Reply from Wilderness Island Peter Balakian,1988 **The Magical Pine Ring** Margaret Bedrosian,1991 Margaret Bedrosian's pioneering interdisciplinary study examines the continuing effect of Armenian history on Armenian American writing Using the work of ten Armenian American poets and fiction and non fiction writers she shows the continuing impact on Armenian Americans of cultural symbols myths and attitudes carried over from the Old World and explores the ways in which two cultures meet conflict and become integrated in the imagination Through analysis of writers actual or fictionalized experience *The Magical Pine Ring* provides an understanding of the Armenians specific concerns as Armenians and as immigrants the effect of their self awareness as Armenians on their adaptation to America the typical and stereotypical situations and personalities that emerged with time and the key values and beliefs that endured even as names were changed and assimilation blurred physical and social demeanor Bedrosian also explores the directions Armenian American writers have taken in portraying group history and the nature of their self discovery as Armenian Americans For the most part this literature is not a direct outgrowth of the mainstream of Armenian literature The relationship of the writer discussed here is one of spirit of ancestral sympathies burdens and responsibilities These writers register the pain of exile and alienation as they weave images of yearning and loss celebration and futuristic vision into their writing Through their crossroads identity in America these writers add to our understanding of the Armenian diaspora Modern Genocide Paul R. Bartrop,Steven Leonard Jacobs,2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events *Modern Genocide The Definitive Resource and Document Collection* spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future **The Burning Tigris** Peter Balakian,2023-11-21 A New York Times bestseller *The Burning Tigris* is a vivid and

Black Dog of Fate Peter Balakian, 2009-02-10 His visions are burning his poetry heartbreaking wrote Elie Wiesel of American poet Peter Balakian Now in elegant prose the prize winning poet who James Dickey called an extraordinary talent has written a compelling memoir about growing up American in a family that was haunted by a past too fraught with terror to be spoken of openly *Black Dog of Fate* is set in the affluent New Jersey suburbs where Balakian the firstborn son of his generation grew up in a close extended family At the center of what was a quintessential American baby boom childhood lay the dark specter of a trauma his forebears had experienced the Ottoman Turkish government's extermination of more than a million Armenians in 1915 the century's first genocide In a story that climaxes to powerful personal and moral revelations Balakian traces the complex process of discovering the facts of his people's history and the horrifying aftermath of the Turkish government's campaign to cover up one of the worst crimes ever committed against humanity In describing his awakening to the facts of history Balakian introduces us to a remarkable family of matriarchs and merchants physicians a bishop and his aunts two well known figures in the world of literature The unforgettable central figure of the story is Balakian's grandmother a survivor and widow of the Genocide who speaks in fragments of metaphor and myth as she cooks up Armenian delicacies plays the stock market and keeps track of the baseball stats of her beloved Yankees The book is infused with the intense and often comic collision between this family's ancient Near Eastern traditions and the American pop culture of the 50s and 60s Balakian moves with ease from childhood memory to history to his ancestors lives to the story of a poet's coming of age Written with power and grace *Black Dog of Fate* unfolds like a tapestry its tale of survival against enormous odds Through the eyes of a poet here is the arresting story of a family's journey from its haunted past to a new life in a new world
