

Railroads Of Dubuque Images Of Rail Images Of Rail

James L. Shaffer, John T. Tigges

Railroads Of Dubuque Images Of Rail Images Of Rail:

Railroads of Dubuque John Tigges, James Shaffer, 2005 The city of Dubuque settled on the west side of the Mississippi River in 1833 has historically been home to four major railways and numerous trolleys and passenger trains Dubuque's railroad legacy was precipitated by local resident John Plumb Jr the Father of the Transcontinental Railroad who proposed a transcontinental railroad in 1838 and promoted the idea throughout the Midwest The Illinois Central Railroad first reached the east bank of the Mississippi in 1855 followed by the Milwaukee Road the Chicago and Great Western and the Chicago Burlington and Quincy Railroads This book uses rare photographs and historical text to chronicle the development and heyday of these four pioneering railways as well as Dubuque's many trolleys and its two funicular railroads While the glory days of Dubuque's railroads may have passed the legacy they brought to the city lives on and is evident in the Fourth Street Elevator which remains the world's shortest steepest railroad

Iowa's Last Narrow-Gauge Railroad John Tigges, James Shaffer, 2006 When talk began circulating in 1848 about the importance of railroads the people of Cascade grew anxious Without direct access to navigable rivers other than the Mississippi over 36 miles away their community could very well fade from existence They needed a railroad as soon as possible The idea raced forward with the backing of the Chicago Clinton Dubuque and Minnesota Railroad Company or the River Road which ran along the western bank of the Mississippi River and passed through Bellevue Their hopes and dreams became reality in a three foot gauge line 31 years later in 1879 In 1880 the Chicago Milwaukee and St Paul Railway purchased the River Road which included the narrow gauge branch line to Cascade Overjoyed at having a larger entity involved anticipation for the widening of the rails to standard gauge grew quickly This book relates the story from the beginning to its abandonment in 1936 Today Bellevue and Cascade survive as thriving small towns and are economically healthy Despite the fact that 70 years have passed since the last spike was pulled many people know of and recall Iowa's last narrow gauge railroad

Rockford Area Railroads Mike Schafer, 2010-10-25 Railroads were key to Rockford's rise as a thriving manufacturing and commercial center With an area population of over 200 000 residents and a reputation for manufactured goods Rockford had a critical need for railroads into the bust years of the 1970s Eventually four railroads rose to prominence in Rockford all of them Class 1 carriers the Chicago and North Western Chicago Burlington and Quincy the Chicago Milwaukee St Paul and Pacific the Milwaukee Road and Illinois Central For nearly a century these four roads all of them esteemed Midwestern railroads carried the bulk of freight and passengers arriving and departing Rockford Davis Junction and Loves Park by rail Two other smaller railways the Chicago Milwaukee and Gary and the Rockford and Interurban also played a part in Rockford's railroad history and are spotlighted in this volume

The Chicago Great Western Railway David J. Fiore, 2006 The Chicago Great Western Railway CGW was a Midwestern line that operated in Illinois Iowa Missouri Minnesota Kansas and Nebraska for 83 years This book provides nostalgic images and photographs of the operations employees locomotives and stations of a little railroad that is now only a memory

Railroad

Men ,1901 **The Street Railway Journal** ,1906 *History of the Chicago, Milwaukee & St. Paul Railway Co. and Representative Employees* ,1901 **Railway Review** ,1891 *The Street Railway Review* ,1904 *Railroad Age Gazette* ,1911 **Railway Age and Northwestern Railroad** ,1896 **Railroad Record and Journal of Commerce, Banking, Manufactures and Statistics** ,1865 *Railroad History* ,2007 **Railway and Locomotive Engineering ...** ,1896 **A Most Magnificent Machine** Craig Miner,2010-10-14 Just as the railroad transformed America's economic landscape it profoundly transfigured its citizens as well But while there have been many histories of railroads few have examined the subject as a social and cultural phenomenon Informed especially by rich research in the nation's newspaper archives Craig Miner now traces the growth of railroads from their origins in the 1820s to the onset of the Civil War In this first social history of the early railroads Miner reveals how ordinary Americans experienced this innovation at the grass roots from boosters dreams of get rich schemes to naysayers fears of soulless corporations Drawing on an amazing 400 000 articles from 185 newspapers plus more than 3 000 books and pamphlets from the era he documents the initial burst of enthusiasm accompanying early railroading as it took shape in various settings across the country Miner examines the cultural economic and political aspects of this broad and complicated topic while remaining rooted in the local interests of communities He takes readers back to the days of the Mauch Chunk Railway a tourist sensation of the mid 1820s navigates the mixed reactions to trains as Baltimore's city fathers envisioned tracks to the Ohio River shows how Pennsylvanians wrestled with the efficacy of railroads versus canals and describes the intense rivalry of cities competing for trade as old transportation patterns were replaced by the new rail technology Miner samples individual railroads to compare progress across the industry showing how it became a quintessentially American business and how the Panic of 1837 significantly slowed the railways as a major engine of growth for many years He also explores the impact of railroads on different regions even disproving the backwardness of the South by citing the Central of Georgia as one of the best managed and most profitable lines in the country Through this panoramic work readers will discover just how the benefits of what became the country's first big business triumphed over cultural concerns though not without considerable controversy along the way By identifying citizens hopes and fears sparked by the railroads **A Most Magnificent Machine** takes readers down the tracks of progress as it opens a new window on antebellum America *Railway World* ,1883 *Railway Age* ,1949 **Travelers Railway Guide** ,1884 *Railroad Gazette* ,1871 *Dubuque, Iowa* James L. Shaffer, John T. Tigges,2000 Daily change in any city can be difficult to recognize Although everyone notices when a building is razed it is more challenging to identify the subtle alterations occurring regularly which make a city slightly different than it was the day before It is for precisely this reason the authors have decided to capture the changing face of Dubuque through a compelling selection of over 80 vintage images each paired with its modern counterpart Older residents will be able to identify many of the long gone structures pictured in this volume but newer arrivals will uncover a Dubuque they never knew existed Public institutions parks homes and entire

blocks have been altered and from the birth of photography to the present these changes are documented in this volume The physical contrasts between Dubuque s residents today and those of long ago are immediately apparent Fashions and jobs are always evolving but the similarities outnumber the differences The people of Dubuque are as always hard working and self reliant and they remain proud of their heritage and their town

Thank you for downloading **Railroads Of Dubuque Images Of Rail Images Of Rail**. Maybe you have knowledge that, people have look hundreds times for their chosen books like this Railroads Of Dubuque Images Of Rail Images Of Rail, but end up in infectious downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they cope with some infectious virus inside their computer.
