Chains of Love and Beauty Carolyn Dever, 2025-01-28 Why a monumental diary by an aunt and niece who published poetry together as Michael Field and who were partners and lovers for decades is one of the great unknown works of late Victorian and early modernist literature Michael Field the renowned late Victorian poet was well known to be the pseudonym of Katharine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 Less well known is that for three decades the women privately maintained a romantic relationship and kept a double diary sharing the page as they shared a bed and eventually producing a 9 500 page twenty nine volume story of love life and art in the fin de si cle In *Chains of Love and Beauty* the first book about the diary Carolyn Dever makes the case for this work as a great unknown novel of the nineteenth century and as a bridge between George Eliot and Virginia Woolf Victorian marriage plot and modernist experimentation While Bradley and Cooper remained committed to publishing poetry under a single male pseudonym the diary which they entitled *Works and Days* and hoped would be published after their deaths allowed them to realize literary ambitions that were unfulfilled during their lifetime The women also used the diary which remains largely unpublished to negotiate their art desires and frustrations as well as their relationships with contemporary literary celebrities including Robert Browning Oscar Wilde William Butler Yeats and Walter Pater Showing for the first time why *Works and Days* is a great experimental work of late Victorian and early modernist writing one that sheds startling new light on gender sexuality and authorship Dever reveals how Bradley and Cooper wrote their shared life as art and their art as life on pages of intimacy that they wanted to share with the world

We are Michael Field Emma Donoghue, 2014-09-11 In this profile Emma Donoghue tells the story of two eccentric Victorian spinsters Katherine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 poets and lovers who wrote together under the name of Michael Field They wrote eleven volumes of poetry and thirty historical tragedies but perhaps their best work richest in emotional honesty and wit was the diary that the two women shared for a quarter of a century and these unpublished journals and letters form the basis for the groundbreaking *We are Michael Field* The Michaels lived in a contradictory world of inherited wealth and terrible illness silly nicknames and religious crises They preferred men to women and yet their greatest devotion was saved for their dog Snobbish arrogant eccentrics who faced bereavement and death with great courage the Michaels never lost their appetite for life or their passion for each other

Virginia Woolf John Henry Stape, 1995 The difficulty of a balanced viewpoint for some of her memoirists a demanding enough task at the best of times was compounded by the enthusiasm with which she sometimes donned a mask and by conversation whose notorious brilliance veered at moments towards the flamboyant the wildly inaccurate or the cruel

Jane Austen's Literary Manuscripts Brian Southam, 2006-04-15 Jane Austen s Literary Manuscripts remains the definitive account of the novelist s surviving papers These date from 1787 to 1817 from the first beginning to the very end of her writing career Their evidence considerably deepens our understanding of the imaginative process that stands behind the composition of the great novels In *Sanditon* the last work we see the promise of a further and startling development in her art The influence of her childhood reading and home life is considered in the first chapter and a further new chapter examines *Sir Charles Grandison* a work newly attributed to Jane Austen by Brian Southam in 1977 In an appendix Southam discusses Mrs Leavis s theory concerning the relationship between Jane Austen s life and art and between the juvenilia and the later novels
