Middle Eastern Minorities and Diasporas Moshe Ma'oz,Gabriel Sheffer,2002-01-01 The Arab countries have been projected as homogeneous and united social and political entities Yet beneath the surface ethnic tensions and conflicts simmer This book looks at the factors forces and circumstances that affect relations in the region and point towards strategies that promote or hinder coexistence and integration or antagonism      Civilization and the Making of the State in Lebanon and Syria Andrew Delatolla,2021-02-01 This book argues that the modern state from the nineteenth century to the contemporary period has consistently been used as a means to measure civilizational engagement and attainment This volume historicizes this dynamic examining how it impacted state making in Lebanon and Syria By putting social political and economic pressure on the Ottoman Empire to replicate the modern state in Europe the book examines processes of racialization nationalist development continued imperial expansion and resistance that became embedded in the state as it was assembled By historicizing post imperial and post colonial state formation in Lebanon and Syria it is possible to engage in a conceptual separation from the modern state abandoning the ongoing reproduction of the state as a standard or benchmark of civilization and progress      Negotiating Arab-Israeli Peace Laura Zittrain Eisenberg,Neil Caplan,1998-02-22 In an innovative study two historians of the Arab Israeli conflict reflect on what their craft can contribute to peacemaking Middle East Quarterly A fine overview of the troubled Arab Israeli negotiations since Camp David filled with sound analysis and a wealth of documentary material Students and diplomats alike will benefit from this thoughtful study William B Quandt Byrd Professor of Government and Foreign Affairs University of Virginia This timely book will be invaluable for students of Middle East international relations and for policy makers who seek a mutually acceptable resolution of this protracted conflict Michael Brecher McGill University No matter where one stands on the issues this valuable work commends itself to students peace makers and anyone concerned about the Arab Israeli conflict and its peaceful resolution Philip Mattar Institute for Palestine Studies Eisenberg and Caplan offer the reader lessons of the past and sound guidance for the present and the future a well researched and well written book Itamar Rabinovich Tel Aviv University What must change before the Arab Israeli conflict is resolved diplomatically By illuminating recurring factors that seem to doom peacemaking Negotiating Arab Israeli Peace offers a fresh interpretation of how when and why the process does and does not work and points to

diplomatic strategies that may produce an enduring peace      **State Expansion and Conflict** Oren Barak, 2017-09-28 A detailed comparison of Lebanon and Israel Palestine two expanded states which have experienced conflict and stability domestically and in their mutual relations      **The Long Peace** Engin Akarli, 1993-07-16 Long notorious as one of the most turbulent areas of the world Lebanon nevertheless experienced an interlude of peace between its civil war of 1860 and the beginning of the French Mandate in 1920 Engin Akarli examines the sociopolitical changes resulting from the negotiations and shifting alliances characteristic of these crucial years Using previously unexamined documents in Ottoman archives Akarli challenges the prevailing view that attributes modernization in government to Western initiative while blaming stagnation on reactionary local forces Instead he argues indigenous Lebanese experience in self rule as well as reconciliation among different religious groups after 1860 laid the foundation for secular democracy European intervention in Lebanese politics however hampered efforts to develop a correspondingly secular notion of Lebanese nationality As ethnic and religious strife increases throughout much of eastern Europe and the Middle East the Lebanese example has obvious relevance for our own time      **My Enemy's Enemy** Laura Zittrain Eisenberg, 1994 My Enemy's Enemy is the first comprehensive study of prestate Zionist policy toward Lebanon Laura Zittrain Eisenberg identifies early Zionist perceptions about Lebanon considers efforts to construct a lucid Zionist policy toward that country and characterizes the nature and course of Zionist Lebanese relations prior to 1948      **Beirut, Imagining the City** Ghenwa Hayek, 2014-10-29 Beirut is the cultural commercial and economic hub of Lebanon But to what extent has the city affected and shaped the formation and perceptions of Lebanese national identity Ghenwa Hayek here explores how anxieties over the past present and future of Beirut have been articulated through a sense of dislocation present in Lebanese writing since the 1960s Drawing on theories of cultural studies geography and history the author uses an interdisciplinary framework to explore the role that spaces from rural to urban have played and continue to play in the defining and re defining of national identity in the seventy years since the creation of the Lebanese nation state This theoretical perspective coupled with a close reading of little explored contemporary writings lead Hayek to question the predominant assumption that Lebanese novelists only became engaged in discourses about place identity and individual and social belonging with the start of the fifteen year civil war and the destruction of Beirut's city centre Instead the book shows that particular geographical imaginaries have been mobilized to describe question and debate Lebanese identity since the 1960s and that some go back even further into the late nineteenth century This re reading calls for a re evaluation of some of the most predominant assumptions about Lebanon and the processes of Lebanese identity formation across the country's modern history Examining a wide range of modern and contemporary literature Hayek charts the rise to cultural prominence of the city of Beirut as a significant player in shaping perceptions of Lebanese culture and identity      **Asad of Syria** Patrick Seale, 1989 For more than twenty years the ruler of Syria Hafiz al Asad has been at the heart of the power struggle in the Middle East Patrick Seale's portrait of the leader shows

