Renewing Democracy Into The Millennium:

Renewing Democracy Into the Millennium Trevor Munroe, 1999

An Introduction to Politics Trevor Munroe, 2002

This introduction to politics is designed for first year students in social sciences and for the general reader interested in the basics of contemporary politics. The text's various sections and lecture summaries deal with the important areas of political science: different systems of democratic government, the fall of communism and post-communist politics, as well as issues in Caribbean politics such as globalization, constitutional reform and regional integration.

The Political Culture of Democracy in Jamaica, 2006 Ian Boxhill, 2007

Adult Suffrage and Political Administrations in Jamaica

1944-2002 Trevor Munroe, Arnold Bertram, 2006 Since 1944 the Jamaican people without ethnic or religious strife, civil war, military coup, one party dictatorship, assassination of political leaders, insurgency or genocide have voted out governments and voted in opposition parties in free and fair elections, a record in democratic governance equalled by only a handful of states worldwide. In this volume *Adult Suffrage and Political Administrations in Jamaica 1944-2002* Trevor Munroe and Arnold Bertram, both active participants in this process, document critical aspects of this record. Key features include the elections through which the consolidation of democracy occurred, the representatives, their gender, education, occupation, age, whom the people chose to form 13 successive governments and parliaments, the laws that the legislature passed and the institutions governments established in building a modern democratic state, advances and failures, political, economic, social and cultural of each administration, comparison of the performances of successive administrations and the critical challenges facing the Jamaican people and the new leaders. **BOOK JACKET**

Rethinking Democracy and Governance Donavon

Johnson, 2023-09-15 Democracy can be understood as a concept as well as a system of government associated with certain values including transparency, accountability, the protection of rights and non-oppressive government. This cutting edge new book explores the current contours of democracy and asks important questions such as: Does contemporary democracy mean the same thing that it did centuries ago? Are the longstanding assumptions about democracy and good governance sustainable in the face of digital transformation, paradigm shifts and the liberalization of knowledge? Is democracy still applicable in the way that it has been traditionally envisioned? Gathering together insights from academics and practitioners with expertise on democracy and governance in the Caribbean context, this book is designed to spark a conversation about the ways in which appetites for democracy may be shifting in the Caribbean and beyond, exploring the conditions that bring these shifts to bear. Section one focuses on conceptual pieces that investigate democracy and good governance, their definition and comparative analysis of how the conceptualization of democracy can shape outcomes in different governmental contexts. Section two explores the ways in which events, trends and technologies have impacted democratic or undemocratic values and attitudes. Section three examines shifts in democratic inclination in the 21st century. Together the chapters represent an overdue study of the foundational governmental system of our time in a region that has historically been overlooked. **Rethinking Democracy**

and Governance Perspectives from the Caribbean is required reading for students of governance public administration and public policy **International Election Observation in the Commonwealth Caribbean** Lisa Ann Vasciannie,2017-09-15 This book examines the practice of international election observation in a Caribbean context It presents a survey of the Commonwealth Caribbean perspective and a concise case study of Guyana between 1964 and 2015 This research traces the roots of election observation and how this practice became integrated into the landscape of Caribbean electoral politics More specifically the study examines the process by which election observers have become key actors in elections in the Commonwealth Caribbean One of the issues the book contemplates is why Caribbean countries accept the imposition of observation within the context of sovereignty The case of Guyana and other Anglophone Caribbean states shows the costs of not having observers have been multidimensional and have eclipsed concerns of respecting state sovereignty *Southern Postcolonialisms* Sumanyu Satpathy,2020-11-29 *Southern Postcolonialisms* is an anthology of critical essays on new literary representations from the Global South that seeks to re invent reorient the ideological disciplinary aesthetic and pedagogical thrust of Postcolonial Studies in accordance with the new and shifting politico economic realities transactions between the North and the South as well as within the Global South in an era of globalization Since the emergence of Postcolonial Theory in the 1980s the shape of the world has changed dramatically Old Cold War boundaries have shifted in the wake of the collapse of communism Globalization on an unprecedented scale has dramatically changed the meaning of time and space The rise of the US as a new imperial power has profound implications for the world order In the South new emerging markets have challenged the older division of industrial first world and non industrial third world In most parts of the world the academy is struggling to keep up with these developments One result has been a major transnational turn in the humanities and social sciences Terms like world history globalization glocalization and transnationalism now dominate academic agendas worldwide These changing circumstances raise far reaching questions What does the new emerging world order mean for established models of postcolonial theory Is postcolonialism as a field of study being overtaken by models of globalization and transnationalism What implications do the new configurations in the South have for postcolonial theory This volume drawn from a major literary conference at Delhi University provides a set of perspectives on these questions With a majority of contributions by scholars from the South these research articles have a dual focus they revisit older debates on postcolonial theory while suggesting new perspectives and directions **Understanding Crime in Jamaica** Anthony Harriott,2003 Examines the growing crime problem in Jamaica and explores the relationship between crime politics and the economy and analyses the impact of crime on tourism The articles collected here provide a comprehensive analysis of the causes consequences and control of crime and they point the way to solving Jamaica s escalating criminal activity An Ethical Turn in Governance Pearson A. Broome,2021-04-09 The recurring image throughout the developing world is one of the disintegration of civil order debilitating leaders into a crisis of governance Not a day goes by without extensive media

coverage of some form of corruption perceived or real concerning the lack of productivity and or increasing incidences of fraud and unethical behavior

