Journal of the Asiatic Society of Bengal Asiatic Society of Bengal,1854 **Kings of Disaster** Simon

Simonse,2017-09-26 This is the long awaited revised and illustrated edition of Kings of Disaster the study of the Rainmakers of the Nilotic Sudan that is in many ways a breakthrough in anthropological thinking on African political systems Taking his inspiration from Ren Girards theory of consensual scapegoating the author shows that the longstanding distinction of states and stateless societies as two fundamentally different political types does not hold Centralized and segmentary systems only differ in the relative emphasis put on the victimary role of the king as compared with that of enemy Kings of Disaster so proposes an uninvolved solution to the vexed problem of regicide **The War Diaries of General David Watson** Geoffrey

Jackson,2021-11-11 The diary of David Watson who rose through the officer ranks to command one of the four divisions in the Great War is an exceptional document that details with candid insight the responsibilities of senior command and shows the talent required to rise through the CEF to divisional command The only published diary of a Canadian who held this rank in the last two critical years of the war it focuses on the evolution of military leadership and associated challenges that Watson and his peers faced during the Great War It recounts how he navigated not only the military battlefield in France and Belgium but also the political battlefield of the Canadian Expeditionary Force and larger British Expeditionary Force The divisional commanders played a central role in the Corps transformation into a first rate professional army a transformation that coincided with Watson s tenure at the 4th Division Major General David Watson s personal accounts offer valuable insights into the innermost workings of the Canadian Corps at various stages during the war and in particular its emergence as an elite fighting force and the pride of a nation **The Life and Adventures of Robinson Crusoe** Daniel Defoe,1883

Love Warps the Mind a Little: A Novel John Dufresne,2008-01-17 Reissue of a favorite novel by a generous and lyric storyteller San Francisco Chronicle known for his tragicomic voice and unforgettable characters Ever since Lafayette Proulx quit his day job left his wife hauled his dog and his Royal portable across town to Judi Dubey s house and set out at last to be a fiction writer his life has been a sordid mess Judi s exotically dysfunctional family isn t all to blame Sure the murders are

disconcerting And yes Judi s father s gone off the deep end Worse are the vicious rejection letters Laf gets from editors To top it off Laf s falling for Judi at the same time he s nettled with guilt is in marriage counseling with his wife and is writing his long hoped for novel When Judi is diagnosed with stage IV cancer they both struggle to find the memory that will comfort the truth that will redeem in a world where everyone suffers some kind of love disorder John Dufresne called a highly readable Faulkner will once again take the literary world by storm with this new tragicomic tale *Diary of Samuel Pepys* Samuel Pepys,2022-11-13 The Diary of Samuel Pepys stands as a remarkable firsthand account documenting the daily life of 17th century England Written between 1660 and 1669 Pepys s diary is a unique blend of personal reflections social observations and historical events offering readers an intimate glimpse into the pleasures and tribulations of life during the Restoration period Pepys s candid and vivid prose captures the atmosphere of his time enriched by his keen insights into politics culture and the burgeoning scientific advancements of the era His detailed observations not only chronicle the Great Plague and the Great Fire of London but also encompass the trivialities and mundanities of everyday life making the diary a cornerstone of English literature and history Samuel Pepys a naval administrator and Member of Parliament was intricately connected to the political and social life of his time His background in working for the navy and his close ties to influential figures provided him with a unique vantage point from which to observe the sweeping changes of the 17th century Pepys began his diary during a time of personal and national upheaval which may have inspired him to meticulously document his experiences and thoughts highlighting a blend of personal ambition and public duty I recommend the Diary of Samuel Pepys to any reader interested in a rich tapestry of historical narrative personal introspection and the socio political dynamics of early modern England This essential work not only provides critical insights into a transformative period but also endears readers with its humor pathos and Pepper s relatable humanity
