

What is an information report?

An information report is a factual text. This means that it gives us facts or real information about the topic being researched (looked into).

Tick the sentence that gives us a fact.

- ☐ Each year, about a thousand tornadoes hit the United States.
- ☐ I think Tornadoes are extremely dangerous.

In your own words, describe a factual text.

An information report is a great way to gain information about a living / non-living thing. An information report gives the following information:

- Uses facts to give details about a topic.
 - Gives more details about a topic.
- Never contains any personal opinions/views.
- The report is normally in written form, but it can also be presented orally.