An Ethical Turn in Governance

The Call for a New Development Narrative posits that the intensification of this crisis is compatible with the root cause of capitalist modernization with its rapid and disorientating changes To mitigate the accompanying effects a call is made for re conceptualization of the search for a solution through incorporating and strengthening the value of an ethical consciousness in our thinking and policies of governance The idea is an urgent possibility perhaps even a controversial and ambitious proposal for countries to begin imagining how it might be brought about and what it would look like The central aim and objective is to move toward a framework for continued theory development and empirical research thereby offering a new narrative on governance and by extension development

Recognizing that the inclusion of an ethical turn in governance is fraught with difficulty because of the different opinions the relativism of different value systems and options identified often derived from the perspectives of various stakeholders a call is made for an interactive discourse in the public sphere The argument advanced is that a body politic with sensible social values germane to the policy process is the best way in which human conduct is ordered guided and appraised in order to live together in well functioning societies critical for the success of any democracy

Brand Jamaica Hume Johnson, Kamille Gentles-Peart, 2019-12-01

Brand Jamaica is an empirical look at the postindependence national image and branding project of Jamaica within the context of nation branding practices at large Although a tiny Caribbean island inhabited by only 2.8 million people Jamaica commands a remarkably large presence on the world stage Formerly a colony of Britain and shaped by centuries of slavery violence and plunder today Jamaica owes its popular global standing to a massively successful troika of brands music sports and destination tourism At the same time extensive media attention focused on its internal political civil war mushrooming violent crime inflation unemployment poverty and abuse of human rights have led to perceptions of the country as unsafe *Brand Jamaica* explores the current practices of branding Jamaica particularly within the context of postcoloniality reconciles the lived realities of Jamaicans with the contemporary image of Jamaica projected to the world and deconstructs the current tourism model of sun sand and sea Hume Johnson and Kamille Gentles Peart bring together multidisciplinary perspectives that interrogate various aspects of Jamaican national identity and the dominant paradigm by which it has been shaped

The Political Economy of Drugs in the Caribbean I. Griffith, 2000-06-06

This volume does four things Firstly it examines the nexus between the illegal narcotics enterprise as a social phenomenon and political economy as a scholarly issue area Secondly it explores the regional and global contexts of the political economy of illegal narcotics operations in the Caribbean Thirdly it assesses some of the political economy connections and consequences of the enterprise in the region Finally it discusses some of the measures adopted to contend with the illegal drug challenge in the area

Caribbean Economies and Global Restructuring Marie-Claude Dorné, Keith Nurse, 2002-01-01

The papers in this volume address the challenges faced by small economies of the Caribbean by requirements to reduce tariff barriers the

demise of preferential market access to North America and Europe and the rapid decline in overseas development assistance

Caribbean Imperatives Kenneth O. Hall, Denis Benn, 2005 With the launch of the CARICOM Single Market and Economy and the Caribbean Court of Justice the Caribbean Community has taken major steps to promote closer and more intensive forms of economic cooperation among its constituent members This effort requires the adoption of innovative approaches to regional governance and creative regional development strategies aimed at maximizing the exercise of sovereignty within the Community and also optimizing the development possibilities of the region The 30th anniversary of the establishment of the Caribbean Community in 2003 marked an important milestone in the historical evolution of regional integration in the Caribbean Caribbean Imperatives focuses on several important topics relevant to the future of the community by addressing issues such as the conception of the Caribbean Community integration theory the exercise of sovereignty the Single Market and Economy production integration the external relations of the community and the importance of multilateralism for the viability of small states in the international system The analysis contained in the volume is extremely relevant to policy makers in the region in managing the transition to more intensive forms of regional integration aimed at improving the well being of the people of the Caribbean

Challenges to Civil Society , Critical Interventions in Caribbean Politics and Theory Brian Meeks, 2014-11-27 These essays by Brian Meeks a noted public intellectual in the Caribbean reflect on Caribbean politics particularly radical politics and ideologies in the postcolonial era But his essays also explain the peculiarities of the contemporary neo liberal period while searching for pathways beyond the current plight In the first chapters titled Theoretical Forays Meeks makes a conscious attempt to engage with contemporary Caribbean political thought at a moment of flux and search for a relevant theoretical language and style to both explicate the Caribbean s recent past and confront the difficult conditions of the early twenty first century The next part Caribbean Questions both retrospective and biographical retraces the author s own engagement with the University of the West Indies UWI the short lived but influential Caribbean Black Power movement the work of seminal Trinidadian thinker and activist Lloyd Best Cuba s relationship with Jamaica and the crisis and collapse of the Grenadian Revolution As evident in its title Jamaican Journeys the concluding section excerpts and extracts from a longer more sustained engagement with Jamaican politics and society Much of Meeks argument builds around the notion that Jamaica faces a crucial moment as the author seeks to chart and explain its convoluted political path and dismal economic performance over the past three decades Meeks remains surprisingly optimistic as he suggests that despite the emptying of sovereignty in the increasingly globalized world windows to enhanced human development might open through policies of greater democracy and popular inclusion

