**Research in Urban Sociology** Mark Clapson, Ray Hutchison, 2010-12-14 Presents contributions in comparative suburban studies for urban regions not just in Europe and the United States but also metropolitan regions in China India and other areas of the world This title examines the patterns of suburban development in metropolitan regions around the globe

**Visual and Multimodal Urban Sociology** Luc Pauwels, 2023-07-24 Presented over two volumes Visual and Multimodal Urban Sociology A and B explore the use and potential of visual materials and methodologies that expand the level of analysis and ways of seeing in urban sociology **Gentrification and Urban Change**, 1992 Current Perspectives in Social Theory presents essays on the major issues in contemporary theoretical work in sociology providing both a critical overview of the development of major debates and original formulations by specialists working in various fields Emphasis is put upon the presentation of new developments in special areas Intended to cover the discipline as a whole Current Perspectives in Social Theory seeks to maintain a balance between the general and the particular by dividing each volume into two parts the first consisting of field statements by recognized academics in major areas of sociology the second consisting of pieces focused on more detailed theoretical issues Picturing the Social Landscape Caroline Knowles, Paul Sweetman, 2004-08-02 In this

collection international experts explain how they have used visual methods in their own research examine their advantages and limitations and show how they have been used alongside other research techniques **Urban Areas and Global Climate Change** William Holt, 2012-10-12 Examining urban environmental issues at the macro municipal level down to the micro community and individual level this volume features cities and metropolitan regions across the global north and south with case studies from the United States Canada Eastern and Western Europe to India Central America South America and Africa **The Gentrification and Inequality in Brooklyn** Judith DeSena, 2009-06-16 While most studies on gentrification

focus almost exclusively on its causes and consequences through an examination of housing class conflict and the displacement of residents this book analyzes the process of gentrification Gentrification and Inequality in Brooklyn examines the ways in which the established working class and lower income residents of Greenpoint Brooklyn remain socially segregated from the incoming gentrifiers with both groups forming parallel cultures within the shared physical spaces of the community Desena broadens the typical analyses of gentrification to include the grass roots dynamics which create social class relations that lead to residential segregation created by social class relations Drawing upon areas traditionally under represented in urban sociology including families women children and local institutions other than housing this study explores the ways in which working class residents in the course of their everyday lives negotiate change in their neighborhood and dissimilarity with their new gentry neighbors Gentrification and Inequality in Brooklyn touches on issues familiar to anyone who has lived in a multi class or multi ethnic community while offering new perspectives on the ways that such communities develop and maintain the boundaries of social segregation Gender in an Urban World Judith N.

DeSena,Ray Hutchison,2008-02-14 Brings the analysis of gender from the margin to the center of urban theory This volume examines the influence of gender in shaping relations in urban spaces and places It represents a crack in the landscape of urban sociology and engages in the discourse of the field from a gendered perspective      **Urban Ethnography** Richard E. Ocejo,2019-10-22 Showcasing the ideas analysis and perspectives of experts in the method conducting research on a wide array of social phenomena in a variety of city contexts this volume provides a look at the legacies of urban ethnography s methodological traditions and some of the challenges its practitioners face today      **Gentrification in a Global Context** Rowland Atkinson,Gary Bridge,2004-12-10 The Gentrification in a Global Perspective brings together the most recent theoretical and empirical research on gentrification at a global scale      *Urban Megaprojects* Gerardo del Cerro Santamaria,2013-06-06 This book discusses the economic and political conditions that facilitate megaproject implementation and what are the impacts on urbanity and livability of such costly mode of urban development It includes contributions from sociologists planners geographers and architects making it a truly multidisciplinary project      **The World in Brooklyn** Judith DeSena,Timothy Shortell,2012-03-22 The World in Brooklyn Gentrification Immigration and Ethnic Politics in a Global City is a collection of scholarly papers which analyze demographic social political and economic trends that are occurring in Brooklyn Brooklyn as the context reflects global forces while also contributing to them The idea for this volume developed as the editors discovered a group of scholars from different disciplines and various universities studying Brooklyn Brooklyn has always been legendary and has more recently regained its stature as a much sought after place to live work and have fun Popular folklore has it that most U S residents trace their family origins to Brooklyn It is presently referred to as one of the hippest places in New York Thus this book is a collection of demographic ethnographic and comparative studies which focus on urban dynamics in Brooklyn The chapters investigate issues of social class urban development immigration race ethnicity and politics within the context of Brooklyn As a whole this book considers both theoretical and practical urban issues In most cases the scholarly perspective is on everyday life With this in mind there are also social justice concerns Issues of social segregation and attendant homogenization are brought to light Moreover social class and race advantages or disadvantages as part of urban processes are underscored through critiques of local policy decisions throughout the chapters A common thread is the assertion by contributors that planning the future of Brooklyn needs to include multi ethnic racial and economic groups those very residents who make up Brooklyn      *Public Spaces* Joao Teixeira Lopes,Ray Hutchison,2016-11-17 This volume is about the plurality and complexity of modern urban public spaces The authors move far beyond the nostalgia of traditional streets squares and gardens to mobilize contemporary sociological knowledge based on the mediated relations between spatial morphology and everyday life in cities across several continents      *From Sustainable to Resilient Cities* William G. Holt,2014-11-28 This edited volume addresses sustainability efforts in cities and metropolitan regions around the world focusing on four key areas environment economic sociopolitical and cultural sustainability It includes chapters about

