Rain Of Scorpions:

Rain of Scorpions and Other Stories Estela Portillo Trambley, 1993 The Clasicos Chicanos Chicano Classics series is intended to ensure the long term accessibility of deserving works of Chicano literature and culture that have become unavailable over the years or that are in imminent danger of becoming inaccessible Each of the volumes includes an introduction contextualizing the work within Chicano literature and a bibliography of works by and about the author The series is designed to be a vehicle that will help in the recuperation of Raza literary history and permit the continued experience and enjoyment of our literature by both present and future generations of readers In this updated and expanded collection of interrelated stories Portillo Trambley dares again to create a new vision for Chicanas Through bold acts they gain freedom like Clotilde in The Paris Gown who descends naked to greet the guests at her betrothal party and so escapes her impending arranged marriage In a hostile world such women find hope and the strength to begin healing themselves and their community

Rain of Scorpions and Other Writings Estela Portillo Trambley, 1975 *Rain of Scorpions and Other Stories* , **Rain of Scorpions** Estela Trambley, **Chicana Leadership** Yolanda Flores Niemann, 2002-01-01 Chicana Leadership The Frontiers Reader breaks the stereotypes of Mexican American women and shows how these women shape their lives and communities This collection looks beyond the frequently held perception of Chicanas as passive and submissive and instead examines their roles as dynamic community leaders activists and scholars Chicana Leadership features fifteen essays from the notable women s journal Frontiers A Journal of Women Studies that demonstrate the strength and diversity of Chicanas as well as their continuing struggle to have their voices heard Noted scholars discuss issues ranging from the feminist prototype La Malinche to Chicana writers and national ideology from gender and identity to ideas of culture and romance and from tokenism to the diversity within the Chicana community The essays provide an introduction to an evolving understanding of this diverse community of women and how they interact among themselves with their community and with the world around them

Migrant Sites Dalia Kandiyoti, 2009-11-15 A unique comparative study of immigrant and diaspora literatures in America **Smeltertown** Monica Perales, 2010-09-13 Company town Blighted community Beloved home Nestled on the banks of the Rio Grande at the heart of a railroad mining and smelting empire Smeltertown La Esmelda as its residents called it was home to generations of ethnic Mexicans who labored at the American Smelting and Refining Company in El Paso Texas Using newspapers personal archives photographs employee records parish newsletters and interviews with former residents including her own relatives Monica Perales unearths the history of this forgotten community Spanning almost a century Smeltertown traces the birth growth and ultimate demise of a working class community in the largest U S city on the Mexican border and places ethnic Mexicans at the center of transnational capitalism and the making of the urban West Perales shows that Smeltertown was composed of multiple real and imagined social worlds created by the company the church the schools and the residents themselves Within these dynamic social worlds residents

forged permanence and meaning in the shadow of the smelter's giant smokestacks Smeltertown provides insight into how people and places invent and reinvent themselves and illuminates a vibrant community grappling with its own sense of itself and its place in history and collective memory Trini Estella Portillo Trambley, 2017-03-15 The sole novel of beloved Chicana author Estela Portillo Trambley Trini is the epic story of one girl's journey across borders and into womanhood Born in the rural region of the Tarahumara Raramuri people in Mexico Trini shares her family's struggle to squeeze a living out of her beautiful but inhospitable land But she is sustained by the rich traditions of her Mestiza heritage the adopted traditions of the Tarahumara and by her own intelligence and spirit As a young woman she crosses into the United States to pursue her dreams of independence and land ownership Trini is a novel distinguished by the richness and beauty of its language and by its rare depiction of life in the Borderlands in the 1940s and 1950s Most remarkable of all is its portrait of a sensitive and courageous young Chicana woman whose quiet heroism resonates from every page Here restored to print with a new foreword this early novel of the Mexican American experience is bound to take its rightful place among contemporary classics of multicultural American literature *Ends of Assimilation* John Alba Cutler, 2015 Ends of Assimilation examines how Chicano literature imagines the conditions and costs of cultural change arguing that its thematic preoccupation with assimilation illuminates the function of literature John Alba Cutler shows how mid-century sociologists advanced a model of assimilation that ignored the interlinking of race gender and sexuality and characterized American culture as homogeneous stable and exceptional He demonstrates how Chicano literary works from the postwar period to the present understand culture as dynamic and self-consciously promote literature as a medium for influencing the direction of cultural change With original analyses of works by canonical and noncanonical writers from Américo Paredes Sandra Cisneros and Jimmy Santiago Baca to Estela Portillo Trambley Alfredo V. A. and Patricia Santana Ends of Assimilation demands that we reevaluate assimilation literature and the very language we use to talk about culture *Chicano Scholars and Writers* Julio A. Decolonizing Latinx Masculinities Arturo J. Aldama, Frederick Luis Aldama, 2020-09-08 Latinx hypersexualized lovers or kingpin predators pulsate from our TVs smartphones and Hollywood movie screens Tweets from the executive office brand Latinxs as bad hombre hordes and marauding rapists and traffickers A list of Anglo historical figures like Billy the Kid haunt us with their toxic masculinities These are the themes creatively explored by the eighteen contributors in Decolonizing Latinx Masculinities Together they explore how legacies of colonization and capitalist exploitation and oppression have created toxic forms of masculinity that continue to suffocate our existence as Latinxs And while the authors seek to identify all cultural phenomena that collectively create reductive destructive and toxic constructions of masculinity that traffic in misogyny and homophobia they also uncover the many spaces such as Xicanx Indigenous languages resistant food cultures music performances and queer Latinx rodeo practices where Latinx communities can and do exhale healing masculinities