Political Corruption in the Caribbean Basin Michael W. Collier, 2013-10-14 Political corruption in the Caribbean Basin retards state economic growth and development undermines government legitimacy and threatens state security In spite of recent anti corruption efforts of intergovernmental and nongovernmental organizations IGO NGOs Caribbean political corruption problems appear to be

worsening in the post Cold War period This work discovers why IGO NGO efforts to arrest corruption are failing by investigating the domestic and international causes of political corruption in the Caribbean *Multidimensional Threats and Regional Responses to Caribbean Security* Wendy C. Grenade, 2024-12-20 *Multidimensional Threats and Regional Responses to Caribbean Security* assesses the prevalence and intensity of intersecting security threats such as transnational organized crime pandemics and climate change on the state of the Caribbean Community CARICOM The interplay of these various threats can adversely affect small island developing states SIDS This book aims to expose the fault lines in Western centric international relations which neglects non military issues non state actors and other security issues affecting SIDS This volume also explores the efficacy of security regionalism for SIDS where multiple actors cooperate across different levels and pool sovereignty resources and capabilities within legitimate institutional structures in order to prepare for prevent and collectively respond to severe security threats This book argues for a more inclusive global IR that considers the realities of the developing world and a reimagining of security regionalism among CARICOM SIDS *Sounds of the Citizens* Anne M. Galvin, 2014-06-30 Dancehall it s simultaneously a source of raucous energy in the streets of Kingston Jamaica a way of life for a group of professional artists and music professionals and a force of stability and tension within the community Electronically influenced relevant to urban Jamaicans and highly danceable dancehall music and culture forms a core of popular entertainment in the nation As Anne Galvin reveals in *Sounds of the Citizens* the rhythms of dancehall music reverberate in complicated ways throughout the lives of countless Jamaicans Galvin highlights the unique alliance between the dancehall industry and community development efforts As the central role of the state in supporting communities has diminished the rise of private efforts such as dancehall becomes all the more crucial The tension however between those involved in the industry and those within the neighborhoods is palpable and often dangerous Amidst all this individual Jamaicans interact with the dancehall industry and its culture to find their own paths of employment social identity and sexual mores As *Sounds of the Citizens* illustrates the world of entertainment in Jamaica is serious business and uniquely positioned as a powerful force within the community *New Caribbean Thought* Brian Meeks, Folke Lindahl, 2001 The dawn of the twenty first century is an opportune time for the people of the Caribbean to take stock of the entire experience of the past forty years since the ending of direct colonialism The authors believe it is now time to chart our future by carefully learning the lessons of the recent past This interdisciplinary collection is the first to cross traditionally restrictive disciplinary barriers to address the tough questions that face the Caribbean today What went wrong with the nationalist project What if any are the realistic options for a more prosperous Caribbean What are to be the roles of race gender and class in a more global less national world Meeks and Lindahl include thought provoking articles from twenty one respected thinkers in diverse fields of study The groundbreaking articles include critiques of existing bodies of thought reformulations of general theoretical approaches policy oriented alternatives for future development and more This book is a must for statesmen

academics and students of political theory social theory Caribbean studies comparative gender studies post colonial studies Marxism and Caribbean history and anyone interested **Defining the Caymanian Identity** Christopher A.

Williams, 2015-12-16 Defining the Caymanian Identity analyzes the factions and schisms surging throughout the multicultural multi ethnic and polarized Cayman Islands to identify who or what is considered a Caymanian In the modern world where Caymanian traditions have all but been eclipsed or forgotten often due to incoming overpowering cultural sensibilities it is a challenge to know where traditional Caymanian culture begins and modern Caymanian culture ends With this idea in mind Christopher A Williams investigates the pervasive effects of globalization multiculturalism economics and xenophobia on an authentic if dying indigenous Caymanian culture This book introduces and expounds the provocative solution that the continued prosperity of the Cayman Islands and their so called indigenous people may well depend on a synergistic moral link between Caymanianness and foreignness between Caymanianness and modernity

Renewing Democracy Into The Millennium Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Renewing Democracy Into The Millennium* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Renewing Democracy Into The Millennium* has opened up a world of possibilities. Downloading *Renewing Democracy Into The Millennium* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Renewing Democracy Into The Millennium* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Renewing Democracy Into The Millennium*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Renewing Democracy Into The Millennium*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Renewing Democracy Into The Millennium*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Renewing Democracy Into The Millennium* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Renewing Democracy Into The Millennium Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Renewing Democracy Into The Millennium is one of the best book in our library for free trial. We provide copy of Renewing Democracy Into The Millennium in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Renewing Democracy Into The Millennium. Where to download Renewing Democracy Into The Millennium online for free? Are you looking for Renewing Democracy Into The Millennium PDF? This is definitely going to save you time and cash in something you should think about.
