to pass through their cluttered house in the persons of immigrants prostitutes society women government agents gangsters jazz musicians and their housebound lives are fraught with odyssean peril as they struggle to survive and create meaning for themselves New York Times Saturday Review of Books and Art ,1975 *Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12

Beyond Broadway Stacy Ellen Wolf, 2020 The idea of American musical theatre conjures up images of bright lights and big city but its lifeblood is found in local and amateur productions at schools community theatres summer camps and more In Beyond Broadway author Stacy Wolf considers the widespread presence and persistence of musical theatre in U S culture

and examines it as a live pleasurable participatory experience of creating watching and listening Why does local musical theatre flourish in America Why do so many Americans passionately engage in a century old artistic practice that requires intense person to person collaboration Why do audiences flock to see musicals in their hometowns How do corporations like Disney and Music Theatre International enable musical theatre s energetic movement through American culture Touring from Maine to California Wolf visits elementary schools a middle school performance festival afterschool programs high schools summer camps state park outdoor theatres community theatres and dinner theatres and conducts over 200 interviews with practitioners and spectators licensors and Disney creatives In *Beyond Broadway* Wolf tells the story of musical theatre s abundance and longevity in the U S as a thriving joyful activity that touches millions of lives [A Serendipitous Life](#) Helen Baily Cochrane,2012-08 The life of Helen Cochrane has been filled with many amazing stories and she has recorded many of them in her autobiography From small town girl to national ecclesiastical leader Helen relates the exciting experiences of her life and presents them here in her incredible journey Beginning her life as a banker s daughter during the Great Depression she struggled for ordination and respect as a woman in one of the country s largest denominations At the same time she has interwoven the national state and regional events that shaped her life and the lives of her family members From Black Friday to the rough and tumble games with her brothers World War II battles with hurricanes and floods and her first kiss to prejudices miscarriages an eye falling out of its socket and becoming friends with celebrities Helen relates her colorful life in hundreds of tales and anecdotes I can guarantee there is never a dull moment in this unique fascinating story of a passionate pioneering peacemaking woman who felt and responded to God s call on her life

Media and American Courts S. L. Alexander, 2004-06-08 A unique reference work exploring the interaction of ever more pervasive media and the U.S. judicial system in the 20th century. At a time when two thirds of local news is crime or court related when Court TV broadcasts daily and when one lurid case can push all other news aside Media and American Courts: A Reference Handbook offers a much needed examination of how the press and the judicial system interact. Despite the benefits a better informed public judicial accountability has expanded coverage of the courts in fact weakened our democracy. Media and American Courts approaches this question by exploring the cases the personalities and the controversies that have redefined the court press relationship in the past century as the media expanded from print and radio to courtroom cameras cable and the World Wide Web. It also includes suggestions from legal and media experts for making court news more accurate informative and useful. The Oxford Companion to American Literature James David Hart, 1948 *New York Times Saturday Book Review Supplement*, 1977 **New Strangers in Paradise** Gilbert H. Muller, 2014-07-11 New Strangers in Paradise offers the first in depth account of the ways in which contemporary American fiction has been shaped by the successive generations of immigrants to reach U.S. shores. Gilbert Muller reveals how the intersections of peoples regions and competing cultural histories have remade the American cultural landscape in the aftermath of World War II. Muller focuses on the literature of Holocaust survivors Chicanos Latinos African Caribbeans and Asian Americans. In the quest for a new identity each of these groups seeks the American dream and rewrites the story of what it means to be an American. New Strangers in Paradise explores the psychology of uprooted peoples and the relations of culture and power addressing issues of race and ethnicity multiculturalism and pluralism and national and international conflicts. Examining the groups of immigrants in the cultural and historical context both of America and of the lands from which they originated Muller argues that this fourth wave of immigration has led to a creative flowering in modern fiction. The book offers a fresh perspective on the writings of Vladimir Nabokov Saul Bellow William Styron Maxine

