Raincoast Chronicles 25 Alan Haig-Brown, 2025-05-13 This 25th edition of Raincoast Chronicles intertwines Alan Haig Brown's experiences of his formative years as a deckhand on a We Wai Kai seiner with the historical and cultural context of BC's commercial fishing industry In Raincoast Chronicles 25 Haig Brown recounts his formative years as a deckhand in the 1960s and early 70s on a fishing boat run by the We Wai Kai family he married into as a teenager The history of commercial fishing and of British Columbia itself in all its twisting relations with Indigenous peoples is mirrored in Haig Brown's vivid account of life aboard where there are no typical days despite the tightly choreographed tasks and immense local knowledge required by this ever risky business Recalling dancing fingers deftly untangling purse seine nets the delicious salmon stews and huckleberry pies Mitzi Assu whipped up from a cramped galley and the crew's navigation skills in facing dangerous tide rips Haig Brown beautifully captures the daily rhythms challenges and camaraderie of life on the fishing boat from a decade spent immersed in the traditions of the We Wai Kai people under the remarkable skipper Herb Assu It was the Assu family that gave Haig Brown the experience that has led him to understand the harmony and sustainability of the traditional Indigenous approach to the environment Now an experienced international marine journalist Haig Brown adds historical context to the narrative providing a nuanced view of the interplay between Indigenous communities and the commercial fishing industry Illustrated with black and white photographs mostly by Vicki Assu his wife at the time this account not only portrays a young man's journey but also serves as a tribute to the enduring spirit and resilience of the We Wai Kai family and their deep connection to the coastal waters of British Columbia

featuring diaries interviews and oral history Raincoast Chronicles 24 illuminates the experience of homesteading on the remote BC coast *Raincoast Chronicles* 23 Peter A. Robson, 2015-04-25 When the first edition of Raincoast Chronicles was produced by a couple of novice publishers in the unlikely location of Pender Harbour in 1972 it boldly announced that it was going to put BC character on the record Printed in sepia ink and decorated with the rococo flourishes characteristic of that extravagant era the unclassifiable journal cum serial book about life on the BC coast struck a nerve and in time became something very close to what it set out to be a touchstone of British Columbia identity Soon the term Raincoast which had been coined by the editors was appearing on boats puppet theatres interior decorating firms and at least one other publishing enterprise Raincoast Chronicles also created another publishing enterprise Harbour Publishing Many of the stories that started out as articles in the Chronicles grew into books and so the White family was more or less forced to get into book publishing to deal with them That undertaking went on to publish some six hundred books and counting about every possible aspect of BC and in 2014 celebrated its fortieth anniversary in the biz To honour that occasion this special double issue of Raincoast Chronicles takes a tour down memory lane selecting a trove of the most outstanding stories in all those Harbour books and republishing them in one volume Here are some of Canada's most exciting and iconic writers Al Purdy Anne Cameron Edith Iglauer Patrick Lane and Grant Lawrence to start a long list Here also are stories of disasters at sea scarcely believable bush plane feats eerie events at coastal ghost towns and a First Nations elder who has seen so many sasquatches he finds them sort of boring Full of great drawings and photos this jumbo anniversary edition of Raincoast Chronicles is a feast of great Pacific Northwest storytelling **International Books in Print**, 1991 *Canadian Books in Print. Author and Title Index*, 1975 *Canadian Books in Print*, 2003 *God's Little Ships* Michael L. Hadley, 1995 The men and women of the Columbia Coast Mission ships legendary figures in the history of the BC coast are brought vividly to life in this readable well researched volume From 1904 to the mid 1970s the mission sent out ships in all kinds of weather delivering medical care and non sectarian spiritual support to logging camps Native villages and white settlements in 20 000 square miles of rugged coastline John Antle who founded the mission was a devout and practical Christian who measured his success in services to BC's outposts rather than material wealth or number of converts Immortalized in Margaret Craven's *I Heard the Owl Call My Name* and in the hearts and memories of families all over the coast the mission was a glad bold organization that could be as rough cut and unconventional as the individuals it served **Small Matters** Mona Gleason, 2013 An innovative study of the struggle for healthy children in early twentieth century Canada **Canadian Books in Print** Marian Butler, 2000 *A Bridge of Ships* James Pritchard, 2011-05-20 In *A Bridge of Ships* James Pritchard tells the story of the rapidly changing circumstances and forceful personalities that shaped government shipbuilding policy He examines the ownership and expansion of the shipyards and the role of ship repairing as well as recruitment and training of the labour force He also tells the story of the struggle for steel and the expansion of ancillary industries Pritchard provides

