Excerpt tribe He had faculties He had also various idiosyncrasies He was undeniably the best hunter and trapper and trainer of dogs to sledge as well as the most expert upon snowshoes of all the Indians living upon the point and he was furthermore one of the dirtiest of them and the biggest drunkard whenever opportunity afforded Fortunately for him and for his squaw Bigbeam as she had been facetiously named by an agent of the company the opportunities for getting drunk were rare for the company is conservative in the distribution of that which makes bad hunters Given an abundance of firewater and tobacco Red Dog was the happiest Indian between the northern boundary of the United States and Lake Gary deprived of them both he hunted vigorously thinking all the while of the coming hour when after a long journey and much travail he should be in what was his idea of heaven again To day though the rifle bought from the company stood idle beside the ridge pole the sledge dogs snarled and fought upon the snow outside and Bigbeam squat and broad as became her name looked askance at her lord as she prepared the moose meat uncertain of his temper for his face was cloudy Red Dog was in fact perplexed and was planning deeply Good reason was there for Red Dog s thought Events of the immediate future were of moment to him and all his fellows among whom though no chief was formally acknowledged he was recognized as leader for

had he not at one time been with the company as a hired hunter Had he not once gone with a fur carrying party even to Hudson s Bay and thence to the far south and even to Quebec And did he not know the ways of the company and could not he talk a French patois which enabled him to be understood at the stations Now as fitting representative of himself and of his clan a great responsibility had come upon him and he was lost in as anxious thought as could come to a biped of his quality Like a more or less Choice Modelling Stephane Hess,Andrew Daly,2010-01-15 Contains a selection of the best theoretical and applied papers from the inaugural International Choice Modelling Conference The conference was organised by the Institute for Transport Studies at the University of Leeds and held in Harrogate North Yorkshire on 30 March to 1 April 2009

Valuing Environmental Amenities Using Stated Choice Studies Barbara J. Kanninen,2007-05-31 When I was a graduate student I fell in love with choice models After years studying the econometrics of the standard linear model discrete choice offered so many new cool twists With contingent valuation CV studies abounding data was plentiful and varied Every CV dataset had its own kinks and quirks that begged to be addressed through innovative modeling techniques Dissertation topics were not scarce We economists like to assume There are jokes written about this My assumption as I slaved over the statistical properties of the double bounded CV model was that CV data was good data representing valid economic choices made by survey respondents Before I received my Ph D this assumption was called into question big time In 1989 the Exxon Valdez oil tanker spilled 11 million gallons of oil into Prince William Sound Alaska The accident killed a lot of birds devastated fisheries harmed area economies and ruined a reputation or two It also changed the field of environmental valuation What was once a research field dominated by environmental economists interested in obtaining nonmarket values for environmental amenities was now a legal battleground pitting environmental economists against traditional economists who were skeptical of the techniques and procedures used with CV If Nobel prizes are indicators of quality and I m fairly certain they are the Exxon Valdez oil spill drew the best and the brightest to scrutinize our field **Handbook of Research on E-Learning Standards and Interoperability: Frameworks and Issues** Lazarinis, Fotis,Green, Steve,Pearson, Elaine,2010-08-31 Handbook of Research on E Learning Standards and Interoperability Frameworks and Issues promotes the discussion of specific solutions for increasing the interoperability of standalone and Web based educational tools This book investigates issues arising from the deployment of learning standards and provides relevant theoretical frameworks and leading empirical research findings Chapters presented in this work are suitable for practitioners and researchers in the area of educational technology with a focus on content reusability and interoperability **Research Ethics for Scientists** C. Neal Stewart, Jr.,2011-09-19 Research Ethics for Scientists is about best practices in all the major areas of research management and practice that are common to scientific researchers especially those in academia Aimed towards the younger scientist the book critically examines the key areas that continue to plague even experienced and well meaning science professionals For ease of use the book is arranged in functional themes and units that every scientist recognizes as crucial

for sustained success in science ideas people data publications and funding These key themes will help to highlight the elements of successful and ethical research as well as challenging the reader to develop their own ideas of how to conduct themselves within their work Tackles the ethical issues of being a scientist rather than the ethical questions raised by science itself Case studies used for a practical approach Written by an experienced researcher and PhD mentor Accessible user friendly advice Indispensable companion for students and young scientists Air University Abstracts of Research Reports
