Every entry from the original edition has been readdressed, rewritten and made fuller with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout the book is more budget conscious, starred restaurants and historic hotels such as the Ritz but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer. [Rails Across the Rockies](#) Graeme Pole, 2006-06-15 With 54 black and white photographs and maps, *Rails Across the Rockies* tells the stories of the surveying and construction of the Canadian Pacific, Grand Trunk Pacific and Canadian Northern railways in the glory days of Canadian railroading. Politicians, engineers and surveyors bickered and scrapped for years over why, how and where to locate the rails. Each of the enterprises helped to stitch the country together physically while threatening to tear it apart politically. *Great Railways of the Canadian West* tells
