Below the aircraft, a fiery, orange-hued landscape is visible, suggesting a battlefield or a city under attack. The overall tone is somber and historical.

Pain and Purpose in the Pacific Richard Carl Bright, 2014-01-24 What follows here just a brief insight into Pain and Purpose in the Pacific This book did not begin with the idea of a chronology of the battles of the Pacific War although an overview is included But instead it was intended to be a brief account of the battles on Saipan Tinian and Okinawa as I retrace the travels of one Marine from the farmland of Minnesota to Japan and back Carl J Johnson spent 30 months in the Pacific Four of those months were in bitter combat on the islands of Saipan Tinian and Okinawa He is my uncle I have been blessed to travel also Belau which is Palau and includes Peleliu Included too in this book are Iwo Jima Corregidor and the Philippines In my travels beyond Hawaii and Pearl Harbor which was my introduction into the Pacific were Yap and Truk which is Chuuk and Pohnpei in the Carolines And Ive spent time in Japan During my time in the Pacific I have been presented with the opportunity to speak with several of the veterans of the Pacific War Doing so has in some cases allowed me in some small way to understand a sense of the hell they had to

suffer through Included in this report are a few of their stories as well as stories from some of the people of the islands who in one way or another were involved in the conflict It is with a depth of gratitude that I acknowledge the Military Historical Tours of Alexandria Virginia for allowing me to be a part of their tours to the islands of Iwo Jima and Okinawa as well as Guam Tinian and Saipan I appreciate this organization dedicated to preserving the memories of the war and to the honoring of the military personnel who were there at the time While living on either Guam or Saipan I also was able to visit on my own most of the islands mentioned on this page But it was the Military Historical Tours and its President USMC Colonel Warren Wiedhahn mht miltours com that made it possible for me to visit Iwo Jima They allowed me to join them once a year for 4 consecutive years I have since returned a 5th time in March of 2010 It was through this great organization that over a 7 year period while living on both Guam and Saipan in the Marianas Islands I was able to meet most of the WWII veterans mentioned here and these aging veterans of the War in the Pacific whom I have met have touched my heart In addition to my uncle this book is for them too *Airman* ,1995 Days of Steel Rain Brent E.
