PORTRAIT BY THE MOTHER OF THE FAMOUS AMERICAN KENNEDY FAMILY Rose Kennedy Barbara A Perry, 2013-07-16 An unprecedented look at the life of Rose Kennedy reveals the private woman who became a political legend In her compelling and intimate portrait presidential historian Barbara A Perry captures Rose Kennedy s essential contributions to the incomparable Kennedy dynasty This biography the first to draw on an invaluable cache of Rose s newly released diaries and letters unearths the complexities behind the impeccable persona she showed the world The woman who emerges in these pages is a fascinating character savvy about her family s reputation and resilient enough to persevere through the unfathomable tragedies that befell her As a young woman she defied her father Boston mayor John Fitzgerald by marrying ambitious businessman Joseph Kennedy During Joe s diplomatic career she began carefully calibrating her family s image stage managing photo shoots and interviews of her nine children and herself After husband Joe s isolationist views on the eve of World War II made him a political liability Rose took to the campaign trail for son Jack Her perfectionism initially a response to the strictures imposed on Catholic women ultimately created a family portrait that resonated in modern politics and media Perry s account looks past the fanfare poignantly revealing the matriarch s vulnerability Rose sought solace from crushing personal tragedies and a philandering husband in prayer habitual shopping travel and medication Initially ashamed and afraid of daughter Rosemary s mental disability Rose ultimately shined a light on the affliction raising millions of dollars for disabled children An indefatigable campaigner for Jack Bobby and Teddy she had an unshakable Catholic faith that informed their compassionate social policies and her daughters philanthropies The definitive biography *Rose Kennedy* provides unequalled access to the life of a remarkable woman who witnessed a century of history and masked her family s more inconvenient truths while capturing the American imagination *The Kennedy Family* S. J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wannabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching **The Presidency of John F. Kennedy** James N. Giglio, 2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban

missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy s watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library *The Presidency of John F Kennedy* remains the definitive appraisal of Camelot s kingdom
