Background Paper Prepared for the Africa Regional Workshop on Mainstreaming Urban Poverty Reduction in Sub-Saharan Africa K. Wekwete, 1999

The Palestinian Refugees J. Ginat, Edward Joseph Perkins, 2001 As violence escalates in the Middle East a peace agreement between Israel and Palestine seems more elusive than ever Yet one thing remains clear without

constructive dialogue such an agreement cannot occur This timely volume presents just such a dialogue It brings together opinions perspectives and research focused on one of the region s most complex and volatile problems the Palestinian refugee situation Based on a 1999 conference at the University of Oklahoma International Program Center Palestinian Refugees combines contributions from Israelis Palestinians Jordanians Egyptians Americans and Europeans In addition to focusing on the Palestinian refugees the essays present various proposals for solving the Palestinian problem Organized in two parts the volume presents both scholarly essays and position papers The scholarly essays place current issues in historical context and explore the Palestinian belief in the right of return and questions of appropriate compensation The position papers focus on policy and offer a variety of perspectives Concluding the volume is a special essay on public polls that gauge how Palestinians and Israelis view the circumstances of Palestinian refugees and what they feel about possible solutions

Breadline Europe Gordon, David,Townsend, Peter,2000-12-27 The governments of 117 countries agreed at the World Summit on Social Development to prepare annual national anti poverty plans Two measures in particular were recommended for absolute and overall poverty This book examines poverty in Europe within this agreed international framework

African Poverty at the Millennium Howard White,Tony Killick,Steve Kayizzi-Mugerwa,2001-01-01 This explores the complex nature of poverty in Africa It identifies its political and social causes and assesses the impact of recent economic growth on the welfare of poor people To permanently reduce poverty it calls for realistic home grown policy initiative governmental commitment a realignment of the donor community s role and the development of institutional structures such as poverty monitoring systems that can hold the governments accountable

Law and Society in Malaysia Andrew Harding,Dian A. H. Shah,2018-01-02 This book provides a systematic and interdisciplinary examination of law and legal institutions in Malaysia It examines legal issues from historical social and political perspectives and discusses the role of law in relation to Malaysian multiculturalism religion politics and society It shows how the Malaysian legal system is at the heart of debates about how to deal with the country s problems which include ethnic and religious divisions uneven and unsustainable development and political authoritarianism and it argues that the Malaysian legal system has much to teach other plural polities nations within the common law tradition and federal states

Food Aid and Human Security Edward Clay,Olav Schram Stokke,2013-01-11 Food aid is historically a major element of development aid to support longer term development and the primary response to help countries and peoples in crisis This examination of food aid focuses in particular on institutional questions

The Unfinished Transition to Democracy in Latin America ,

The World Bank's Experience with Post-conflict Reconstruction ,1998-01-01 Clearing landmines rehabilitating and integrating of excombatants rebuilding the infrastructure coordinating aid sources these are just some of the issues confronting the Bank in post conflict reconstruction The explosion of civil conflicts in the post Cold War world has tested the World Bank s ability to address

unprecedented devastation of human and social capital This study covers post conflict reconstruction in nine countries assessing relevant recent Bank experience It also presents case studies for ongoing and future operations which analyze 1 the Bank's main strengths or comparative advantages 2 its partnership with other donors international organizations and NGOs 3 its role in reconstruction strategy and damage and needs assessment 4 its role in rebuilding the economy and institutions of governance 5 its management of resources and processes 6 implications for monitoring and evaluation

East Asia and the Global Crisis Shaun Breslin, 2013-09-13 This book traces the impact of the global financial crisis on East Asia and the way that key regional states responded to the crisis It considers the extent to which the region is decoupling from the global economy or the West the impact of crises on the definition of region and the effectiveness and functioning of regional institutions and governance mechanisms including environmental governance A key focus of the book is the increasing legitimacy of statist alternatives to neo liberal development strategies and modes of governance or perhaps more correctly the extent to which the legitimacy of western norms and practices have been delegitimized by the crisis This book was originally published as a special issue of Contemporary Politics *Corruption and Development* Mark

Robinson, 2012-11-12 The problem of corruption is of central significance for the developmental prospects of poor countries Corruption undermines development by siphoning off resources for infrastructures and public services and by weakening the legitimacy of the state The volume will appeal to academics and policy makers concerned with problems of governance and public management in developing countries as well as specialists working on corruption and designing anti corruption strategies

Diseases of Globalization Christine McMurray, Roy Smith, 2013-10-11 The emergence of a global economy has led to the erosion of local autonomy and national sovereignty with an associated emphasis on the spread of liberal free market economics A clear divide is appearing between those benefiting from and those disadvantaged by this process Among the most important consequences are changes in the patterns of health and the prevalence of disease While infant mortality is declining in most countries and many formerly prevalent diseases are being successfully tackled the move from subsistence to cash economies brings with it changes in diet alcohol consumption and high levels of smoking with the result that non communicable lifestyle illnesses such as heart disease and diabetes are spreading rapidly Similarly growing divisions of wealth add to the problem bringing diseases relating to poverty and malnourishment as well as those caused by affluence and over consumption Issues covered in this book include equitable and sustainable modernization the determinants of health the process of marginalization and survival strategies on the periphery The authors draw on primary case study material largely from societies in the Pacific region undergoing modernization to provide invaluable information for tracking and assessing the full impacts of these changes **Africa's World War** Gerard Prunier, 2008-12-31 The

Rwandan genocide sparked a horrific bloodbath that swept across sub Saharan Africa ultimately leading to the deaths of some four million people In this extraordinary history of the recent wars in Central Africa Gerard Prunier offers a gripping

account of how one grisly episode laid the groundwork for a sweeping and disastrous upheaval Prunier vividly describes the grisly aftermath of the Rwandan genocide when some two million refugees a third of Rwanda's population fled to exile in Zaire in 1996 The new Rwandan regime then crossed into Zaire and attacked the refugees slaughtering upwards of 400 000 people The Rwandan forces then turned on Zaire's despotic President Mobutu and with the help of a number of allied African countries overthrew him But as Prunier shows the collapse of the Mobutu regime and the ascension of the corrupt and erratic Laurent D sir Kabila created a power vacuum that drew Rwanda Uganda Angola Zimbabwe Sudan and other African nations into an extended and chaotic war The heart of the book documents how the whole core of the African continent became engulfed in an intractable and bloody conflict after 1998 a devastating war that only wound down following the assassination of Kabila in 2001 Prunier not only captures all this in his riveting narrative but he also indicts the international community for its utter lack of interest in what was then the largest conflict in the world Praise for the hardcover The most ambitious of several remarkable new books that reexamine the extraordinary tragedy of Congo and Central Africa since the Rwandan genocide of 1994 New York Review of Books One of the first books to lay bare the complex dynamic between Rwanda and Congo that has been driving this disaster Jeffrey Gettleman New York Times Book Review Lucid meticulously researched and incisive Prunier's will likely become the standard account of this under reported tragedy Publishers Weekly

AAAS Atlas of Population & Environment Paul Harrison, Fred Pearce, 2000 Review This volume discusses and illustrates the effects of the world's population on natural resources land use atmosphere chemicals wastes ecosystems and biodiversity It is filled with high quality maps charts and informative illustrations Outstanding Reference Sources American Libraries May 2002 Grain Transportation Report , 1998
