*Investigative Journalism in China* David Bandurski, Martin Hala, 2010-06-01 Despite persistent pressure from state censors and other tools of political control investigative journalism has flourished in China over the last decade This volume offers a comprehensive first hand look at investigative journalism in China including insider accounts from reporters behind some of China's top stories in recent years While many outsiders hold on to the stereotype of Chinese journalists as docile subservient Party hacks a number of brave Chinese reporters have exposed corruption and official misconduct with striking ingenuity and often at considerable personal sacrifice Subjects have included officials pilfering state funds directors of public charities pocketing private donations businesses fleecing unsuspecting consumers even the misdeeds of journalists themselves These case studies address critical issues of commercialization of the media the development of ethical journalism practices the rising specter of news blackmail negotiating China's mystifying bureaucracy the dangers of libel suits and how political pressures impact different stories During fellowships at the Journalism Media Studies Centre of the University of Hong Kong these narratives and other background materials were fact checked and edited by JMSC staff to address critical issues related to the media transitions currently under way in the PRC This engaging narrative gives readers a vivid sense of how journalism is practiced in China David Bandurski is a scholar at the University of Hong Kong's China Media Project a research and fellowship initiative of the Journalism Media Studies Centre Martin Hala has taught journalism at the Universities in Prague and Bratislava

*America's Environmental Report Card, second edition* Harvey Blatt, 2011-02-25 An accessible overview of the most important environmental issues facing the United States with new and updated material Americans are concerned about the state of the environment and yet polls show that many have lost faith in both scientists and politicians ability to solve environmental problems In *America's Environmental Report Card* Harvey Blatt sorts through the deluge of conflicting information about the environment and offers an accessible overview of the environmental issues that are most important to Americans today Blatt has thoroughly updated this second edition revising and adding new material He looks at water supplies and new concerns about water purity the dangers of floods increased by widespread logging and abetted by glacial melting infrastructure problems in a new chapter devoted entirely to this subject the leaching of garbage buried in landfills soil contaminated crops and organic food fossil fuels alternative energy sources in another new chapter controversies over nuclear energy the increasing pace of climate change and air pollution Along the way he outlines ways to deal with these problems workable and reasonable solutions that map the course to a sustainable future America can lead the way to a better environment Blatt argues We are the richest nation in the world and we can afford it in fact we can't afford not to

*Corporate Social Responsibility Reporting in China* Jieqi Guan, Carlos Noronha, 2017-10-25 In recent years Corporate Social Responsibility CSR reporting in China has been experiencing a rapid development and the number of social reports issued by Chinese enterprises shows a sharp increasing trend This book

investigates the evolution of such reporting practice in the country and the reasons behind it In addition it also examines the reporting quantity and quality of Chinese enterprises by applying the GRI Global Reporting Initiative as an evaluation tool In response to policy documents so as to obtain the government's recognition and to strive for more resources state owned enterprises private enterprises and foreign invested companies have made substantial efforts in social reporting in terms of quantity and coverage However it appears that there is still room for enhancing the quality of disclosure The book also highlights the central government's economic political and social roles in promoting encouraging and controlling the development of CSR reporting

Report to Congress of the U.S.-China Economic and Security Review Commission  
U.S.-China Economic and Security Review Commission,2013      Documentary annex, report to Congress of the U.S.-China Security Review Commission U.S.-China Security Review Commission,2002      **Millard's Review of the Far East** ,1928 Vol 34 includes Special tariff conference issue Nov 6 1925      **International Handbook of Children, Media and Culture** Kirsten Drotner,Sonia Livingstone,2008-02-19 This essential volume brings together the work of internationally renowned researchers each experts in their field in order to capture the diversity of children and young people's media cultures around the world Why are the media such a crucial part of children's daily lives Are they becoming more important more influential and in what ways Or does a historical perspective reveal how past media have long framed children's cultural horizons or perhaps how families however constituted have long shaped the ways children relate to media In addressing such questions the contributors present detailed empirical cases to uncover how children weave together diverse forms and technologies to create a rich symbolic tapestry which in turn shapes their social relationships At the same time many concerns even public panics arise regarding children's engagement with media leading the contributors also to inquire into the risky or problematic aspects of today's highly mediated world Deliberately selected to represent as many parts of the globe as possible and with a commitment to recognizing both the similarities and differences in children and young people's lives from China to Denmark from Canada to India from Japan to Iceland from the authors offer a rich contextualization of children's engagement with their particular media and communication environment while also pursuing cross cutting themes in terms of comparative and global trends Each chapter provides a clear orientation for new readers to the main debates and core issues addressed combined with a depth of analysis and argumentation to stimulate the thinking of advanced students and established scholars Since children and young people are a focus of study across different disciplines the volume is thoroughly multi disciplinary Yet since children and young people are all too easily neglected by these same disciplines this volume hopes to accord their interests and concerns they surely merit

