Slavery and Freedom in Texas Jason A. Gillmer,2017 In these absorbing accounts of five court cases Jason A Gillmer offers intimate glimpses into Texas society in the time of slavery Each story unfolds along boundaries between men and women slave and free black and white rich and poor old and young as rigid social orders are upset in ways that drive people into the courtroom One case involves a settler in a rural county along the Colorado River his thirty year relationship with an enslaved woman and the claims of their children as heirs A case in East Texas arose after an owner refused to pay an overseer who had shot one of her slaves Another case details how a free family of color carved out a life in the sparsely populated marshland of Southeast Texas only to lose it all as waves of new settlers civilized the county An enslaved woman in Galveston who was set free in her owner s will and who got an uncommon level of support from her attorneys is the subject of another case In a Central Texas community as another case recounts citizens forced a Choctaw native into court in an effort to gain freedom for his slave a woman who easily passed as white The cases considered here include Gaines v Thomas Clark v Honey Brady v Price and Webster v Heard All of them pitted communal attitudes and values against the exigencies of daily life in an often harsh place Here are real people in their own words as gathered from trial records various legal documents and many other sources People of many colors from diverse backgrounds weave their way in and out of the narratives We come to know what mattered most to them and where those personal concerns stood before the law

My Bones are Red Patricia Waak,2005 What started out as a quest to find the mother of her beloved grandfather became for Patricia Waak a revelation about the diversity of her family It became in fact a spiritual journey as she visited cemeteries courthouses and archives from Accomack County Virginia to Goliad Texas Filled with transcriptions of old court cases accounts from oral history and the results of countless hours of research she also invites us to participate in her own discovery through original poetry which introduces each chapter Included are photographs genealogical charts maps and copies of old documents Jacket

BOOK JACKET *Mier Expedition Diary* Joseph D. McCutchan, 2014-03-01 Few episodes in Texas history have excited more popular interest than the Mier Expedition of 1842 Nineteen year old Joseph D McCutchan was among the 300 Texans who without the cover of the Lone Star flag launched their own disastrous invasion across the Rio Grande McCutchan s diary provides a vivid account of his experience the Texans quick dispatch by Mexican troops at the town of Mier the hardships of a forced march to Mexico City over twenty months of imprisonment and the journey back home after release Although there are other firsthand accounts of the Mier Expedition McCutchan was the only diarist who followed the Tampico route to Mexico City His account documents a different experience than that of the main body of prisoners who marched to the national capital by way of Monterrey Saltillo and Agua Nueva Among the last of the prisoners to be freed McCutchan covers in his journal the whole period of confinement from December 26 1842 to the final release on September 16 1844 The McCutchan diary is set apart from other Mier accounts not only by the new information it provides but also by Joseph Milton Nance s superb editing Nance is an acknowledged authority on the hostilities between Texas and Mexico during the era of the Texas Republic He has transcribed edited and annotated the diary with characteristic scholarship and painstaking attention to detail
