Etulain, 2021-07-08 In a career in public office spanning five decades Mark Odom Hatfield 1922 2011 never lost an election First elected to the Oregon House of Representatives in 1950 he retired from political office in 1997 after serving as Oregon state senator secretary of state and governor and as United States senator for five terms He was arguably the state's most important politician but his brand of liberal to moderate Republicanism has long since vanished from the political stage Mark O Hatfield Oregon Statesman tells Hatfield's story as an Oregonian a politician and a man of practical vision deep convictions and far reaching consequence in the civic life of the state and the nation A lifelong evangelical Christian and Republican per his mother's fondest wishes and politically inclined from a young age Hatfield came to office after studying and teaching political science and observing firsthand the ravages of war in the Pacific and the cruelty of segregation at home Historian Richard W Etulain portrays Hatfield as an energetic young Republican legislator in a state becoming increasingly Democratic He pushed civil rights legislation supported laborers as well as business interests and struck a balance that would align him with moderates even as the party's conservative wing became ascendant Elected in 1958 as Oregon's youngest ever governor Hatfield went on to become the first in the twentieth century to hold that office for two terms using his tenure to streamline the state's executive branch and promote Oregon as a prime destination for business and tourism efforts that quickly earned him a place on the national stage Etulain focuses on Hatfield as a force in Oregon state politics but also examines his long tenure as a U S senator garnering attention early for his stance against the Vietnam War and later for his antinuclear position The private life the public figure the man of faith and family of an older West and the new this biography while compact captures Mark Hatfield in full as a major western politician of the twentieth century Representative American Speeches, 1978-1979 Waldo Warder Braden, 1979 **Voices of Multicultural America** Deborah Gillan Straub, 1996 Contains primary source material

Select Committee on Intelligence, 1980 **Blind Spot** Khaled Elgindy, 2019-04-02 A critical examination of the history of US Palestinian relations The United States has invested billions of dollars and countless diplomatic hours in the pursuit of Israeli Palestinian peace and a two state solution Yet American attempts to broker an end to the conflict have repeatedly come up short At the center of these failures lay two critical factors Israeli power and Palestinian politics While both Israelis and Palestinians undoubtedly share much of the blame one also cannot escape the role of the United States as the sole mediator in the process in these repeated failures American peacemaking efforts ultimately ran aground as a result of Washington s unwillingness to confront Israel s ever deepening occupation or to come to grips with the realities of internal Palestinian politics In particular the book looks at the interplay between the U S led peace process and internal Palestinian politics namely how a badly flawed peace process helped to weaken Palestinian leaders and institutions and how an increasingly dysfunctional Palestinian leadership in turn hindered prospects for a diplomatic resolution Thus while the peace process was not necessarily doomed to fail Washington s management of the process with its built in blind spot to Israeli power and Palestinian politics made failure far more likely than a negotiated breakthrough Shaped by the pressures of American domestic politics and the special relationship with Israel Washington s distinctive blind spot to Israeli power and Palestinian politics has deep historical roots dating back to the 1917 Balfour Declaration and the British Mandate The size of the blind spot has varied over the years and from one administration to another but it is always present *Protesting Affirmative Action* Dennis Deslippe, 2012-03-01 A lightning rod for liberal and conservative opposition alike affirmative action has proved one of the more divisive issues in the United States over the past five decades Dennis Deslippe here offers a thoughtful study of early opposition to the nation s race and gender sensitive hiring and promotion programs in higher education and the workplace This story begins more than fifteen years before the 1978 landmark U S Supreme Court case Regents of the University of California v Bakke Partisans attacked affirmative action almost immediately after it first appeared in the 1960s Liberals in the opposition movement played an especially significant role While not completely against the initiative liberal opponents strove for soft affirmative action recruitment financial aid remedial programs and against hard affirmative action numerical goals quotas In the process of balancing ideals of race and gender equality with competing notions of colorblindness and meritocracy they even borrowed the language of the civil rights era to make far reaching claims about equality justice and citizenship in their anti affirmative action rhetoric Deslippe traces this conflict through compelling case studies of real people and real jobs He asks what the introduction of affirmative action meant to the careers and livelihoods of Seattle steelworkers New York asbestos handlers St Louis firemen Detroit policemen City University of New York academics and admissions counselors at the University of Washington Law School Through their experiences Deslippe

examines the diverse reactions to affirmative action concluding that workers had legitimate grievances against its hiring and promotion practices In studying this phenomenon Deslippe deepens our understanding of American democracy and neoconservatism in the late twentieth century and shows how the liberals often contradictory positions of the 1960s and 1970s reflect the conflicted views about affirmative action many Americans still hold today 1976 *Chacahoula* ,