applications to urban regions focusing on the movement from sustainable development to resilient urban centers

*Research in Urban Sociology* Ray Hutchison,1992-01-01 The second volume in a series which studies research in urban sociology this work is an analysis of gentrification and urban change      *Rhythmanalysis* Dawn Lyon,2021-11-26 This collection brings together new and original research on the concept and practice of rhythmanalysis in urban sociology as a means to analyse the relationship between the time and space of the city      *City of Rhetoric* David Fleming,2009-07-01

Examines the relationship of civic discourse to built environments through a case study of the Cabrini Green urban revitalization project in Chicago      **Everyday Life in the Segmented City** Camilla Perrone,Gabriele Manella,Lorenzo Tripodi,2011-11-10 The conference Everyday Life in the Segmented City held in July 2010 Florence gathered a multiplicity of approaches and points of view dealing with issues of global urbanization This title contains a selection of the papers presented at the conference      **Protecting One's Turf** Judith DeSena,2005-02-22 Protecting One's Turf is a qualitative

study that both analyzes informal residential segregation and investigates the effects of racial segregation The focus of the study is Greenpoint a working class neighborhood in Brooklyn New York The book's first edition chronicled the community wide strategies employed to maintain a predominantly white community in Greenpoint The revised edition examines the community's continuing gentrification      **The New Chicago** John Patrick Koval,2006 For generations visitors journalists and social scientists alike have asserted that Chicago is the quintessentially American city Indeed the introduction to The New Chicago reminds us that to know America you must know Chicago The contributors boldly announce the demise of the city of broad shoulders and the transformation of its physical social cultural and economic institutions into a new Chicago In this wide ranging book twenty scholars journalists and activists relying on data from the 2000 census and many years of direct experience with the city identify five converging forces in American urbanization which are reshaping this storied metropolis The twenty six essays included here analyze Chicago by way of globalization and its impact on the contemporary city economic restructuring the evolution of machine style politics into managerial politics physical transformations of the central city and its suburbs and race relations in a multicultural era In elaborating on the effects of these broad forces contributors detail the role of eight significant racial ethnic and immigrant communities in shaping the character of the new Chicago and present ten case studies of innovative governmental grassroots and civic action Multifaceted and authoritative The New Chicago offers an important and unique portrait of an emergent and new Windy City      *COVID-19 in Brooklyn*

Jerome Krase,Judith DeSena,2023-03-07 COVID 19 in Brooklyn Everyday Life During a Pandemic looks closely at the ways that the COVID 19 pandemic impacted the lives of ordinary people living in the super gentrified Brooklyn neighborhoods of Park Slope and Greenpoint Williamsburg where the authors hunkered down during the 2020 lockdown Putting their private lives into broader scientific and public contexts Krase and DeSena discuss a wide range of research methods and theories as well as print and internet media sources about the pandemic With words and images the scholar activist authors place their

own personal experiences and those of their family and neighbors inside the broader context of global and national medical emergencies as well as related economic social and political unrest such as widespread unemployment the Black Lives Matter Movement and the contentious 2020 presidential election Using a distributive social justice perspective and examining their own privileges they discover and discuss the racial and economic inequities that affected the lives of other Brooklynites These disparities included public health measures and lack of access to basic necessities of urban living The book also addresses the cultural and economic shifts that took place at the start of the pandemic and contemplate how those forces will impact on future urban life asking what the new normal of business entertainment education housing and work will look like locally and globally This richly illustrated book offers an invaluable local study of the impact of the pandemic on ordinary people in Brooklyn As such it will be of great interest to students and researchers in the humanities and social sciences