*The China Weekly Review* ,1928      **Journalism and Communication in China and the West** Bing Tong,2020-11-21 This book sheds new light on the study of journalism and communication considering why and how journalism is studied in the 21st century It notably offers both an international and interdisciplinary comparison of journalism and communication examining the history of Chinese and Western journalism

and addressing the similarities and differences between them Focusing on the education and training of future journalists it also provides a comprehensive study of news coverage systems in China and in Western countries including the processing of news sources attitudes towards news communication and comparative communication scholarship Researchers of media and journalism will find this a key read as well as practicing journalists and students of journalism **Resources in Education**

,1995-10 **Social Networks in China** Xianhui Che,Barry Ip,2017-09-29 Social Networks in China provides an in depth guide to Chinese social networks covering behaviors usage key issues and future developments Chinese scholarship and cultural idiosyncrasies in technology remain a relatively under researched area While such issues may be sporadically reported in popular media it is often difficult to obtain a true understanding of authentic Chinese behaviors and practices One such study area delves into whether Chinese users utilize technology to socialize in the same ways as people from western societies As no book currently exists to address issues concerning Chinese social networks this book takes on that shortage and opportunity Offers an exploration of Chinese social networks and Chinese online social behavior Addresses issues concerning Chinese social networks and their development Presented by authors with extensive experience working in China *Law, Policy, and Practice on China's Periphery* Pitman B. Potter,2010-09-13 This book is a comprehensive study of

China s legal and political governance of the ethnic regions of China especially Inner Mongolia Tibet and Xinjiang and analyses its implication for Hong Kong and Taiwan **Census Reports Tenth Census: The newspaper and periodical press** United States. Census Office,1884 Religious Violence Today Michael Jerryson,2020-07-15 Through sections containing overview essays and reference entries related to particular religions this resource explores the rise of religious violence hate crime and persecution around the world Religious violence and persecution have been growing steadily both within the United States and around the world Drawing on the expertise of a wide range of scholars this current and comprehensive reference helps readers understand the persecution of members of particular faiths as well as violence committed by members of those faiths In doing so it promotes a greater understanding of the role of religion in global politics domestic and international terrorism and religious bigotry The book contains sections on particular religious traditions from around the world Each section begins with an overview essay surveying violence related to that particular religion whether committed by or against members of that faith Reference entries in each section then provide objective fundamental information about particular topics related to violence and the religion discussed The entries provide cross references and suggestions for further reading and the work closes with a bibliography of resources for further study *China and the United Nations* Janka Oertel,2015-03-26 This comprehensive and innovative book examines and explains the development of the relationship between China and the United Nations in the first decade of the twenty first century Using historical research and contemporary case studies the book stresses the importance of domestic determinants of UN policy and concludes that the chances for international actors to significantly influence Chinese UN policy making remain very limited

