Roughing It In The Suburbs Reading Chatelaine Magazine In The Fifties And Sixties:

Roughing it in the Suburbs Valerie J. Korinek, 2000-12-15 Originally launched in 1928 by the 1950s and 1960s nearly two million readers every month sampled Chatelaine magazine's eclectic mixture of traditional and surprisingly unconventional articles and editorials At a time when the American women's magazine market began to flounder thanks to the advent of television Chatelaine's subscriptions expanded as did the lively debate between its pages Why In this exhilarating study of Canada's foremost women's publication in the 50s and 60s Valerie Korinek shows that while the magazine was certainly filled with advertisements that promoted domestic perfection through the endless expansion of consumer spending a number of its sections including fiction features letters and the editor's column began to contain material that subversively complicated the simple consumer recipes for affluent domesticity Articles on abortion spousal abuse and poverty proliferated alongside explicitly feminist editorials It was a potent mixture and the mail poured in both praising and criticizing the new directions at the magazine It was Chatelaine's highly interactive and participatory nature that encouraged what Korinek calls a community of readers readers that in their very response to the magazine led to its success Chatelaine did not cling to the stereotypical images of the era instead it forged ahead providing women with a variety of images ideas and critiques of women's role in society Chatelaine's dissemination of feminist ideas laid the foundation for feminism in Canada in the 1970s and after Comprehensive fascinating and full of lively debate and history Roughing it in the Suburbs provides a cultural study that weaves together a history of Chatelaine's producer's consumers and text It illustrates how the structure of the magazine's production and the composition of its editorial and business offices allowed for feminist material to infiltrate a mass market women's monthly In doing so it offers a detailed analysis of the times the issues and the national cross section of the women and sometimes men who participated in the success of a Canadian cultural landmark Winner of the Laura Jamieson Prize awarded by the Canadian Research Institute for the Advancement of Women

Sisters or Strangers? Marlene Epp, Franca Iacovetta, 2016-10-27 Spanning more than two hundred years of history from the eighteenth century to the twenty first Sisters or Strangers explores the complex lives of immigrant ethnic and racialized women in Canada Among the themes examined in this new edition are the intersection of race crime and justice the creation of white settler societies letters and oral histories domestic labour the body political activism food studies gender and ethnic identity and trauma violence and memory The second edition of this influential essay collection expands its chronological and conceptual scope with fifteen new essays that reflect the latest cutting edge research in Canadian women's history Introductions to each thematic section include discussion questions and suggestions for further reading making the book an even more valuable classroom resource than before

Women in Magazines Rachel Ritchie, Sue Hawkins, Nicola Phillips, S. Jay Kleinberg, 2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the

weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women s experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women s contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia

Awfully Devoted Women Cameron Duder,2011-01-01 The lives of many lesbians prior to 1965 remain cloaked in mystery Historians have turned the spotlight on upper middle class romantic friends and on working class butch and femme women but the lives of the lower middle class majority remain in the shadows *Awfully Devoted Women* offers a portrait of middle class lesbianism in the decades before the gay rights movement in English Canada This intimate study of the lives of women who were forced to love in secret not only challenges the idea that lesbian relationships in the past were asexual it also reveals the courage it took to explore desire in an era when women were supposed to know little about sexuality

Rethinking Professionalism Kristina Huneault,Janice Anderson,2012 The first collection of scholarly essays on women and art in Canadian history

Revisiting Human Rights in Canadian History Jennifer Tunnicliffe,Stephanie Bangarth,2025-11-13 Through insightful essays *Revisiting Human Rights in Canadian History* challenges the national myths that celebrate Canada s inclusivity frame this country as a global human rights leader and minimize persistent inequalities at home Contributors to this volume critically examine how Canadian citizens and governments have historically understood and mobilized human rights as well as who has fought for benefitted from and been excluded from them Spanning topics such as incarceration and criminalization women s rights labour movements Indigenous sovereignty grassroots activism immigration and foreign policy this collection reflects the diversity of research driving the rapidly developing field of human rights Both a timely intervention and call to mobilize for social justice *Revisiting Human Rights in Canadian History* offers a nuanced reassessment of Canada s history and historiography of human rights

Promotional Culture and Convergence Helen Powell,2013-04-17 The rapid growth of promotional material through the internet social media and entertainment culture has created consumers who are seeking out their own information to guide their purchasing decisions *Promotional Culture and Convergence* analyses the environments necessary for creating a culture of collaboration with consumers and critically engages with key areas of contemporary promotional development including promotional culture s primary industries including advertising marketing PR and branding and how are they informed by changes in consumer behaviour and market conditions how industries are adapting in the digital age to attract both audiences and advertising revenue the evolving dialogues between new consumers and producers and promotional industries Ten contributions from leading theorists on contemporary promotional culture presents an indispensable guide to this

creative and dynamic field and include detailed historical analysis in depth case studies and global examples of promotion through TV magazines newspapers and cinema

Limelight Katja Lee, 2020-02-20 At the heart of fame is the tricky business of image management Over the last 115 years the celebrity autobiography has emerged as a popular and useful tool for that project In *Limelight* Katja Lee examines the memoirs of famous Canadian women like L M Montgomery Nellie McClung the Dionne Quintuplets Margaret Trudeau and Shania Twain to trace the rise of celebrity autobiography in Canada and the role gender has played in the rise to fame and in writing about that experience Arguing that the celebrity autobiography is always negotiating historically specific conditions Lee charts a history of celebrity in English Canada and the conditions that shape the way women access and experience fame These contexts shed light on the stories women tell about their lives and the public images they cultivate in their autobiographies As strategies of self representation change and the pressure to represent the private life escalates the celebrity autobiography undergoes distinct shifts in form function and content during the period examined in this study *Limelight Canadian Women and the Rise of Celebrity Autobiography* is the first book to explore the history and development of the celebrity autobiography and offers compelling evidence of the critical role of gender and nation in the way fame is experienced and represented

No Place for the State Christopher Dummitt, Christabelle Sethna, 2020-04-15 There s no place for the state in the bedrooms of the nation Pierre Elliott Trudeau told reporters He was making the case for the most controversial of his proposed reforms to the Criminal Code those concerning homosexuality birth control and abortion In *No Place for the State* contributors offer complex and often contrasting perspectives as they assess how the 1969 Omnibus Bill helped shape sexual and moral politics in Canada by examining the bill s origins social implications and repercussions The new legal regime had significant consequences for matters like adoption divorce and suicide After the bill passed a great many Canadians continued to challenge how sexual behaviour was governed demanding much more exhaustive changes to the law Fifty years later the origins and legacies of the bill are equivocal and the state still seems interested in the bedrooms of the nation This incisive study explains why that matters

Shopping for Votes Susan Delacourt, 2016-05-07 This second edition offers an insightful and provocative look at the inside world of political marketing in Canada and what this means about the state of our democracy in the twenty first century from a leading political commentator Inside the political backrooms of Ottawa the Mad Men of Canadian politics are planning their next consumer friendly pitch Where once politics was seen as a public service increasingly it s seen as a business and citizens are the customers But its unadvertised products are voter apathy and gutless public policy Susan Delacourt takes readers into the world of Canada s top political marketers from the 1950s to the present explaining how parties slice and dice their platforms for different audiences and how they manage the media The current system divides the country into niche markets and abandons the hard political work of knitting together broad consensus or national vision Little wonder then that most Canadians have checked out of the political process less than two per cent of the population

belongs to a political party and fewer than half of voters under the age of thirty showed up at the ballot box in the last few federal elections Provocative incisive entertaining and refreshingly non partisan Shopping for Votes offers a new narrative for understanding political culture in Canada