Hong Kingston Amy Tan Oscar Hijuelos Jamaica Kincaid Bharati Mukherjee Rudolfo Anaya and many others **Mimi and Her World** Mimi Correll Cerniglia, 2010-12-07 Mimi Cerniglia's autobiography begins with the introduction of the two people who will become the parents of her two sisters and her. You will find out why furniture manufacturing in the Piedmont area of North Carolina was important in the author's life and the state of North Carolina Depression era modes of transportation and communication come alive from her excellent descriptions. Due to a family incident religion's decline and eventual rejection unfolds slowly. An annual family event helps the reader learn about the homestead of a southern family who had owned slaves. Terms used in local government reminds the reader that North Carolina was one of the original thirteen colonies and was settled from east to west. Public school education in her college town was so important the citizens paid extra tax for city schools. The end of World War II brought peace time production of everything. College and an education career as well as marriage led to the birth of a son and a move to Florida. More education in North Carolina and a return to Florida for the son's education was interspersed with a new marriage. Following traveling and house building in North Carolina came death and a move back to Florida to be near her successful son and twin grandsons. Her senior years of reading writing and golf stopped due to illness. Recovery from illness and pursuit of academic endeavors concludes the book. *The Oxford Companion to American Literature* James D. Hart, Phillip Leininger, 1995-10-12 For more than half a century James D Hart's *The Oxford Companion to American Literature* has been an unparalleled guide to America's literary culture providing one of the finest resources to this country's rich history of great writers. Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters. For the sixth edition editors James D Hart and Phillip Leininger have updated the *Companion* in light of what has happened in American literature since 1982. To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O'Brien Louise Erdrich Don De Lillo poets Rita Dove Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L'Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann. In addition the *Companion* boasts more women's African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M. F. K. Fisher William Least Heat Moon Ursula Le Guin and Oscar Hijuelos among many others. These additions represent only some of the revisions for the new edition. Of course the basic qualities of the *Companion* that readers have grown to know and love over the years are as superb as ever. With over 5 000 total entries *The Oxford Companion to American Literature* reflects a dynamic balance between past and contemporary literature surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and from Walt Whitman to William F. Buckley Jr. There are over 2 000 biographical profiles of important American authors with information regarding their styles subjects and major works and influential foreign writers as well as other figures who have been

important in the nation's social and cultural history There are more than 1 100 full summaries of important American novels stories essays poems with verse form noted plays biographies and autobiographies tracts narratives and histories The new edition provides historical background and astute commentary on literary schools and movements literary awards magazines newspapers and a wide variety of other matters directly related to writing in America Finally the book is thoroughly cross referenced and features an extensive and fully updated index of literary and social history Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice the sixth edition of *The Oxford Companion to American Literature* is up to date accurate and comprehensive a delight for both the casual browser and the serious student *Rewriting* Christian Moraru, 2001-09-20 Examines the tendency of post World War II writers to rewrite earlier narratives by Poe Melville Hawthorne and others **New York Magazine**, 1975-09-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Aesthetics of Middlebrow Fiction* Tom Perrin, 2015-08-05 During the Cold War many popular American novels were labelled middlebrow leading to a general belief that these texts held less intellectual merit Perrin debunks these unfair assumptions through works by James Michener Harper Lee and Leon Uris arguing that such writers made a major contribution to the tradition of American literature *Constructing Spain* Nathan Richardson, 2012 Does fiction do more than just represent space Can our experiences with fictional storytelling be in themselves spatial In *Constructing Spain* The Re imagination of Space and Place in Fiction and Film Nathan Richardson explores relations between cultural representation and spatial transformation across fifty years of Spanish culture Beginning in 1953 the year Spanish space was officially reopened to Western thought and capital and culminating in 2003 the year of Aznar's unpopular involvement of his country in the second Iraq War Richardson traces in popular and critically acclaimed fiction and film an evolution in Spanish storytelling that while initially representative in nature increasingly engages its audience in spatial practices that go beyond mere perception or conception of local material geographies In original readings of films by Luis Berlanga Luis Buñuel Alex de la Iglesia Alejandro Amenábar and Julio Medem and novels by Juan Goytisolo Antonio Muñoz Molina and Javier Marías Richardson shows this formal evolution as a necessary response to developments restorations and transformations of local landscapes that resulted during these years from various human migrations tourist invasions urban development plans resurgent nationalisms and finally globalization As these changes occur Richardson traces a shift in the works studied from mere representation of spatial change toward actual engagement with shifting physical and social geographies as they inch ever closer toward the production of an actual spatial experience for their audiences In the final chapters of this book Richardson offers in depth and highly original readings of the storytelling projects of Medem and Mar

as in particular showing how these two artists invite readers to not only reconceive hegemonic notions of space and place but to practice alternative notions of being in place In these final readings Constructing Spain points to the newest developments in contemporary Spanish narrative and film a rise of new grammars of creation to challenge the ongoing capital driven creative destruction of globalized Spanish geography