a man driven by his personal vision for Syria and the Arab world      **The Statesman's Year-Book Historical Companion**

John Paxton, 1988-09-19 The Statesman's Year Book Historical Companion is a companion to The Statesman's Year Book to celebrate 125 years of annual publication giving histories of countries provinces and states from the 19th century and also acting as a name change gazetteer      **Historical Dictionary of the Druzes** Samy Swayd, 2015-03-10 One of the most

intriguing minority groups in the Middle East is now a thousand years old It emerged in the city of Cairo spread to what is today Lebanon Syria and Israel and subsequently became known by outsiders as Druze in Arabic Durooz meaning Druzes Druzes have played a major role in the history of the Middle East and often been misunderstood by neighbors and outsiders because of their esoteric religious doctrine the secretive nature that such a doctrine has instilled in them and the variety of perspectives or divisions prevalent among members of the community This second edition of Historical Dictionary of the Druzes covers their history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Druzes      *Under Siege* Rashid Khalidi, 2014-01-04 Under Siege is Rashid Khalidi's firsthand account of the 1982

Lebanon War and the complex negotiations for the evacuation of the P L O from Beirut Utilizing unconventional sources and interviews with key officials and diplomats Khalidi paints a detailed portrait of the siege and ensuing massacres providing insight into the military pressure experienced by the P L O the war's impact on Palestinian and Lebanese civilians and diplomatic efforts by the United States A new preface by Khalidi considers developments across the Middle East in the thirty years since the conflict The preface also cites recently declassified Israeli documents to offer surprising new revelations about the roles and responsibilities of both Israeli leaders and American diplomats in the tragic coda to the war the Sabra and Shatila massacres      *Power Sharing in Lebanon* Eduardo Wassim Aboultaif, 2019-01-15 This book studies the origins and evolution of power sharing in Lebanon The author has established a relationship between mobilization ethnurgy ethnic identification memory and trauma and how they impact power sharing provisions The book starts with the events in the 1820s when communities began to politicize their identities and which led to the first major outbreak of civil violence between the Druze and the Maronites Consequently these troubled four decades in Lebanon led to the introduction of various forms of power sharing arrangements to establish peace The political systems introduced in Lebanon are the Kaim Makamiya dual sub governorship a quasi federal arrangement the Mutassarifiya the prototype of a power sharing system the post independence political system of Lebanon which the book refers to as semi consociation due to the concentration of executive powers in the Presidential office and finally the full consociation of the Taif Republic In each of these phases there was a peculiar interaction between the non structural elements that had a direct impact on power sharing this led at times to instability and at other times it brought down the system as in 1840 1860 and 1975 Power Sharing in Lebanon is the first

academic work that emphasizes the influence of the non structural elements that hinder power sharing This volume is now a key resource for students and academics interested in Lebanese Politics and the Middle East      **International Handbook of Human Rights** Jack Donnelley, Rhoda E. Howard-Hassmann, 1987-11-06 This collection of essays on the current human rights climate in 19 countries includes Canada Chile China Cuba Israel Poland the USA and USSR and represents a variety of regimes cultural traditions and geographical areas For analysis of the facts this volume excels A well crafted introduction describes current debate about human rights theory and practice traces the development of human rights instruments and discusses problems of implementation Strongly recommended Library Journal The bulk of the scholarly literature on human rights deals with international law and politics In contrast this volume offers nineteen case studies of national human rights practices Although international factors cannot be ignored most human rights violations are perpetrated by states against their own citizens the principal causes of the respect for and violation of human rights lie in national social and political structures