a definitive picture of Canada's wartime ship production assesses the cost more than 1.2 billion and explains why such an enormous effort left such a short lived legacy The story of Canada's shipbuilding industry is as astonishing as that of the nation's wartime navy The personnel of both expanded more than fifty times yet the history of wartime shipbuilding remains virtually unknown With the disappearance of the Canadian shipbuilding industry from both the land and memory it is time to recall and assess its contribution to Allied victory **BCLA Reporter** British Columbia Library Association,1994 **The Best Loved Boat** Ian Kennedy,2023-10-28 Built in 1913 the Canadian Pacific Railway's ship Princess Maquinna steamed up and down the rugged west coast of Vancouver Island in summer and winter calm weather and storms for over forty years and has become one of the most beloved boats in BC's maritime history Princess Maquinna sometimes referred to as the Ugly Princess but most often Old Faithful transported Indigenous people settlers missionaries loggers cannery workers prospectors and travellers of all kinds up and down Vancouver Island's rugged and dangerous west coast stopping at up to forty ports of call on her seven day run The Princess Maquinna faithfully served as the lifeline for all those who lived on the west coast of Vancouver Island before it became accessible by roads Because of this strong connection she became the Best Loved Boat in BC's maritime history Kennedy recounts battles through eighty knot gales along the exposed coastline sailors called The Graveyard of the Pacific and reveals the bigotry that forced Indigenous and Chinese passengers to remain on the foredeck of the ship while other passengers sheltered from the elements inside He brings the history of this beloved ship to life with rich detail recalling a time when this remote part of British Columbia was alive with mines canneries and now forgotten settlements The West Beyond the West Jean Barman,2017-06-22 British Columbia is regularly described in superlatives both positive and negative most spectacular scenery strangest politics greatest environmental sensitivity richest Aboriginal cultures most aggressive resource exploitation closest ties to Asia Jean Barman's The West beyond the West presents the history of the province in all its diversity and apparent contradictions This critically acclaimed work is the premiere book on British Columbian history with a narrative beginning at the point of contact between Native peoples and Europeans and continuing into the twenty first century Barman tells the story by focusing not only on the history made by leaders in government but also on the roles of women immigrants and Aboriginal peoples in the development of the province She incorporates new perspectives and expands discussions on important topics such as the province's relationship to Canada as a nation its involvement in the two world wars the perspectives of non mainstream British Columbians and its participation in recreation and sports including Olympics First published in 1991 and revised in 1996 this third edition of The West beyond the West has been supplemented by statistical tables incorporating the 2001 census two more extensive illustration sections portraying British Columbia's history in images and other new material bringing the book up to date Barman's deft scholarship is readily apparent and the book demands to be on the shelf of anyone with an interest in British Columbian or Canadian history The Lumberjacks Donald MacKay,2007-05-15 Short listed for the 1978 Governor General

s Award for Non Fiction The 19th century spawned a unique breed of men who took pride in their woodsmen skills and rough codes of conduct They called themselves lumberers shantymen timber beasts les bucherons and more recently lumberjacks working in the vast forests of eastern Canada and British Columbia Across the country farm boys would go to the woods lumbering being the only winter work available Immigrants Swedes and Finns more often than not resumed the trades they had learned so well in the forests of northern Europe They broke the cold hard monotony of camp life with songs tall tales and card games Within these pages author Donald MacKay allows us a glimpse into that moment in our heritage when men entered the virgin forest to carve out an industry from the seemingly endless array of pine spruce maple and balsam fir found there *International Who's Who of Authors and Writers 2004* Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who s Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

Ocean of Destiny Arthur Lower,2011-11-01 The modern history of the North Pacific began five hundred years ago when Europeans sailed into the ocean for the first time This discovery shaped the destinies of seven countries that now rim its Asiatic and North American shores Russia China Japan North Korea South Korea the United States and Canada Their history is an exciting epic of discovery the great expeditions of Marco Polo Drake and Magellan the quest for the spices of Cathay the early days of the fur trade the gold rush and the long treks westward across North America to first establish Canadian and American possessions on the Pacific shore Rivalry and confrontation were part of this epic From the sixteenth to the nineteenth century European powers contested for the riches of the East and the West the wealth of the ocean and territory to sate colonial ambitions Since that time full blooded conflicts developed between Asian states and between Asia and the Western powers As a major trading power in the Pacific with no tradition of territorial expansion and as a respected peacekeeper Canada is in a unique position to view the history of the Pacific impartially This survey is doubly valuable not only as the first history of the North Pacific dealing with the concurrent events in the East and West but also as a history reflecting Canada s international outlook
