an untamed wilderness In fact it was a fully settled and populated land Chief Seattle was a powerful representative from this very ancient world Here historian David Buerge threads together disparate accounts of the time from the 1780s to the 1860s including native oral histories Hudson Bay Company records pioneer diaries French Catholic church records and historic newspaper reporting Chief Seattle had gained power and prominence on Puget Sound as a war leader but the arrival of American settlers caused him to reconsider his actions He came to embrace white settlement and following traditional native practice encouraged intermarriage between native people and the settlers offering his own daughter and granddaughters as brides in the hopes that both peoples would prosper Included in this account are the treaty signings that would remove the natives from their historic lands the roles of such figures as Governor Isaac Stevens Chiefs Leschi and Patkanim the Battle at Seattle that threatened the existence of the settlement and the controversial Chief Seattle speech that haunts to this day the city that bears his name
