 concentrates on tracing the evolution of the so called red menace phenomenon as a means of demonstrating the correlation
 between growing American paranoia and the success of the anticommunist campaign 1935 1955 The House Committee on
 Un American Activities 1947 investigation of Hollywood the nation s most visible industry served a critical role in conjuring
 up anti red hysteria and fanning the flames of virulent anticommunism Using conveniently unjust tactics the Committee
 painted targeted Hollywood personalities red and established the infamous blacklist certified proof in the minds of many that
 subversives were indeed conspiring from within A failed attempt on behalf of the Hollywood Ten to demonstrate the
 Committee s undemocratic nature allowed HUAC to forge ahead with its investigation and establish the anticommunist
 foundation upon which Joseph McCarthy would construct his campaign Hollywood and Anticommunism stands as an
 important contribution to McCarthy era literature and should appeal to all interested in the early Cold War and the impact
 that unwarranted hysteria has had and continues to have on the growth and development of the nation *Report of the*