*A Resurgent China* S. D. Muni, Tan Tai Yong, 2013-11-12 Bringing together a range of South Asian perspectives on rising China in a comparative framework an attempt has been made for the first time to identify and examine the political economic and socio cultural stakeholders and constituencies that influence the respective policy of individual South Asian countries towards China The essays also project how their mutual relations are likely to be shaped by these The book is especially relevant today owing to China s growing weight in Asian and global affairs      **Analyzing Gender, Intersectionality, and Multiple Inequalities** Esther Ngan-Ling Chow, Marcia Texler Segal, Tan Lin, 2011-06-09 Includes papers presented at the conference Gender and Social Transformation Global Transnational and Local Realities and Perspectives Beijing China in 2009 This title addresses topics such as divisions of labor migration war and peace building      *The China Collectors* Karl E. Meyer, Shareen Blair Brysac, 2025-06-25 Thanks to Salem sea captains Gilded Age millionaires curators on horseback and missionaries gone native North American museums now possess the greatest collections of Chinese art outside of East Asia itself How did it happen *The China Collectors* is the first full account of a century long treasure hunt in China from the Opium Wars and the Boxer Rebellion to Mao Zedong s 1949 ascent The principal gatherers are mostly little known and defy invention They included foreign devils who braved desert sandstorms bandits and local warlords in acquiring significant works Adventurous curators like Langdon Warner a forebear of Indiana Jones argued that the caves of Dunhuang were already threatened by vandals thereby justifying the removal of frescoes and sculptures Other Americans include George Kates an alumnus of Harvard Oxford and Hollywood who fell in love with Ming furniture The Chinese were divided between dealers who profited from the artworks removal and scholars who sought to protect their country s patrimony Duanfang the greatest Chinese collector of his era was beheaded in a coup and his splendid bronzes now adorn major museums Others in this rich tapestry include Charles Lang Freer an enlightened Detroit entrepreneur two generations of Rockefellers and Avery Brundage the imperious Olympian and Arthur Sackler the grand acquirer No less important are two museum directors Cleveland s Sherman Lee and Kansas City s Laurence Sickman who challenged the East Coast s hegemony Shareen Blair Brysac and Karl E Meyer even handedly consider whether ancient treasures were looted or salvaged and whether it was morally acceptable to spirit hitherto inaccessible objects westward where they could be studied and preserved by trained museum personnel And how should the US and Canada and their museums respond now that China has the means and will to reclaim its missing patrimony      *The Call to West and East* Church of England. Missionary Council, 1928      *Japanese War Crimes and Related Topics: A Guide to Records at the National Archives* United States. National Archives and Records Administration, 200? This finding aid will help researchers interested in Japanese war crimes war criminals and war crimes trials to navigate the vast holdings of the U S National Archives and Records Administration at College Park NARA It will also be useful to anyone interested in military intelligence political diplomatic economic financial social and cultural activities in the Far East during 1931 1951 as well as to those searching for information regarding Allied prisoners of war the

organization functions and activities of American and Allied agencies and the Japanese occupation of countries and the American occupation of Japan While not aimed at researchers interested in the strategic and tactical military and naval history of the war in the Far East this finding aid may nevertheless be useful to those with such interests if only to identify record groups and series of records that may bear on those topics This finding aid covers records from over twenty record groups and includes materials declassified under the Japanese Imperial Government Disclosure Act of 2000 P L 106 567 as well as records that were never classified and those declassified before the passage of the Disclosure Act Because the process of identifying declassifying accessioning and processing of records under the Act is taking place as this finding is being compiled late arriving records may not be identified in this finding aid Researchers should consult the IWG Web site <http://www.archives.gov/iwg> for a complete and up to date list of records declassified under the Japanese Imperial Government Disclosure Act Federal agencies involved in the identification and declassification of relevant classified records ascertained that there were relatively few pertinent records that were still classified Most relevant records were either never classified or were declassified decades before the Act and were already in NARA s custody While this finding aid s coverage is broad it is not comprehensive Researchers may find other relevant series of records within the record groups mentioned or not mentioned Researchers are encouraged to use other finding aids and consult with NARA staff to locate records of interest In addition the National Archives at College Park holds nontextual records such as still photographs and motion pictures that researchers may want to examine Other NARA facilities hold many records and donated material related to World War II including records related to the subjects covered in this finding aid This is particularly true of the Franklin D Roosevelt the Harry S Truman and the Dwight D Eisenhower archives Think of archives as vast mountain ranges of records with the archivists guiding the expeditions Explorations on familiar well trodden paths produce new perspectives when examined with fresh eyes and imagination
