They used to be everything to each other Now they can barely share the same room Calista Monroe and Nathaniel Hawkins were inseparable as kids But somewhere between middle school memories and high school hallways everything changed Now they re at the top of the academic food chain fighting for grades pride and the last word They clash in every classroom challenge every win and pretend the past never happened But tension like theirs doesn't just disappear it builds And the more they push each other away the harder it becomes to ignore what's still there buried beneath years of silence sharp words and stolen glances Between Rivalry and Romance is a slow burn enemies to lovers debut packed with emotional tension academic drama and the kind of chemistry you can't fake For fans of heartfelt young adult fiction unforgettable first loves and the rivals who make your heart race [The Romance of the Rails](#) Agnes C.
