From Texas to Rome Fred L. Walker,2014-06-20 This remarkable and very rare memoir discusses the bloody combat history of the Texas National Guard 36th Infantry Division in World War II from pre embarkation training through the capture of Rome The perspective as seen through the eyes of its author General Fred Walker is refreshing for its refusal to rely upon hindsight and revisionist history Walker led a division longer than any other American officer during World War II The 36th earned a formidable reputation and paid a high price for that distinction Only five divisions in the entire U S Army suffered more casualties than the 36th during the course of the war Some of the division s fighting included the hard battles of Salerno and Monte Cassino The 36th was assigned an assault river crossing at the Rapido to outflank the Cassino position and although several companies made it to the far bank their tank support failed to cross the river A German panzer grenadier counterattack pushed the infantry of the 36th back across the river with heavy losses General Mark Clark the 5th Army Commander in what appeared to be an effort to scapegoat relieved several key 36th division officers although General Walker was retained as its commanding general After the allies captured Rome Walker was reassigned to command the Infantry School at Fort Benning Includes a special guest Preface by Jeffrey W Hunt Director of the Texas Military Forces Museum illustrations photographs maps 504 pages *Out of Place Out of Time* Eric Knapp,2003 Dr Stowel made a big mistake experimenting with unverified theories of time travel The consequence was his sudden departure from Earth and his introduction to a sentient alien race When he returns many years later he doesn t know how he got back or why Injured and suffering from severe memory loss Stowel can only speculate that the aliens were responsible that they are on Earth now and that they are up to no good To the agents of the Temporal Exploration and Advancement project Stowel s return could mean advancing their research by years Yet with the risk of instigating an alien conflict as a result of their research the project is at risk of being terminated instead What is really gong on Katherine Maya is certain there is more locked inside the lost memories of Dr Trenton Stowel But how can she unlock the memories of a man who keeps disappearing into thin air Amazon com **Kyoto and Nara: Rough Guides Snapshot Japan** Rough Guides,2014-10-02 The Rough Guide Snapshot to Kyoto and Nara includes Kyoto International Manga Museum Kinkaku ji and Todai ji The Rough Guide Snapshot to Kyoto and Nara is the ultimate travel guide to these Japanese prefectures The guide leads you through the regions with reliable information
