Reflections on Raindrops Jeanie T. Roberts,2017-02-02 Be careful what you pray for The first week in January 2005 a familys prayers for direction were answered Reflections on Raindrops by Jeanie T Roberts is the memoir of a couple in their sixties who delay retirement dreams to care for parents with dementia With only eighteen years between their ages Jeanie and her mother had grown up together It was natural that Jeanette should surrender her battle with the advancing stages of Alzheimers disease to her daughter and son in law Their story is often painful sometimes humorous and authentically coupled with survival tips learned during their on job training Gene and Jeanie were aware that dealing with the mental and physical deterioration accompanying her mothers fight with Alzheimers disease would be difficult but they had not recognized the challenges arising from her step fathers advancing vascular dementia As her parents regressed from familiar functioning adults into childlike strangers Gene and Jeanie drew on strategies learned while teaching and coaching sometimes reluctant teens The story of their ten years together is enriched by poems Jeanie wrote during times of mounting stress along with scripture references that would help them mold their struggles into victories      Like the Raindrops Bernard D'sa,2023-09-07 Embrace your bravery like the raindrops they fearlessly fall from the sky Like the Raindrops is a captivating memoir that speaks to the indomitable human spirit It s a triumphant tale of how a young entrepreneur against all odds found a way to overcome adversity and emerge stronger The book is an ode to the power of hope and perseverance and how the smallest things in life can bring us joy and happiness The author s journey is a testament to the beauty of life even during the toughest times Through his struggles the author learned valuable lessons about the importance of resilience and determination He discovered that like the raindrops that fall from the sky we too have the strength to weather any storm and emerge stronger on the other side This heartwarming book is dedicated to anyone who has ever faced a difficult challenge in life Its message is hope and inspiration encouraging readers to keep pushing forward even when the storm clouds gather No matter what obstacles you may face always remember that like the raindrops you too have the strength and resilience to weather any storm and emerge victorious on the other side      When Raindrops Come Crashing David M.
